MERRY CHRISTMAS TO PRESIDENT-SELECT BUSH

Dear Mr. President-Select:

As the holiday season approaches, I want to take the time to wish you and yours the best possible Christmas. Of course, I feel certain that my best wishes are not needed; you have long had a talent for feathering your nest, frequently at the expense of the poor and the weak, and I'm confident you'll have everything you need to enjoy the coming holidays.

There are, of course, many in this country—those who do not have your gift of lechery and theft, the poor and the middle class—who will no doubt be struggling to buy gifts for their children and loved ones. For this they can thank tax breaks for your rich friends and cronies, which have siphoned off funding for schools, hospitals, infrastructure and the like. Due in large part to your policies and the policies of your friends, like Ken Lay, my home state of California is on the verge of economic collapse, with other states almost certain to follow.

But don't think of us. Don't think about those of your fellow Americans who earn less than a million dollars a year. Pay no mind to the poor and the desperate, those who are without medical insurance or a roof over their heads. I wouldn't want that to detract from your happy holidays. Then again, who am I kidding? You have never thought about those people, and you never will. Only the rich power brokers who helped you steal the Presidency mean anything to you.

As for the rest of us, the true Americans, we know what we're hoping for—a new President and a just government.

Boys in Baghdad

Today my platoon leader and myself were discussing your "Butt Plug of the Month." We were really impressed with the light saber. Being the gun enthusiasts that we are, we were thinking about a woman waving a Glock pistol in her brown starfish. In addition, what about a Claymore firing device with the wire connected to her poop chute? We'd accept an Army angle-neck flashlight, red lens of course.

—3rd Platoon Nomads
Iraq

I'm currently serving in Iraq for Operation Enduring Freedom with the Marine Corps. I just want to thank you for the outstanding publications that you put out on a monthly basis. They are a great motivational tool when morale is low. The circulation of HUSTLER is amazing! There isn't a place where you can't find one to enjoy. Thanks for your contributions to the war effort.

—D. P.
Baghdad, Iraq

I just received issues of HUSTLER for my entire platoon. All the soldiers of the 3rd Platoon salute Larry Flynt's editorial staff. As soon as I opened the envelope, my soldiers were all over me. I try to take care of the platoon first, so I probably won't see an issue for a week or so. I enjoy the hot chicks you guys get. The jokes are always funny, and *Beaver Hunt* seals the deal. I'm riding my motorcycle out to Beverly Hills after I return from this hellhole.

Savage Sucks

Thanks for naming that idiot Michael Savage as the Asshole of the Month for November 2003! So many of the right-wing conservative talk-show hosts in our once-great country are beginning to sound more and more evil, and out of touch with reality. In fact, Savage is such an Asshole that I think a shit-machine blast of fecal matter should cover his entire face.

—D. C.

Riled Up!

After reading the article in the October HUSTLER calling for a day of prayer for the death of Bill O'Reilly, you can stick the subscription renewal notice right up Larry Flynt's ass. He should not only be crippled, but dead! I only pray that he suffers for the rest of his life. As for the rest of the staff that works for this asshole, you should all rot in hell. To every employee of LFP: Fuck off and die!

—F. G.

Frantic for Felix

I just picked up the November HUSTLER, and I have to admit that Felix Vicious is hot as hell (*Felix: Fingered Felon*). Her hair is gorgeous, her eyes are magnificent, and her lips are lovely, not to mention that

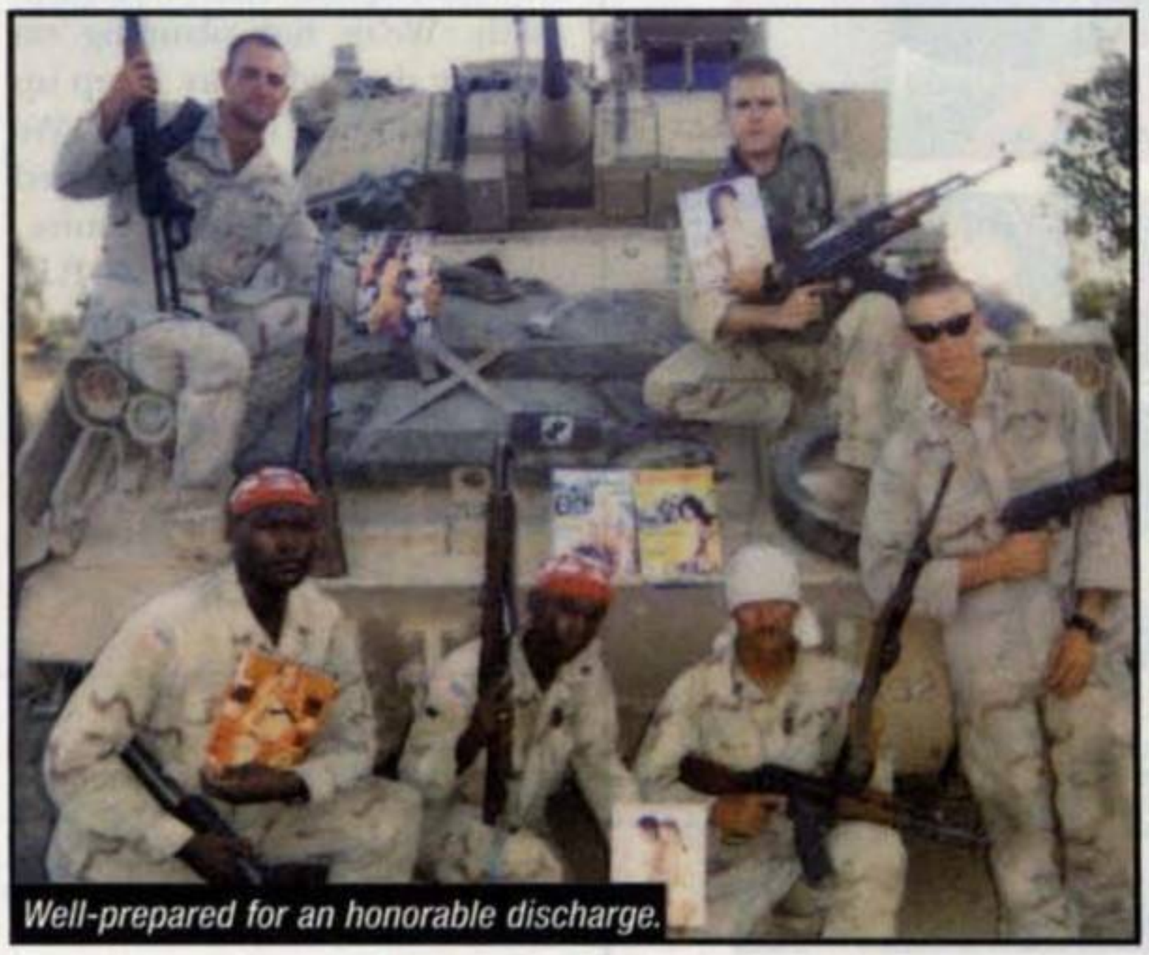
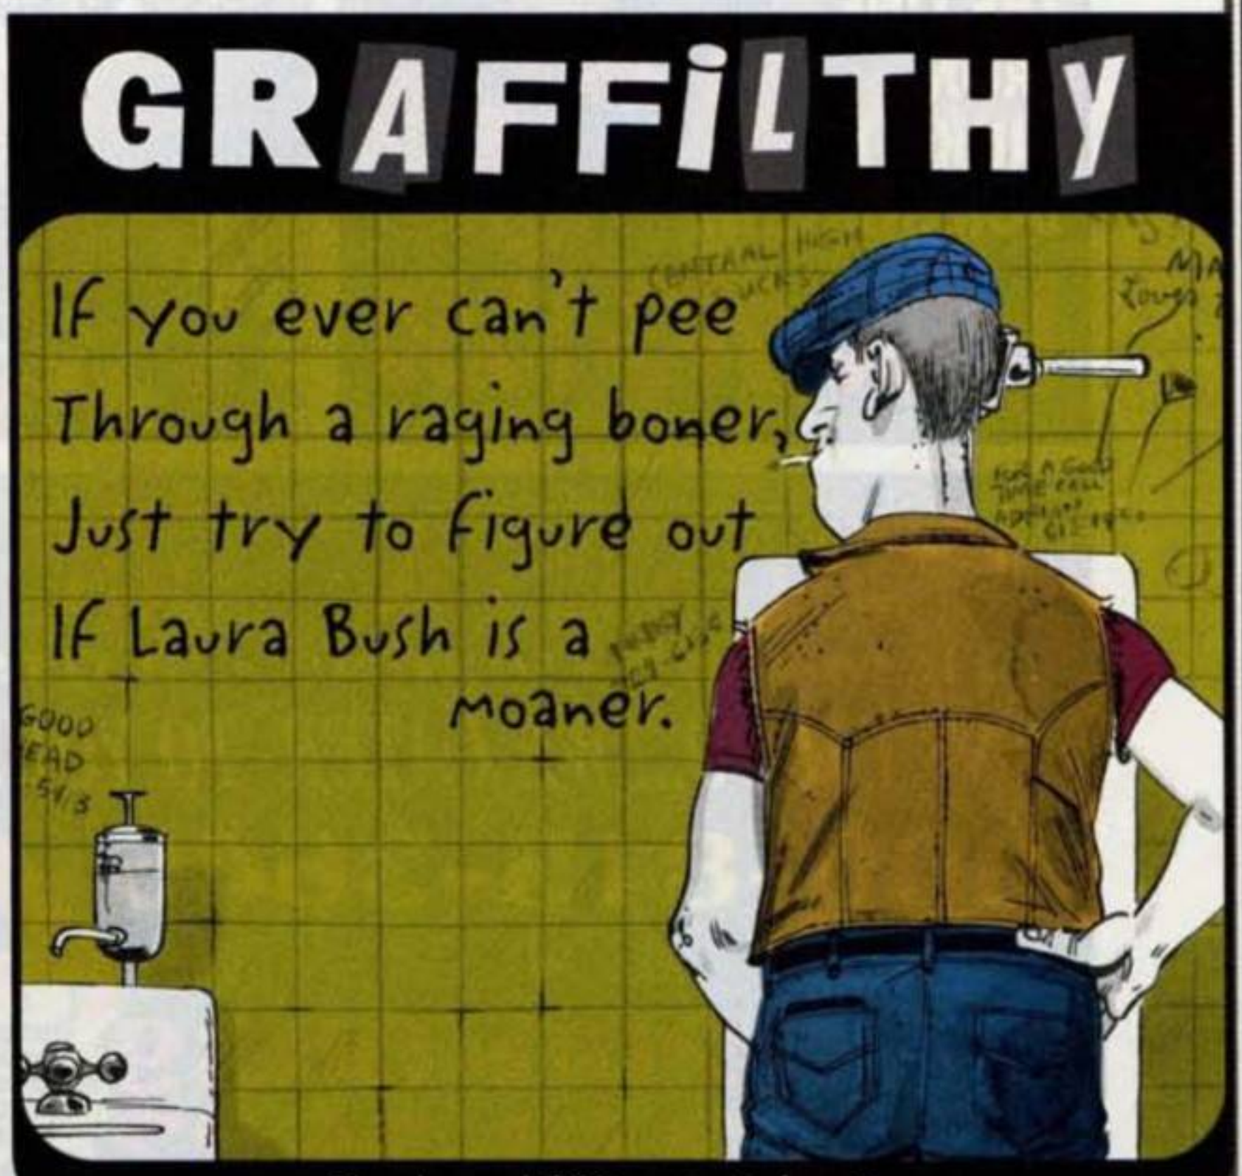
Pungent Pussy

I just read the November HUSTLER, and I have a few comments I'd like to share with you regarding *The Flynt Files*. Why hasn't HUSTLER shown any "batgirls" (women with pussy lips like bat wings) or "roast beef girls" (women with pussy lips that look like a slice of roast beef)? It's such a turn-off when women have little or hardly any pussy lips.



Well-prepared for an honorable discharge.

GRAFFILTHY



Thanks and $50 go to **John G.**

Regarding spraying cunts, I have a video of them, and it's pretty wild. On spoiled pussies, a friend of mine met some broad at a bar, and she took him back to her place. Later, he told me she had the most godawful smell coming from her gash. He said it smelled like a combination of rotting fish and roadkill. He was sure she had a dead fetus up there. He couldn't leave fast enough. *Beautiful People Who Are Not Really Beautiful* made me laugh my ass off. You guys should do that every month. I'm sure you'll get a bunch of crybabies who will complain about what you wrote. Too damn bad! Keep up the good work, guys.

—C. W.
Albuquerque, New Mexico

You can definitely look forward to future installments of *Beautiful People Who Are Not Really Beautiful.* In fact, we invite our readers to help us with suggestions.

Fans of the Filth

My husband and I have been avid HUSTLER readers since before we were married. We love your magazine. It keeps our sex life just as steamy now as it was when were just "fuck buddies." The new format is great, and I appreciate the fact that Larry is writing his editorial again. Thanks for all the great years of sexual guidance, pleasure and fantasies.

—A. L.

Loco for Latinas

Could you guys add more hot Latinas to your magazine? Also, how about some hot Indian babes? I hear the spring water makes them even perkier. —A. C.
Allentown, Pennsylvania

Turn to page 38, A. C., where we present the lovely *señorita* Simone for your viewing pleasure. You might also want to check out Chuy starting on page 98. He's a cute little fellow, huh?

Hot & Horny

I'm a 53-year-old woman, and my fiancé is 41. We have a great relationship. The sex is always great. We have been together almost two years and are still going strong. We recently purchased a HUSTLER and have been reading it for two days now. This morning we got so turned on by looking at all of the beautiful women that I took a sip of coffee and put my mouth on his hard dick. It didn't take him long to come in my nice, warm mouth. I don't swallow, but he says I'm the best spitter he's ever been with. We're not planning on getting dressed today. Keep up the good work, HUSTLER. We look forward to getting turned on with you in the near future.

Glad we can help, P. R., though personally we prefer to mix our splooge with hot cocoa.

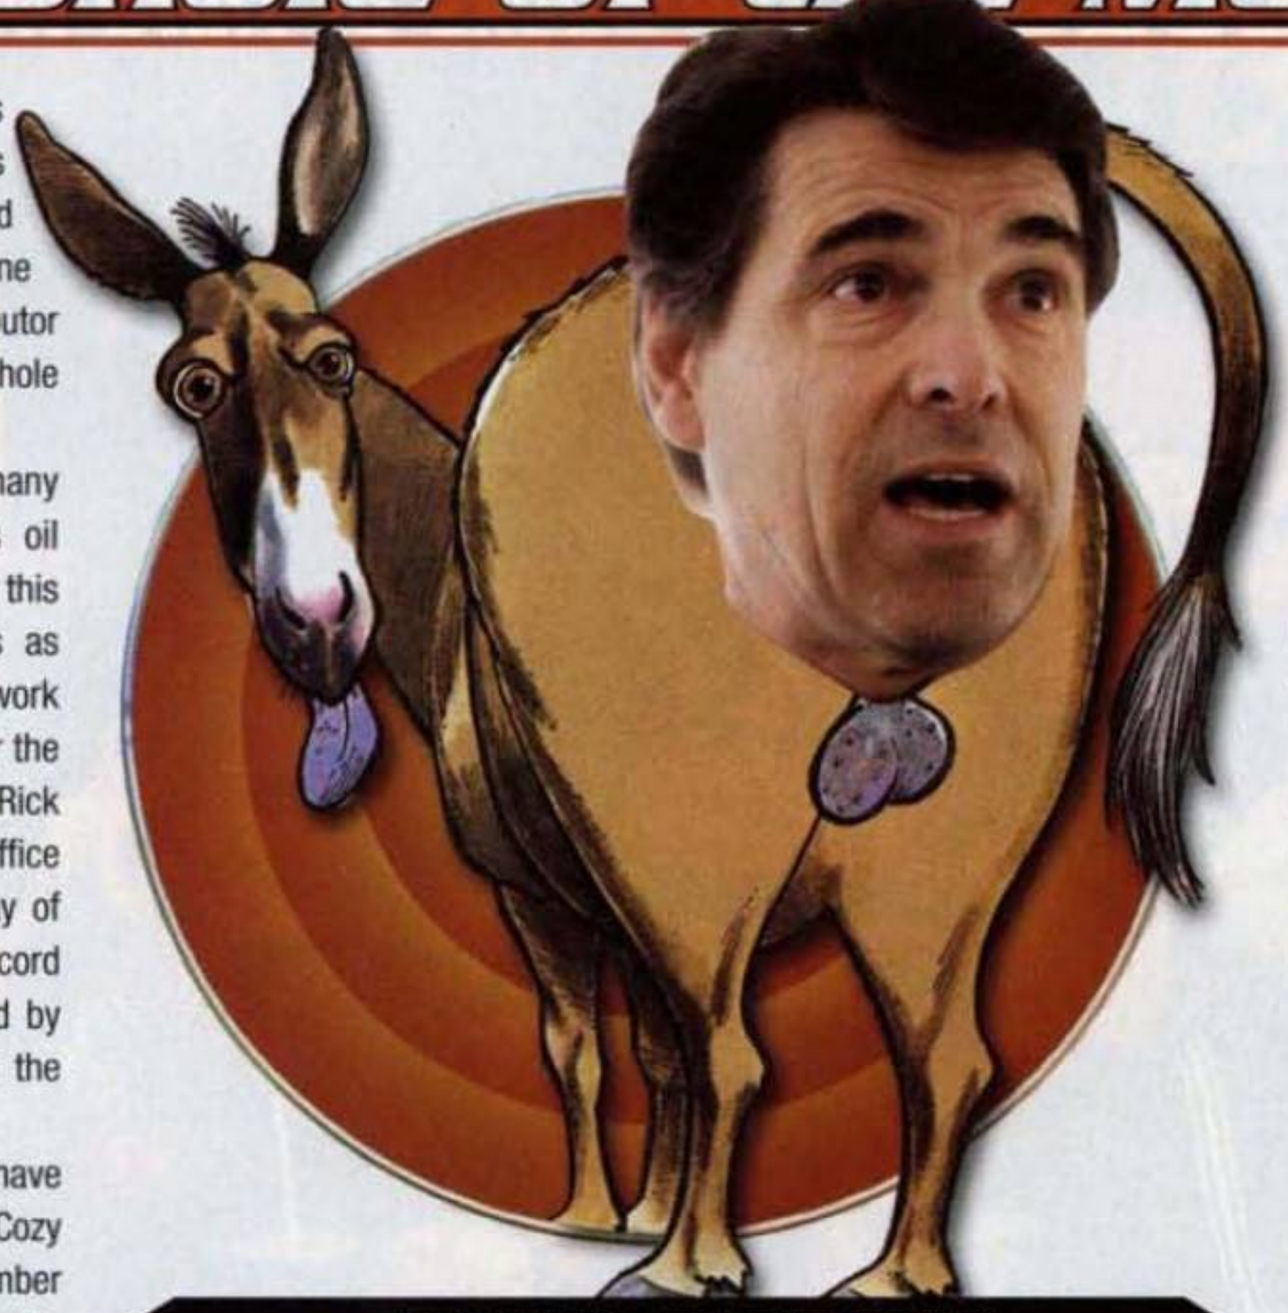
Asshole of the Month



RICK PERRY

If turds were toy firetrucks and Barbie dolls, Texas Governor Rick Perry would be Santa Claus. As it is, the Lone Star State's premier dung distributor is HUSTLER's Holiday 2003 Asshole of the Month.

Texas produces almost as many shitbag politicians as it does oil wells. Perry, 53, ably furthers this legacy. "One of my hallmarks as Texas's 47th governor will be to work in a bipartisan manner to further the best intentions of Texas," Slick Rick blustered shortly before taking office in 2001. Perry has a funny way of furthering things; he vetoed a record 82 bills—many of them crafted by months of bipartisan effort—in the 2002 session.

Campaign donors, however, have a prime spot at Perry's table. Cozy relationships with donors, a number of which bear the whiff of kickback, have marked Perry's career like so many shit stains. In 1999, Dallas insurance executive Robert Reinarz claimed that then-lieutenant governor Perry had quashed a Senate committee on insurance deregulation in exchange for a $25,000 donation. Then there was a June 2002, $1.5-billion highway-construction contract for Fluor Corp. and S&B Infrastructure, which was granted, oddly enough, just days after those companies had kicked $30,000 into Perry's campaign kitty.

All of which pales compared to Perry's June 2001 appointment of Mario Max Yzaguirre as Texas Public Utilities Commission (PUC) chairman. Previously, Yzaguirre had been an executive at the famously corrupt energy company Enron.

The appointment, as luck would have it, was followed one day later by a $25,000 contribution from Enron chairman Ken Lay, which Perry characterized as "totally coincidental." To the objective eye, these two circumstances are as coincidental as stink following shit.

The tenure was disastrous and short-lived. Yzaguirre, it turned out, sidestepped state law by omitting his ties to Enron's North American subsidiaries on his application. Perry's office, meanwhile, redacted Yzaguirre's criminal record from his application before releasing it to the public. Six months after his appointment, the PUC chairman resigned.

At least Rick got his 25 grand. The only thing most Texans received was a higher electric bill.

Perry, against all odds, has managed to top this travesty with his current gerrymandering scheme.

Since May, Perry, at the behest of rabid-right Congressman Tom DeLay, has pushed for congressional redistricting in Texas, a power grab intended to finagle the GOP five to seven more House seats.

Never mind that, per the U.S. Constitution, redistricting is to occur only after every census. Texas's districts were last redrawn in 2001 by a bipartisan judicial panel, when the legislature failed to agree on a plan. At the time, Perry refused to challenge the new map, noting that doing so "would be a waste of taxpayer's money."

Now, however, despite Texas's current $9.9 billion deficit, Perry has abandoned both fiscal prudence and the rule of law. Rick has so far called two special sessions (cost: $3.4 million) in hopes of ramming redistricting through, and has vowed to call as many sessions as it takes.

Twice, Democratic legislators have been forced to leave the state to block Perry's hardnosed tactics. Fifty-four state troopers were sent to arrest the legislators, logging more than 1,000 hours that will, like every other aspect of Perry's folly, be paid for by taxpayers. In a stunning abuse of federal power, the Department of Homeland Security was called in to hunt for the Democrats. Republican state Rep. Pat Haggerty of El Paso has rightfully lamented that Perry's pigheaded ploy makes his party look like "a bunch of schmucks."

Somehow, Perry misinterprets the governmental impasse he created as negligence by the Democrats. "I think the people of the state of Texas are frustrated and disappointed that they choose not to do their duty," Governor Gridlock theorizes.

Bullshit; the redistricting scheme will only benefit the GOP, and Texans know this, according to a recent poll that puts them solidly against it. Meanwhile, Texas's educational system continues to slip into the toilet, and the state faces a dire hospital-funding crisis. Neither situation stands to improve under Perry's party-over-people putsch.

Perry should be more concerned with redistricting his cranium, which currently resides deep in the region of his Asshole.

Farts in the Wind

Rep. Bill Janklow: Apparently unfazed by the 12 speeding tickets he'd received in the past, South Dakota Congressman Janklow may soon be adding second-degree manslaughter to his rap sheet. In late August, Janklow was doing 75 mph in a 55 zone when he blew through a stop sign, hitting and killing motorcyclist Randy E. Scott. Janklow is on a fast track to Assholery.

Fox News Channel: It seems odd that a news outlet would launch a lawsuit to actually *limit* the First Amendment. Then again, we're talking about Fox News. The cable channel recently sought to block publication of Al Franken's book, *Lies and the Lying Liars Who Tell Them: A Fair and Balanced Look at the Right*, claiming that customers might confuse Franken's parody with an official Fox product. Deeming their case "wholly without merit," a federal judge found the plaintiffs to be full of hot air, like the gas-leaking Assholes they are.

GREAT VALUES off the Backs of Third World Laborers

TACO BELL: Low Prices, Lower Ethics

TACO BELL

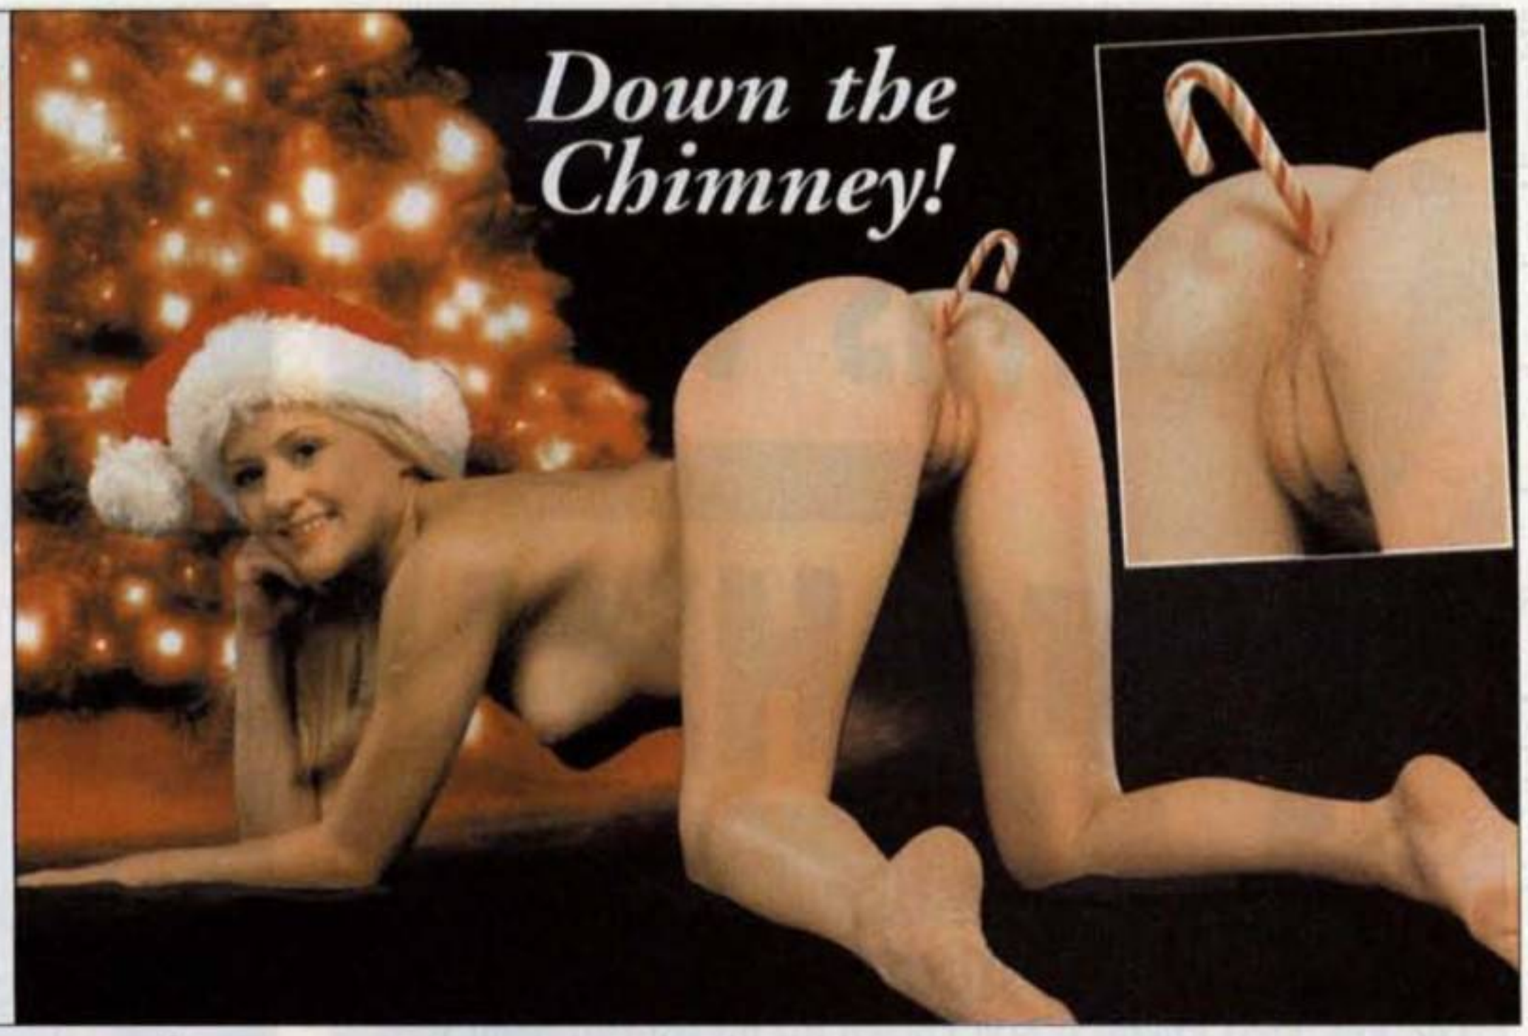
Our tasty tacos are made of savory ground beef, crunchy corn tortillas, crisp lettuce, scrumptious cheddar cheese and *deeee*-licious tomatoes! You can feed your whole family with our yummy Grande Combo for under seven bucks! How does Taco Bell bring these great savings to you? Here is one example: We buy some of our juiciest tomatoes from a supplier who pays these migrant-worker chumps 45 cents for every 32 pounds they pick. Can you believe that? Just think of the savings we're passing on to you! Dining at Taco Bell is enjoyable and affordable because these dumb schmucks don't get any overtime pay, sick leave or holidays, and they are not allowed to unionize! Our customers are *numero uno* at Taco Bell, and there's nothing we wouldn't do for them (and their money).

Disclaimer: Parody. Not a real ad. This is a social commentary on how Taco Bell knowingly buys tomatoes from a supplier who exploits migrant workers. For more info on this situation and the boycott of Taco Bell, please go to www.CIW-Online.org.

BUTT PLUG OF THE MONTH

What would you like to see in a Honey's ass?

C. S. of Dallas loves the holiday season and said his Christmas wish was "to see a candy cane in a girl's keister." When Santa wasn't looking, we asked Mrs. Claus (a/k/a Austin) to take this tasty treat up her ass. HUSTLER encourages readers to tell us what they'd like to see embedded in a babe's booty. Send requests to: HUSTLER's "Butt Plug of the Month," 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211.



Commander in Cheese

We all know something stinks in the White House these days; so it was only a matter of time before someone came up with the **Pull My Finger President!** doll. Tug Dubya's digit, and he spews farting sounds and made-up Bushisms such as, "That's what I call the flatulation proclamation" and, "Hey, Saddam, here's a weapon of mass destruction!" To order your Bush doll, light a match and go to **www.Farts.com**, or call **(212) 828-8275**.

Porn From the Past

Sum Yung Snatch

Thanks and $150 go to E. M. of West Hollywood, California, for this China doll and the guy trying to crack her open. Send your smut of yesteryear to HUSTLER's "Porn From the Past," 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Include a self-addressed, stamped envelope if you want the material returned. HUSTLER is not responsible for lost pictures.

News reports say accused murderer Scott Peterson gets more mail than most inmates in the Stanislaus County Jail in Modesto, California, and many of these letters are from lovesick women. If he gets off the hook, we think Scott would be perfect for the goofy romance reality series *The Bachelor*. The ratings would go through the roof, and wacky women would wet their panties in anticipation of being his next victim–*err*, wife.

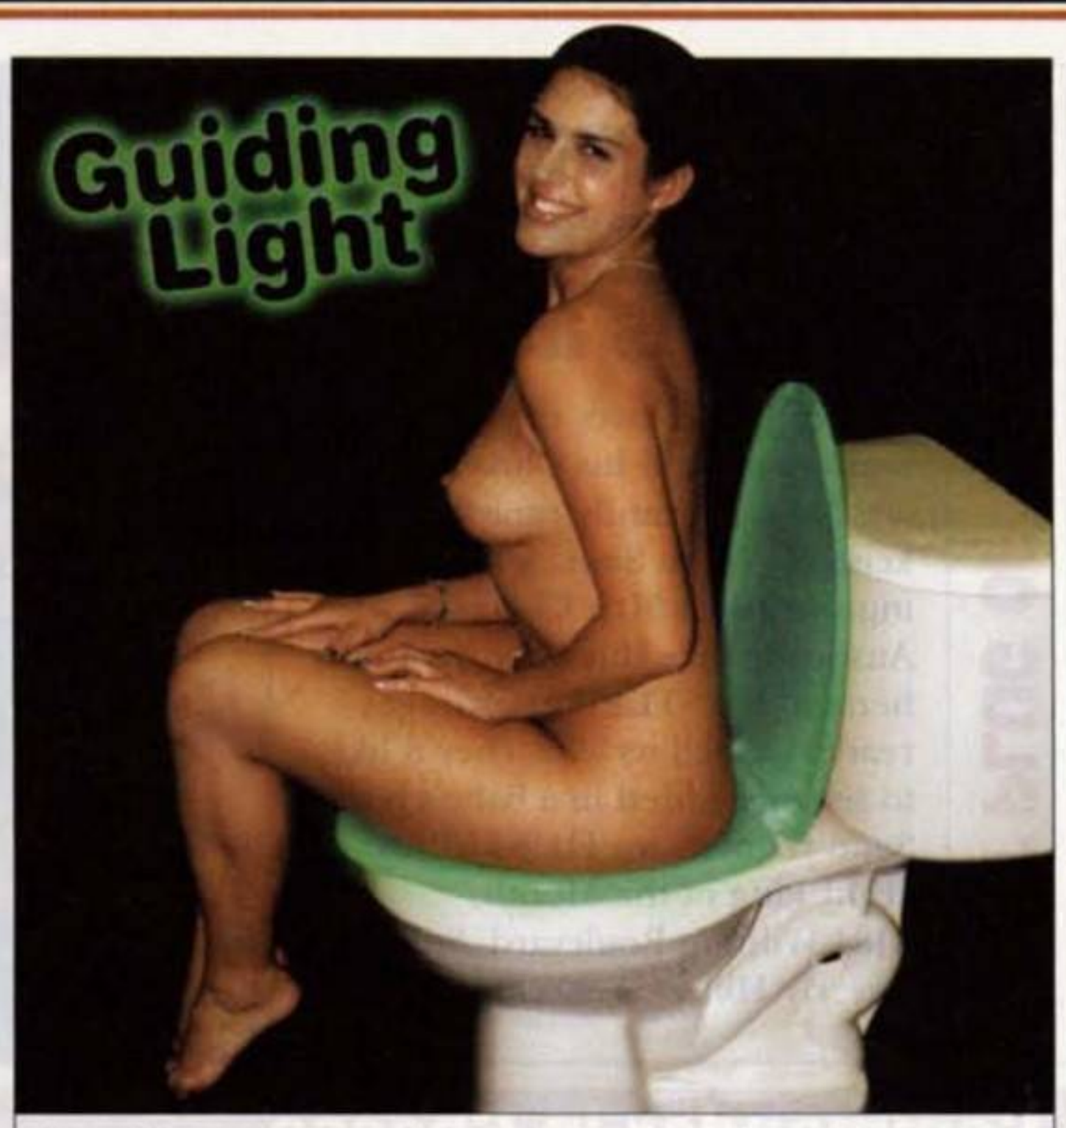
Rev. Fred Phelps on...Sodomy

The Rev. Fred Phelps is best known for his controversial Web site **www.GodHatesFags.com**. We asked the good reverend for his opinion on the recent Supreme Court decision that overturned the sodomy laws. Phelps responded, "What they (the Supreme Court justices) did makes the Constitution an agreement with hell. They are all headed for hell. I think David Souter is (gay), and Stephen Breyer can't be far behind. If consenting adults can do what they want to in their bedroom, then you gotta let them have sex with animals! You can't forbid incest; you can't forbid polygamy. They'll just be fornicating up the rump from sea to shining sea." Thus concludes this month's heartwarming message from Rev. Phelps.



The folks at Extreme Glow say the secret of their Go in the Dark toilet seats is that they are embedded with Strontium Aluminate and Europium powder. That stuff sounds like it might put another hole in your ass or shrivel your balls to the size of juju beans, but Extreme Glow claims that the "powder" is a nonradioactive phosphorescent pigment, whatever that is. The seats really do glow, and you'll be able to find the toilet at night, even if you end up having to pee out of a tube after using the thing for a few years. The seats come in two sizes: round for regular asses and elongated for fat asses. To order yours go to **www.ExtremeGlow.com** or call **(888) 748-4755**.

BEATING CANCER: Researchers in Australia report that frequent whacking off may help prevent prostate cancer. Their study indicated that men who blow their load more than five times a week are less likely to develop prostate cancer because frequent ejaculation prevents semen from building up in ducts. Hopefully doctors will start writing prescriptions for HUSTLER.

CAR-JACKING: Richard James Clader says he exposed himself on freeways in Pennsylvania because he felt neglected by his wife and mother. Police say that Clader allegedly drove down the freeway beeping his horn so that other drivers would watch him beating off. Clader pleaded guilty to several counts of indecent assault (on himself?), open lewdness and disorderly conduct. Perhaps he should have told the judge, "I was trying to prevent prostate cancer!"

SORE WINNER: New York resident Joseph Silver will receive $190,000 in a settlement from the Levittown School District because he contracted herpes in a high-school wrestling match back in 1996. Silver's lawyer argued that the school's coach failed to screen Silver's herpes-infected opponent. Two days after the match, the high-school jock noticed he had some odd new lesions. Imagine trying to explain that to your homophobic teenage buddies: "Yeah, I got herpes from another guy, but we didn't have sex, I swear!"

SPANDEX MAN STRIKES AGAIN!: Authorities in Minnesota are hoping to arrest a guy they call the Spandex Man. Michael Scott Long, dressed in spandex pants, allegedly approached two women in an apartment building elevator, told them he had lost a bet and asked if he could use a mirror in their place to check himself. The women let the spandex-clad stranger into their apartment, where he choked his chicken in front of them. Police say the Spandex Man has been convicted before for indecent exposure, but no word on prior convictions for fashion violations.

Bushtoons

It's difficult to parody something as bizarre as the Bush White House, but The George Bush Show pulls it off. This animated satire of Dubya's inner circle features the devious Paul Wolfowitz, a manipulative Karl Rove, an ominous Dick Cheney, a hapless George W. Bush and an "average" Fox News viewer who proudly proclaims, "President Bush is keeping America and my trailer park safe from future terrorist attacks." An Open Letter to HUSTLER Readers

Dear Reader,

A few months ago we asked you, our faithful HUSTLER readers, to join us in a prayer for the death of Fox News commentator Bill O'Reilly. Obviously, our prayer was not answered, and Bill O'Reilly is still very much alive. Most of you probably didn't even think about praying and went right for the centerfold, pulled your pants down to your ankles and opened a jar of Vaseline. Meanwhile, the people who hate sex and have plenty of time to pray, the Christian Right, get everything they want. When those nuts pray for an abortion clinic to be blown up, it happens! When Pat Robertson asks people to pray for three of the Supreme Court justices to be removed, those fanatics are down on their knees faster than a Catholic priest with an altar boy. But when we ask HUSTLER readers to say a simple prayer for the death of Bill O'Reilly, what happens? Bob Hope kicks the bucket! All we asked was for a little prayer; we are deeply disappointed by the lack of spirituality displayed by HUSTLER readers.

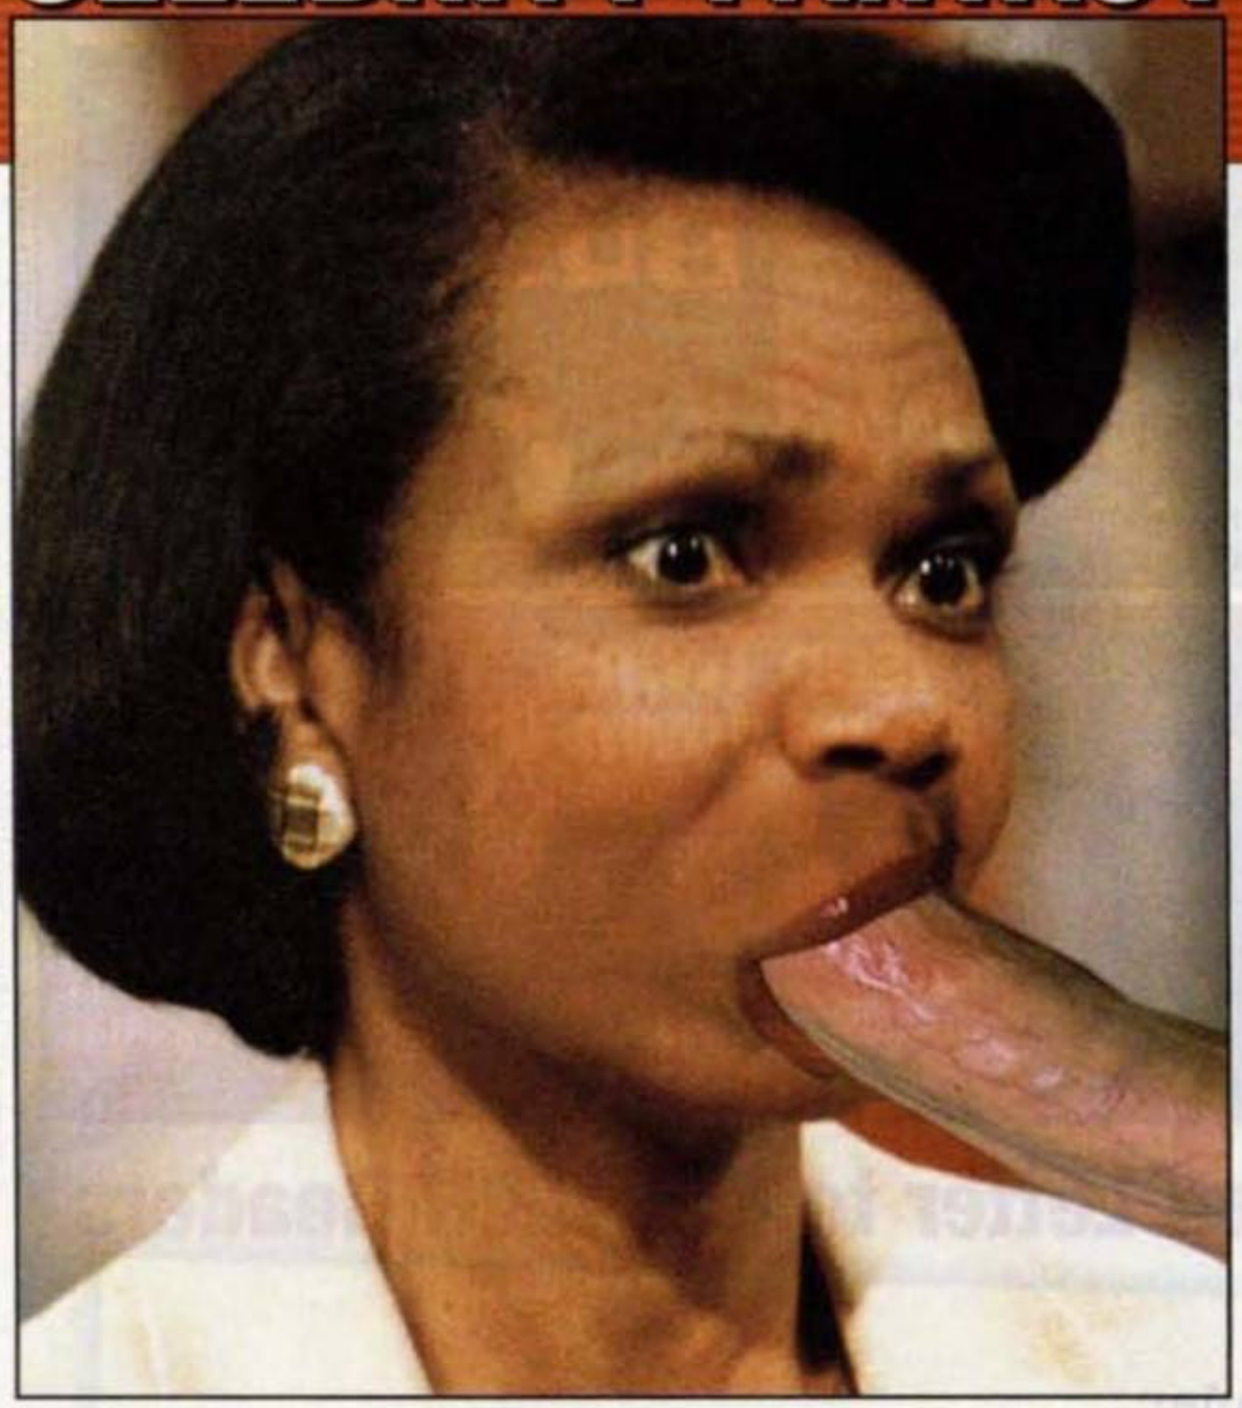
CELEBRITY FANTASY

What would Condoleezza Rice look like with a dick in her mouth?



Harry Belafonte once likened Colin Powell to a "house negro," but that description might be better applied to Condoleezza Rice. As Bush Jr.'s National Security Advisor, Rice parrots his rhetoric, supports his illegal invasions without question and covers his ass when the truth comes back to haunt him. When it was revealed that Bush lied about Iraq trying to buy uranium, Rice quickly shifted the blame off Dubya and onto the CIA. It has been reported that Condoleezza is the first person George W. Bush speaks to every morning after his wife Laura. We can imagine the conversation sounding a bit like this: "Cup the balls and work the shaft!"

Disclaimer: No such picture of Condoleezza Rice exists, and we don't believe Bush is that well-hung. This is a social commentary on the blind, unquestioning, Eva Braun-type loyalty that Condoleezza Rice has for Bush, at the expense of this country and human rights overseas.

This Month: *Into the Buzzsaw* edited by Kristina Borjesson

What It Is: A collection of essays by more than a dozen print and TV journalists on the "buzzsaw" efforts of government agencies and megacorporations to kill controversial stories and careers. They reveal how the mainstream media has abandoned its responsibility as the public "watchdog" to become the corporate "lapdog."

Why We Care: Top journalists such as Greg Palast (the *Guardian* and the BBC), Kristina Borjesson (CBS News and CNN), April Oliver (CNN), Gary Webb (Pulitzer Prize-winning reporter), Helen Malmgren (CBS News) and others expose the behind-the-scenes censorship of major news events such as the 2000 Presidential election, the crash of TWA Flight 800, the "War on Drugs" and much more.

Buzz: *Into the Buzzsaw* has a foreword by Gore Vidal and has received shining reviews from the *Denver Post*, *Publishers Weekly*, *American Journalism Review* and others.

How to Get It: *Into the Buzzsaw* is available at local bookstores and at **www.IntoTheBuzzsaw.com**.

Bottom Line: You'll never watch, or read, the news the same way again.

GEORGIA ADAIR

NAUGHTY & NICE

Hailing from the frozen tundra of Wisconsin, 25-year-old hottie Georgia Adair started working as an exotic dancer and doing mainstream modeling for local catalogs. Her porn career finally started to take off when the leggy Leo started her own Web site, GeorgiaAdair.com. But even with all the attention, she's still down-to-earth and says she goes for "nice guys with a sense of humor."

PHOTOGRAPHY BY MICHAEL BISCO

The bootylicious blonde advises, "Guys should just be normal. When you try too hard to come up with a line and impress somebody, it's a turn-off, because girls can see that. Just give me a basic introduction and start talking."

What does the Midwest mammary queen want for Christmas? "A week's vacation being totally pampered—massages, things like that," Georgia grins. Has she been naughty or nice this year? "I guess in porn, being naughty *is* nice," she laughs.

Give Her a Cum-Drenching the ultimate fuck She'll Never Forget

By Nancy Ann

Learning "The Ropes"...

I'd like to share a letter from a reader, about a secret that makes sex absolutely explosive (literally!).

Amy writes:

Nancy, my boyfriend has always been able to satisfy me sexually. With an ample cock-size, average endurance, and creative oral technique, he almost never fails to get me off. But what I experienced the night he returned home from a business trip in Europe was the surprise of my life—a fucking I will never forget, and an orgasm that no man before him has ever come close to equaling.

Since I love to suck cock, the second my boyfriend dropped his luggage I stripped off his clothes and proceeded to please him with my best welcome-home blowjob.

Before long my wet mouth had him pumping gob after hot gob down my throat and on my face. With a fistful of throbbing cock, I held on for dear life as he unloaded his sweet jism; these were "power throbs" that kept launching massive amounts of come. I've never seen anything like it—a man having a multiple! I was so totally turned on being nearly drowned with his super-human load. And it didn't stop there! He stayed erect, throwing me down on the floor and pounding my twat until we both had simultaneous, earth-shattering orgasms, practically causing both of us to pass out. The rest of the evening and throughout the week we fucked ourselves into a frenzy; his recovery time between these supercharged orgasms was that of a teenage boy.

Since that mind-blowing night, all I can think of is sucking and fucking my new "power lover" all hours of the day and night. Finally, curiosity got the best of me, so I asked what had turned him into such a fuck machine. His answer: He had learned "The Ropes."

Turns out my boyfriend had spent an evening in Europe with a Swedish nutritionist and his wife of 20 years. The couple was openly sexual and couldn't keep their hands off each other, so my boyfriend asked them

their secret. The nutritionist explained he regularly took a natural supplement, and gave my boyfriend about a month's supply, telling him it would teach him "the ropes" of great sex.

The supply is about to run out, and we want to know where we can buy this incredible enhancement. Do you know if this product is available in the States?

Amy B.
Dallas, Texas

Amy, you and the rest of my readers are in luck, because it just so happens I do know about "the ropes," and the supplement your boyfriend's Swedish nutritionist friend likely shared.

The physical contractions and fluid release during male orgasm can be multiplied and intensified by using a product called Serogen. It's a natural, pure extract specially formulated to trigger better, more powerful orgasmic experiences in men. The best part, from a woman's perspective, is that the motion and experience a man can achieve with Serogen can help stimulate a strong female orgasm.

The term the Swedish nutritionist used is actually fairly common slang for the effect your boyfriend experienced. The enhanced contractions and heightened orgasmic release are often referred to as "ropes" because of the rope-like effect of release during climax.

As far as finding this enhancement in the States, I know of just one importer—Somalab. If you are interested, you can contact the company toll-free at 1-866-SOM-A-LAB or visit the Web site www.somalab.net. Serogen is an all-natural, herbal-derived tablet. Most people I've spoken with have said that just taking three a day has led to the roping effect Amy describes in her letter.

DEMOCRACY VS. THE FCC

An Interview with Janine Jackson

Fewer and fewer megacorporations control more and more of the information you receive. Is our democracy doomed because of it?

Interview by Bruce David and Dan Kapelovitz

With the Federal Communications Commission's (FCC) latest ruling, which greatly reduces restrictions on media ownership, huge corporations have conspired with the U.S. government to obtain even more power than they already had, greatly reducing the scope of news that the average American receives.

Along with a tightened stranglehold on the public's right to know, the increased consolidation paves the way for huge conflicts of interest in cases where the news outlets cover their parent companies or any story that might affect their corporate agendas.

Often what passes for legitimate news is merely a promotional tie-in for the parent company's products or that of their advertisers. More frightening, Americans are not given all of the facts on stories as serious as war because the media is afraid to stand up to the government that feeds them their profits.

HUSTLER contacted Janine Jackson, the program director of Fairness and Accuracy in Reporting (FAIR), a national media watchdog group that has been combating media bias and censorship since 1986, in order to gain insight into

the current mess.

In addition to being a frequent contributor to FAIR's magazine, *Extra!*, Jackson cohosts and produces the organization's syndicated radio show, *CounterSpin*—a weekly program of media analysis that airs on more than 130 stations nationwide.

The prolific media expert has testified before the Senate Communications Subcommittee on budget reauthorization for the Corporation for Public Broadcasting and has appeared on ABC's *Nightline*, NBC's *Geraldo* and CNBC's *Inside Business*.

* * *

HUSTLER: For the last few years, what has been the state of the media?

JACKSON: Even before these recent changes, we've seen ownership of media get more and more concentrated. For us at FAIR, that's always a red flag because diversity of opinions is a value in a democracy. We think there's a direct connection between the number of owners of media outlets and the diversity of the offerings. We have been concerned for a long time about things like increased commercialization of media, the influence of corporate owners and advertisers on the content of news media in particular. These have been concerns that we've had for years, that are, if anything, just exacerbated at the present.

HUSTLER: Can you explain when, how and why the concentration of media outlets in fewer hands began to impact diversity?

JACKSON: You can set a marker at 1996 with the Telecommunications Act, which basically deregulated radio. That gave us a good example of the kind of landslide of concentration that legal changes can make. Since 1996, radio, which used to be a fairly diverse arena, has concentrated to the point where you now have two companies that control 40% of revenues and listeners. FAIR is concerned not just with consolidation but really with corporate ownership, period. It simply stands to reason that if a company owns a magazine, for example, and they also own a whole lot of other things—movie companies, television stations and so forth—that they are going to perhaps use what ought to be a news outlet to call attention to other corporate holdings they have that they want to promote, and also to turn the public's attention away from issues that perhaps influence their corporate bottom line in [negative] ways.

HUSTLER: Can you give us a specific example?

JACKSON: There are a lot of examples. You have *Time* magazine doing heavy promotion for *The Lord of the Rings*, which is a Time/Warner movie. [There is also] a real conflict of interest that comes from corporate sponsorship, like *Time* magazine doing a series on the environment that's sponsored by Ford Motor Company. We have always been concerned, since we were founded in 1986, that as owners and as advertisers, corporations simply have too much influence over the news.

HUSTLER: Is there a corporate agenda?

JACKSON: There may not be a single corporate agenda, but it certainly is the case that corporations have agendas and that they influence the news that they report. A corporation like General Electric [owner of NBC] will have an agenda that has to do with lightbulbs, nuclear energy, Patriot missiles or other things that they might be involved in.

HUSTLER: Do you agree that corporate agendas might be pro-Republican because Republicans in general favor big business?

JACKSON: I absolutely would agree. I think it's not too much to say that major corporations in this country tend to be conservative. People that have stuff want to hold on to it. We can see a track record of major media corporations tending to what I would call a center and a center-right direction, which again has something to do with who owns them and something to do with the advertisers that write the checks.

HUSTLER: And reporters recognize where their bread is buttered.

JACKSON: That's precisely right. When FAIR talks about bias in media, we aren't really talking about getting inside the heads of individual reporters. Reporters operate in an institutional climate, and those that buck the prevailing trends find themselves out the door.

HUSTLER: Can you give us an example of a reporter being fired for being critical of the corporate takeover of his or her news outlet?

JACKSON: We publish a report every year called *Fear and Favor*, which gives examples of reporters being demoted and, in some extreme cases, fired—not just for being critical of corporate ownership per se, but for stepping on the wrong toes, for writing articles that are too critical of local officials that the owner doesn't want to upset and things like that. Basically for running afoul of the bottom-line agenda of the owning corporation.

HUSTLER: Like an NBC reporter covering GE's pollution of the Hudson River?

JACKSON: Precisely. It wasn't someone fired, but *The Today Show* on NBC was doing a story on boycotts when the boycott of GE was the largest boycott in the country. They taped a segment about it, and they managed to cut out the part where their guest talked about the boycott of General Electric. We see that kind of censorship of content more often than we see actual firing of reporters.

HUSTLER: What are some other examples of corporate agendas influencing the news?

JACKSON: We've just lived through a very vivid example where corporate media in this country very early on decided that they were, for the most part, going to uncritically back the Bush Administration's invasion of Iraq. We saw next to no substantive debate about this serious matter of going to war because the corporations that control the media, for their own reasons, decided that this was something they were going to support. Here was a case in which the public was at least somewhat divided on the issues, and yet because big media were of a single mind, we really didn't get the kind of debate that we needed to see.

HUSTLER: The FCC's latest ruling, allowing even more media deregulation, received no coverage, despite the huge implications it holds for all citizens.

JACKSON: Not only will these changes have so much impact on the people, and yet they were not covered particularly by broadcast television, but broadcast-television outlets were very involved in the process. They were filing comments with the FCC, trying to get them to make these changes. So they obviously thought they were important to weigh in on, but somehow they didn't think they were important enough to inform the public about.

HUSTLER: Will this have a serious impact on our democracy?

JACKSON: Absolutely. Most towns in this country are already one-newspaper towns. We now have a situation where that one newspaper can buy the top television station. You can imagine the control over the flow of information that that single company will have. Democracy requires a diversity of opinions. It's not just a good idea; it's crucial for democracy. If you give control over information to just a tiny handful of dominant corporations, you're doing a serious disservice to democracy.

HUSTLER: What exactly has the FCC done, and what does it mean for our future media?

JACKSON: Basically, the FCC has said that now a single television company can effectively reach 90% of U.S. households. That's a critical amount of control to give to a single company. We're talking about concentration of local television getting even tighter. That may mean that people may not have local television news anymore. Your local TV station may be

GE BRINGS GOOD THINGS TO BUSH

In a September 2001 eight-page letter to NBC Chairman Bob Wright, Representative Henry Waxman (D-California) charged that Jack Welch, then-chairman of General Electric Co. (which owns NBC), intervened during the 2000 election, pushing for his network to prematurely declare George W. Bush the next President.

According to eyewitnesses, Welch, a major GOP contributor, "joked" to NBC's elections chief Sheldon Gawiser, "How much would I have to pay you to call the race for Bush?"

Waxman's letter also contended that immediately after the Fox News Channel became the first network to declare Bush the winner, "[Welch] was observed standing behind Dr. Gawiser with a hand on his shoulder, asking why NBC was not also calling the election for Bush." (Incidentally, the Fox call was made by Fox News's senior decision desk official, John Ellis, who just happens to be W.'s first cousin.)

In a hearing on the subject, NBC News President Andrew Lack told Waxman that he was "certainly welcome" to review internal videotapes of Welch's actions on election night. Days later, however, Lack withdrew the offer.

bought up by a national owner, and they may decide that it's not important to provide local television news for you. We also have the situation where now newspapers can buy broadcast outlets; so the same company that controls your newspaper now may own a television station or three in your community. Again, you're not getting what the Supreme Court has called "diverse and antagonistic views." You have a single company basically controlling the range of opinions that most people will get to hear.

HUSTLER: What's the worst-case scenario resulting from this FCC deregulation?

JACKSON: You might see, in one community, one large conglomerate control eight radio stations, two TV stations and the leading newspaper. This is a country that seems to believe that big fish deserve to get ever bigger. Media corporations in particular have quite a bit of sway over Congress. Media companies are some of the largest lobbyists to Congress—lots of junkets, lots of flights to Paris going on there. There's a very cozy relationship between legislators and big-media companies. Big-media companies rely on lawmakers to give them the deregulation that allows them to make money hand over fist. Politicians, in turn, rely on media companies because they basically control their public image and their ability to get their views out to the public and to get reelected. It's an extremely close relationship. The only people who are shut out are, unfortunately, the public.

HUSTLER: Are politicians terrified that the powerful media can ignore the ones they don't like?

JACKSON: We have tremendous evidence that many politicians are very slow to say anything or do anything critical about these big media companies, but we are starting to hear some noises from Congress, and, for varying reasons, they might actually begin to put some checks on these media companies' power.

HUSTLER: Are you hopeful that this latest FCC decision will be overturned?

JACKSON: Congress, unlike the FCC, is at least somewhat answerable to the public. So if there is going to be a substantive rollback of this deregulation, it's going to come from public discontent and public outcry, and having that trickle up to Congress. But people don't find out about these things because media aren't talking about them. It's quite a nasty little scenario where changes are being made that will affect people's lives, and people aren't hearing about them because they're relying on the very outlets that are benefiting from the changes to tell them.

HUSTLER: Will our democracy survive this?

JACKSON: I'm going to say yes because I don't know what else to say. If I were to think no, I wouldn't be able to get out of bed. I *will* say that these are dark days for democracy. We really have to make a decision in this country that information is not widgets. We have to begin treating media as a public interest and not as simply something else to be handed off to these major corporations. Corporate control of media is a direct threat to democracy.

HUSTLER: Why is FCC Chairman Michael Powell so in favor of media deregulation?

JACKSON: Well, I'm not a psychiatrist, but to say Michael Powell is a proponent of deregulation doesn't say it strongly enough. This is a man who has said things like, "Regulation is the oppressor." He claims, in fact, that he doesn't even know what the public interest in broadcasting is. An admission like that ought to be something you put in a resignation letter, frankly, when you're the chair of the agency that is meant to be guarding the public interest. He simply seems to be ide-

"Iran, Iraq, Iran, Iraq; it's easy to confuse the two. It's really Iran that has weapons of mass destruction and should be attacked by coalition forces immediately!"

ologically wedded to the idea that the best thing we can do is allow huge media corporations to do whatever they want.

HUSTLER: Powell argues that the public has a choice because there are so many TV channels, media outlets and the Internet, but he overlooks the fact that most of the media is owned by the same small group of corporations.

JACKSON: Diversity of format and even an increase in the number of outlets is not the same thing as diversity of ownership. Diversity of ownership is necessary to get a real diversity of viewpoints. We don't say, for example, it's okay that we only have one single car company in this country because the cars come in so many different colors. Eighty percent of Americans get their news from newspapers and television; so the existence of the Internet is simply no excuse for not maintaining diversity in those other arenas.

HUSTLER: How much of the 2000 Presidential election was the media's responsibility?

JACKSON: Perhaps it's because I'm a media critic, but I tend to hold the media responsible for a great deal—particularly because we simply can't have a conversation nationally without news media. So when it comes to something like elections, I think corporate news media do an especially terrible job. They're already winnowing the field and talking about who has a chance [in the 2004 election] long before the public has had even an opportunity to learn who's running. They spend far too much time on personality. Part of the reason so much of the public knew so little about George W. Bush was because of the media and their concentration on the superficial instead of the substantive record of all of the candidates. In general, corporate media serves democracy poorly, especially when it comes to elections.

HUSTLER: If the media would give candidates free airtime, that would greatly reduce corporate control over our political system.

JACKSON: The attempts to actually get free airtime for candidates always meet a deaf ear because this is where media companies make a lot of their money. So we have some situations, like for example in Los Angeles and in other places as well, where communities are actually seeing more paid political advertising in election season than they are seeing news stories about the election.

HUSTLER: Have the media companies lobbied against giving free airtime?

JACKSON: Yes, the media companies have been resistant to the idea of free airtime since that has come up. They simply see it as giving away the store—which, of course, confuses those of us who know that the airways actually belong to the public and are simply leased to media corporations. They are not their property.

HUSTLER: That seems to have been forgotten.

JACKSON: Completely forgotten, such that when you bring it up, you sound as though you're perhaps a Martian. But it is the case, and as long as it's the case, I'm going to keep saying it.

HUSTLER: What can citizens do to counteract this?

JACKSON: One thing we can do is call on media outlets themselves to cover these issues. Call the newspaper, call the television station and demand that they cover these issues. We can also do the more traditional thing of writing to our representatives and letting them know how we feel. Remaining critical of the media that you do consume is always going to be crucial. It boils down to, don't believe everything you read.

CLEAR CHANNEL'S MIXED SIGNALS: CAN RADIO DEREGULATION KILL?

The Telecommunications Act of 1996, which loosened restrictions on radio station ownership, allowed Clear Channel Communications to purchase all six of the commercial radio stations in the small town of Minot, North Dakota.

In January 2002, a train derailed and released a vast white cloud of suffocating anhydrous ammonia fertilizer over the town, killing one person.

Police attempted to contact the local station that was designated to relay emergency information to the public but could not reach anyone. Eventually, radio employees were located at their homes.

Police blamed the mammoth communications corporation's near complete lack of local presence for the delay, citing that the company pipes in its broadcasts via satellite.

Clear Channel claimed that someone is always on duty at the station, and blamed the inability to communicate on busy phone lines and other technical problems.

Although local officials acknowledged that Clear Channel may be telling the truth, they are still unhappy with the situation. Ever since Clear Channel has taken over the town's local commercial stations, there has been almost no local news.

Kissing Cousins

Lately I've been having fantasies about my younger cousin. I'm 25; she just turned 18 and is still in high school. Is there any way to convey my affection toward her without sounding like a pervert or having her get freaked out and tell my aunt? We both get kind of nervous around each other, so I think she might be feeling the same way about me. What should I do?

—J.P.
Philadelphia, Pennsylvania

There are moral and legal issues regarding your question. First and second cousins will most likely produce genetically odd children. (Of course, in certain parts of the country, this might be viewed as commonplace.) If you are removed enough, you should treat the budding intrafamilial romance like any other potential relationship. It's important that you have a conversation with your aunt and explain to her that you have feelings for her daughter. Honesty is always the best policy in situations like this one. You'll need your aunt's blessing; otherwise, your life could turn into a living hell. If it's a direct relation with your cousin, I would recommend not taking a dip in your own gene pool.

Double the Pleasure?

I recently rented a double-anal penetration video and noticed that after 20 steady minutes of ass-fucking, the girl's butthole was stretched beyond belief. If this is performed frequently, is it possible that the actress will develop problems with incontinence?

—P.J.
via Internet

Absolutely. I've seen this happen many times with women who go above and beyond garden variety, at-home anal sex. I worry about these women later in life. On the other hand, the nursing homes of the future have a lot to look forward to. If you're an investor, I'd suggest buying stock in Depends undergarments.

The Ties That Bind

I'm in the midst of a serious dry spell. I haven't been laid in about five months; so I've been masturbating like crazy. Unfortunately, even this has become quite boring. I've heard a bit about auto-erotic asphyxiation. The orgasm is supposed to be extraordinarily intense. What are the risks involved? Should I use rope or a pair of nylons to wrap around my neck? I'm not quite sure what to do. Please help.

—T.G.
via Internet

The main risk involved with auto-erotic asphyxiation is that you could die. You don't want to take your final bow from this world while hanging from the ceiling with your dick in your hand and a nylon stocking wrapped around your neck. The best way to do it is not at all. People perform this act to the point of almost passing out, but it's rather difficult to catch yourself before you actually lose consciousness. I wouldn't recommend such an activity. The dangers far outweigh the fleeting moment of pleasure.

Perplexed Pimp

I'm thinking about getting into pimping for some extra cash. I was wondering how I would go about finding ho's to pimp out. Should I spend more time at the local bus and train stations? What about putting an ad in the paper? How much of a cut should the ladies get? Is there a technique to making them listen to me?

—J.R.
Fort Worth, Texas

I have serious issues with "managers." I don't believe that this profession should exist, and you have no business having anything to do with these women. Are you offering them health care and a roof over their heads, making sure their bills are paid on time? I highly doubt it. What type of protection are you actually offering them—that they're not beaten by other pimps or prostitutes on the street? I hope that someday you're forced to prostitute your own ass, and some bigger pimp comes along and takes all of your money.

ROPE BURN

Simone had always wanted to run away and join the circus as a trapeze artist, but the former gymnast knew she had a lot to learn. Fortunately Nick and Eksavir were experienced in swinging and agreed to show her the ropes. They started with the basics of climbing, removing their clothes to make their movements more fluid. Wet with excitement, the limber student quickly picked up some of the more complicated maneuvers: the Penetrating Pretzel, the Flying Lotus and the Spread Eagle. Maybe during her next lesson she'll actually get off the ground.

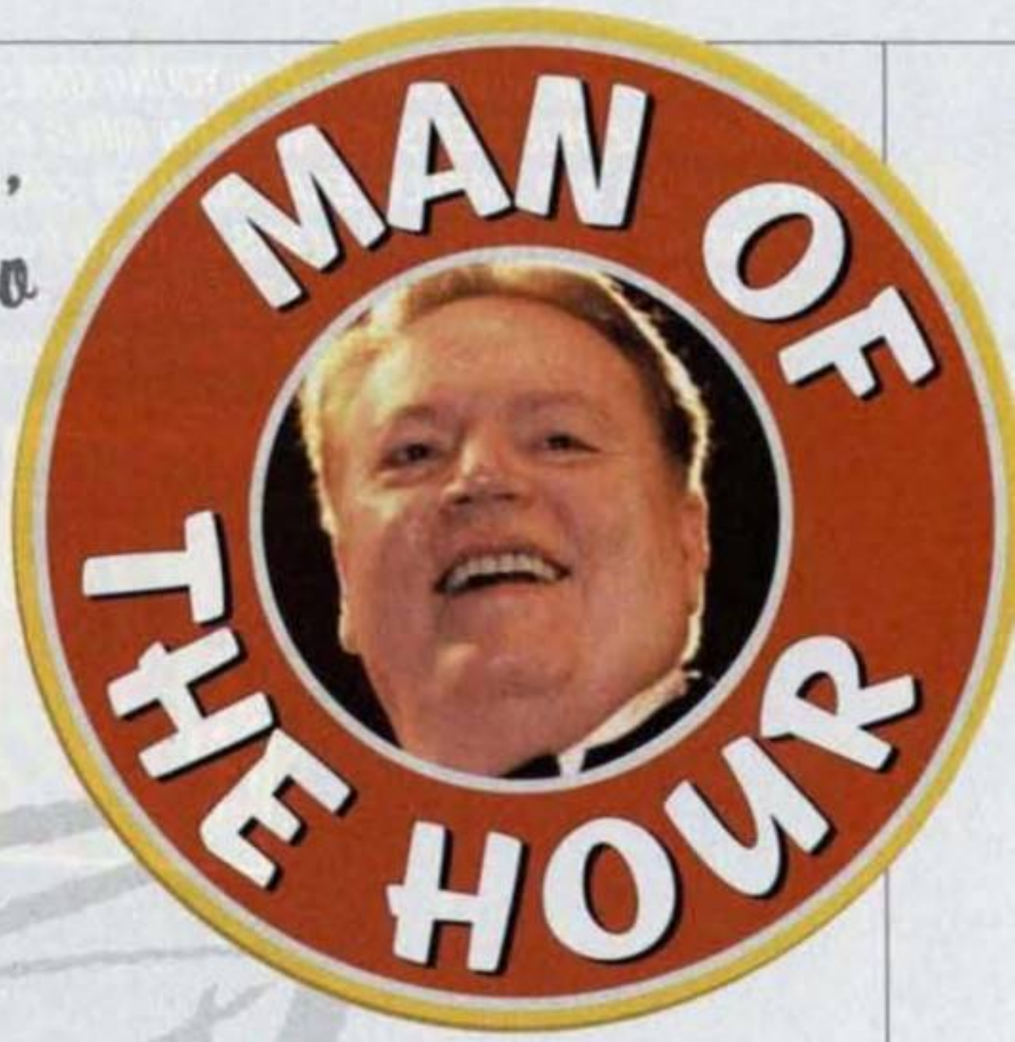
Famous for its X-rated celebrity roasts, the Friars Club was the perfect venue to kid the king of porn, Larry Flynt.

Flynt Flambé



Celebs Burn Larry at the Friars Club

Report by **Michael Allen** / Photography by **Ladi von Jansky**

It's not often that hairy porn star Ron Jeremy and media whore/feminist attorney Gloria Allred are in the same room, but then the guests in the audience at the Beverly Hills Friars Club on July 13 were an eclectic bunch. That such an array of personalities would show up to rib HUSTLER Publisher Larry Flynt stands as a testament to the infamous pornographer's popularity, or at least his notoriety.

The dais was filled with hot stars, has-beens, never-weres and up-and-comers, including Anna Nicole Smith, Woody Harrelson, Edward Norton, Los Angeles Clippers owner Donald Sterling, actor Joe Viterelli, newswoman and author Kelly Lange, L.A. Councilman and former LAPD Chief of Police Bernard Parks, Improv comedy club owner Budd Friedman, and comics Eddie Griffin, Pauly Shore, Gabe Kaplan, Sammy Shore, Jeffrey Ross and Vinnie Favorito.

CNN's Larry King was scheduled to be the Roast Master but had to bow out due to scheduling conflicts, leaving the emcee duties to reliable old-timer Norm Crosby, who warned the crowd, "This is not an evening you can write to your mother about, unless your mother is a hooker!"

The laughs started quickly as comedian Jeffrey Ross fired out one-liners like a machine gun: "What a turnout you have, Mr. Flynt. I bet the Friars could have filled another 500 seats and had the show at a bigger venue...like Anna Nicole Smith's pussy. Who else but Larry Flynt could make a living just by photographing cunts, except, of course, for the cameramen on *The View*?" Ross then went after the other stars on the dais, cracking, "Ed Norton, you're my hero. You're the only man in history to fuck Courtney Love and not kill yourself. Woody Harrelson is here...look how stoned he is. Woody, you're the opposite of Larry Flynt; you're dead from the neck up."

Gabe "Mr. Kotter" Kaplan proved he still has his comedy chops: "Larry's the only man in America who actually goes up on women. He once said to me, 'Gabe, some people call the act cunnilingus; I call it meals on wheels.'" Gabe also took shots at Sammy and Pauly Shore: "What can you say about their stand-up careers? The old adage would apply: Like failure, like son."

Pauly, for his part, managed to squeak out a few mildly amusing jokes, such as, "Larry has a penis pump. The other night, Larry had a blowout, and they had to tow his cock to the garage. While he was there, they rotated his balls."

Sammy Shore, Pauly's dad, grabbed the mic and proved that he's capable of giving as good as he gets: "Gabe Kaplan, thank you for the plug. At least Pauly and I, we're fucking working! What do you do—play fucking games of poker? Piece of shit!" Sammy then went on to deliver a questionable "rap" number.

After the dubious hip-hop offerings of the elder Shore, comedian Eddie

Griffin manned the microphone: "I want to thank Larry, because he did a lot to make sure I ain't got 15 babies. When I was young and wanted to stick that little shortie in, I said, 'No. Go get the HUSTLER.' My oldest son, Eddie Jr., is 18 years old. I gave him your magazine because I ain't ready to be a granddaddy."

Next up, donning orange wigs, were Woody Harrelson and Edward Norton. Each claimed to be Larry Flynt (in his younger days) and quizzed the other with questions that only the "real" Larry would know the answer to.

Norton: How much did I have to spend to buy that unanimous decision from the Supreme Court?

Harrelson: Five million.

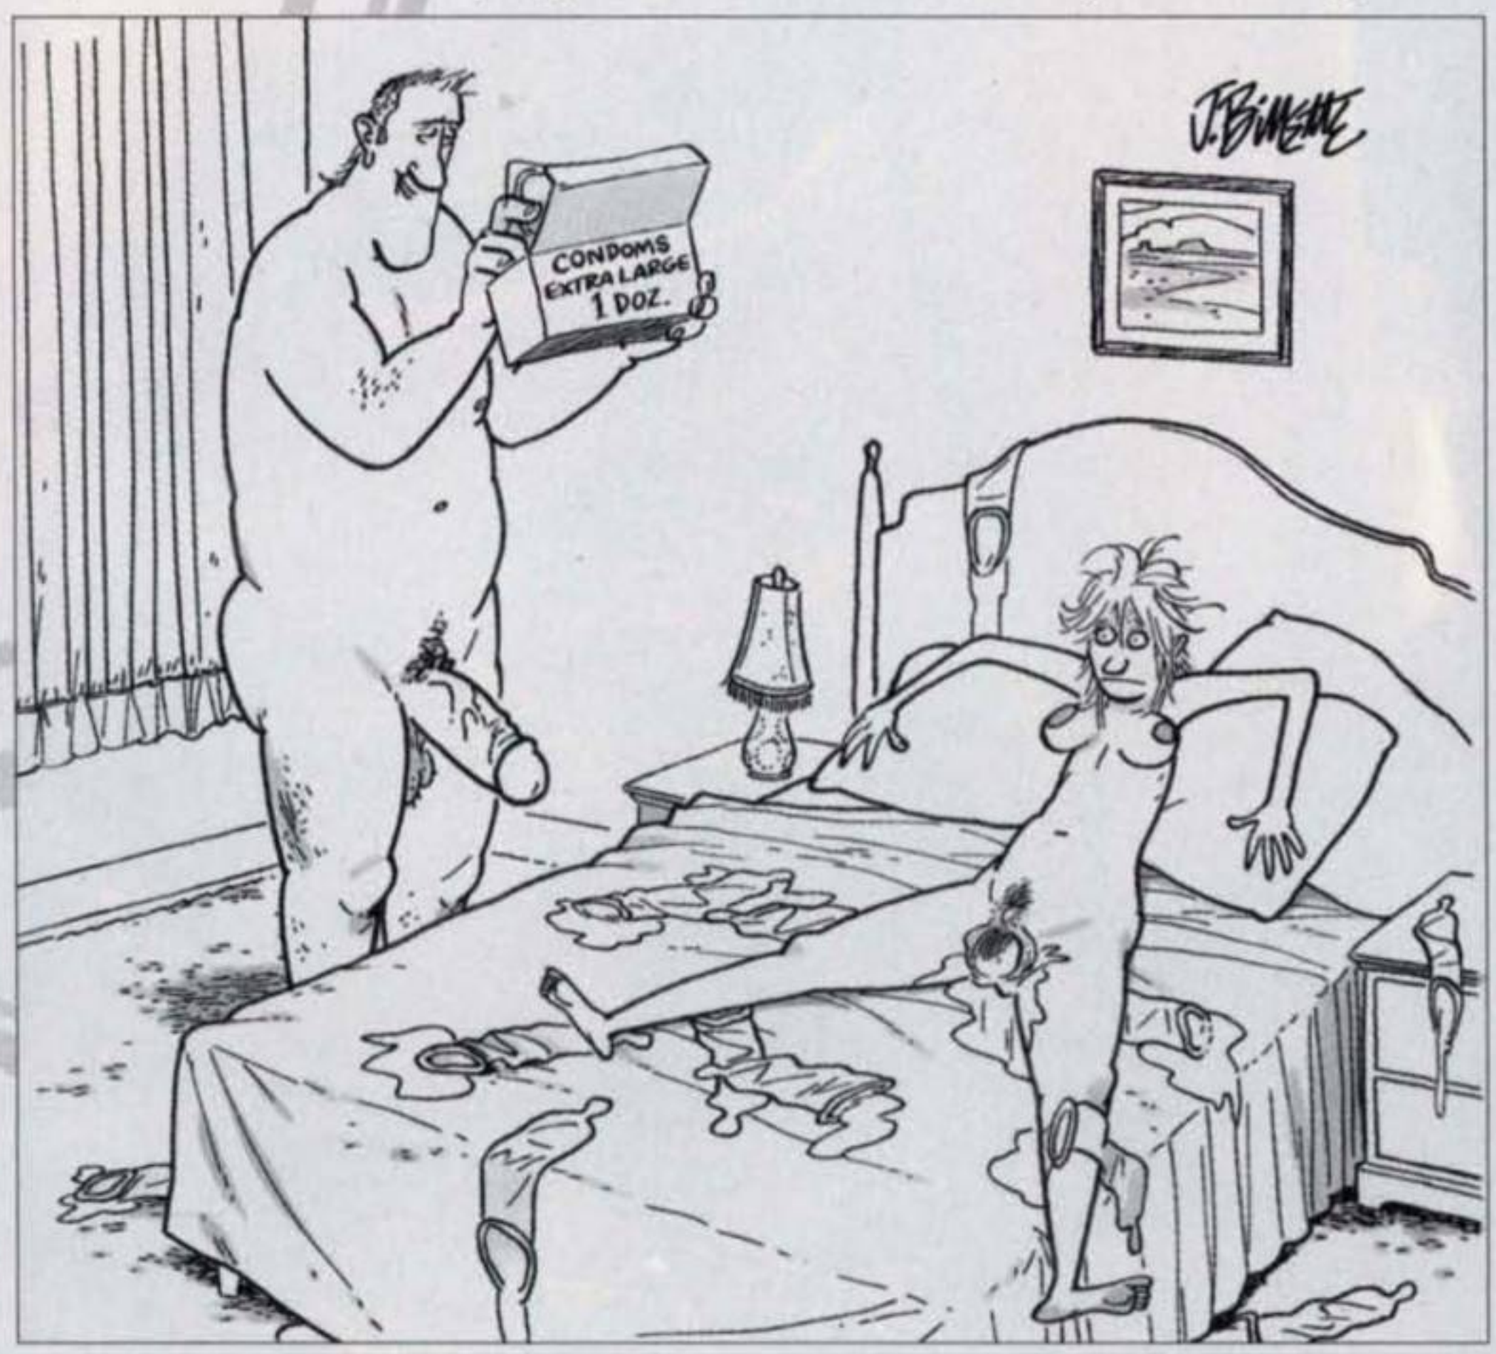
Norton: Way low.

Harrelson: Five million per judge. Fucking Rehnquist took 8 million, but thank God Scalia went for 2 million and a pair of Italian choirboys.

The last roaster to take the mic was comic Vinnie Favorito, who showed no mercy. "Ed Norton, big superstar. Tried to get a picture with him—he's kind of a dick, but boy, no problem with the hookers in the hallway...Anna Nicole, I'm not including you."

After good-naturedly enduring insult after insult, Larry Flynt finally addressed the audience with some quips of his own: "I want to thank the Friars Club for the roast tonight. I consider it an honor, especially when you think of those who have gone before me. I have never been in the presence of so many washed-up comedians in my life. Gabe Kaplan hasn't worked since *Welcome Back Kotter*. His only claim to fame is that he's got a personally autographed photo of John Travolta. Woody Harrelson, there are so many things I could say about this guy. He epitomizes what white trash is all about. Edward Norton is the only guy I know of who has slept with more women than Warren Beatty, and he's only half of Warren Beatty's age. I could start naming names, but the list is too long."

All kidding aside, Larry closed the evening with a serious warning about censorship: "Freedom is not lost in one fell swoop; it's always a book at a time, a magazine at a time or a movie at a time. I think we have to stand up to be counted on issues that we feel are dear and important to us, especially our personal freedom. And we must never, ever refuse or refrain from reminding John Ashcroft and George Bush that this is our country, not theirs."



"Oh, good. There's one left—we can keep going!"

Pirate Radio ATTACK!

Broadcasting Rebels Battle the Megacorps for America's Airwaves

The FCC has voted to obliterate most of the rules that keep U.S. media companies in check, but microbroadcasters—call them pirates or patriots—are defending your right to run your mouth to the masses.

Report by Sean Carney **Photography by Ladi von Jansky**

"Listen to this," says Jim (not his real name) as he adjusts the radio tuner at the far end of his spacious apartment. A whoosh of static blasts from the speakers.

Jim produces two small electronic boxes, each about the size of a dictionary, and sets them on the table. He then connects a portable CD player. In his hands is a bootleg copy of the new Radiohead disc, which at the time of our meeting was still months from hitting the stores.

"I'll bet you haven't heard the new Radiohead...on the radio!" Jim presses a button, and suddenly the static emanating from the stereo speakers is replaced by the mellifluous sounds of Radiohead. Shocked, I stand up and scan the area for a hidden cable of some sort. There is none. Jim is grinning broadly.

"It's magic!" I exclaim.

"No," laughs Jim. "It's FM!"

Jim is an unlicensed microbroadcaster, a radio "pirate." This FM broadcast he has engineered for me is merely a demonstration; it uses just 1/2 watt of power and reaches only as far as the other units in his building. Normally, Jim broadcasts with an amplifier 80 times stronger, which, when linked to a ten-foot, homemade antenna secured in the hills above a major American metropolis, rains radio waves upon millions of people, delivering cutting-edge music, anti-corporate information and other programming that he and his friends transmit around the clock.

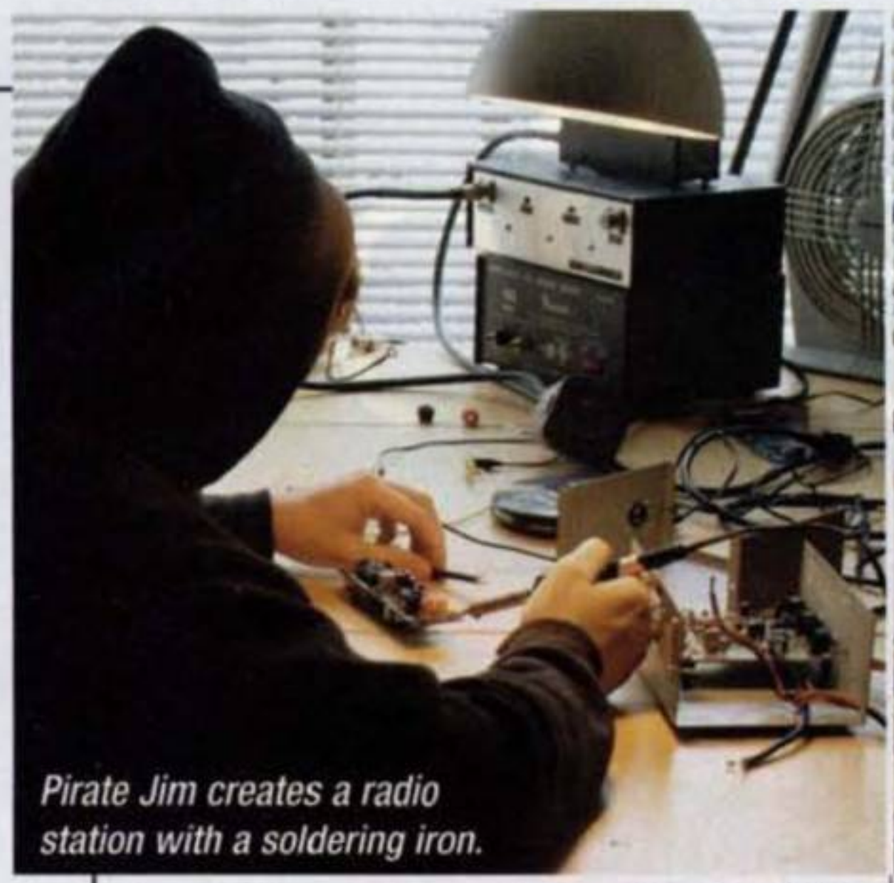
Other radio stations in this big-city market pay tens of millions of dollars for a license to operate, and thousands more for transmission equipment to pump out massive 50,000- and 100,000-watt signals. But Jim's microradio station reaches many of the same listeners as the broadcasting behemoths, albeit with a slightly fuzzier signal. His total cost? Less than $600.

"Jim" marches into battle, antenna in hand.

It's no wonder that Jim disguises his name: In the realm of broadcast media, where the feds nuzzle up to industry titans on a mattress overstuffed with cold cash, this kind of revolutionary behavior is not harmless pranking, it is a dangerous threat to corporate/government hegemony.

Pirates such as Jim go all the way back to the beginning of the radio age, when the Communications Act of 1934 established the Federal Communications Commission (FCC) to oversee broadcast media in the United States. Back then, clandestine transmissions were rarely political except in Europe, where illicit broadcasts often originated from boats anchored offshore in international waters, thus sealing the "pirate" reputation of unlicensed operators.

There was new impetus for unauthorized broadcasts in America when the FCC cancelled the popular Class D license—designated for low-power broadcasts under 100 watts—in 1979 under pressure from the National Association of Broadcasters (NAB), an industry trade group, and the so-called liberal National Public Radio (NPR). These powerful entities, in a domination bid for the entire FM spectrum, claimed that low-power transmitters were interfering with corporate broadcasts and homemade programming was "unprofessional." Thus, all microbroadcasts (those of less



Pirate Jim creates a radio station with a soldering iron.

than 100 watts) were barred by the FCC, effectively blocking communities from establishing small, independent radio stations.

In its high-profile prosecution of pioneering unlicensed community radio stations like Free Radio Berkeley and Black Liberation Radio in Decatur, Illinois, the Commission threatened to punish broadcasters with a $10,000 fine and/or one year in jail for each violation of the FCC code, no matter how minor. Of course, the FCC can recommend even higher fees to frighten away unlicensed copycat broadcasters. In most cases, the seizure of a clandestine operator's equipment is all but assured.

"There's such a crying need for decent radio, considering most stations are just commercially marinated garbage cans," says Robert McChesney, a research professor at the Institute of Communications Research at the University of Illinois. "[Microradio is] a rebellion against the sheer, total corruption of our existing radio system, where a handful of companies have managed to use their influence with politicians and regulators—without any public recognition, without any press coverage, completely behind closed doors—to more or less corner the market on these monopoly licenses for radio stations."

The situation for noncorporate broadcasters went from bad to abysmal in the 1990s as the entire media landscape was catastrophically reconfigured by the Telecommunications Act of 1996. McChesney examines the devastating changes in his book, *Rich Media, Poor Democracy* (University of Illinois Press), in which he describes how, by easing the restrictions on the number of media outlets one corporation could own, the FCC let media ownership become consolidated in the hands of a small number of powerful companies: AOL/Time Warner, Viacom/CBS, Fox/News Corp., General Electric/NBC, ABC/Disney and Clear Channel Communications.

On June 2, 2003, the FCC altered the rules again. Sweeping changes, fast-tracked by FCC commissioner Michael Powell (the son of U.S. Secretary of State and former AOL board member Colin Powell), remove many of the remaining ownership restrictions and throw the communications industry almost entirely into the hands of the megacorporations. Powell claims this will encourage diversity and competition. The facts, however, don't bear him out. As McChesney illustrates in his book, the media conglomerate Clear Channel was considered to be huge in 1996 when it had just 40 radio stations. Today, Clear Channel owns more than 1,200 stations, an increase of 3,000% in just seven years.

There is still a chance that Congress will reverse the policies enacted by Powell. Recently, the House of Representatives voted overwhelmingly (400-21) to return to the older, more stringent broadcast ownership restrictions. However, President Bush has vowed to veto any reversal.

Though McChesney concedes that microbroadcasting is not a long-term solution in lieu of organized political action, he says, "Microradio is a constant reminder of what radio could be or should be if we had enlightened policies that represented the interests of the people of this country, not the biggest campaign contributors to a handful of extremely corrupt and despicable politicians."

"The dissolving of this firewall between government and corporations is a textbook

"You should try masturbation—that always works for me."

Fight the Power

USE THE INTERNET!

The Internet's utility in organizing anticorporate action is well-documented. At the World Trade Organization summit in Seattle during the fall of 1999, antiglobalization demonstrators used the Web to outsmart the cops and get their message out with the then-innovative use of streaming audio files.

Chris Burnett, a Los Angeles-based activist who was at the Seattle protests, remembers those heady days: "A bunch of us were like, 'This is an amazing time!' Everybody loved what [we] were streaming. Thousands of people were listening during the week."

Since then, the alternative-media providers have coalesced into an impressive network of Internet news and activism sites linked to IndyMedia.org. Independent Media Centers (IMCs) have popped up in cities all over the world to continue the fight against corrupt multinational companies and to further a whole host of causes aimed at improving the life of the average working person.

Burnett and others in L.A. even took the IMC concept one step further and created a full-fledged Internet radio station, KillRadio.org, at which volunteer DJs have organized themselves in an innovative, nonhierarchical "consensus" structure. "[We're here] to share responsibility and share decision-making power," explains Burnett. "That's usually a real mind-fuck for people."

definition of fascism," explains Stephen Dunifer, perhaps the most notorious proponent of the "free radio" movement in the U.S. Dunifer, an activist and broadcast engineer who lives in the San Francisco Bay Area, started his Free Radio Berkeley microradio station in 1993 as an act of "electronic civil disobedience." Dunifer's goal was to challenge the FCC's authority to regulate the airwaves—which is an affront to freedom of speech, in his opinion.

Not surprisingly, the station's in-your-face, anarcho-political stance quickly attracted the FCC. But when Dunifer was hauled into court in 1995, the judge refused to issue an injunction, and Free Radio Berkeley was placed under the court's protection, making it temporarily exempt from prosecution. Soon, copycat pirate stations popped up across the country—a nightmare for the underfunded FCC. Free Radio Berkeley also grew exponentially, eventually evolving into a 24/7 operation with dozens of volunteers in Oakland, California. For a brief moment, it appeared that Dunifer had knocked the radio industry on its ass—until 1998, that is, when Free Radio Berkeley was quashed by an unholy trifecta of government and corporate interests: the FCC, the NAB and NPR, working through the federal Ninth Circuit Court of Appeals.

Free Radio Berkeley may be gone now, but Dunifer remains unbowed. "The record shows that all through this entire legal process, the FCC has yet to respond in any substantial manner to the Constitutional issues we've raised." The FCC even had to make concessions to the microradio movement. Incorporated into the Telecommunications Act of 1996 were provisions for licensing low-power FM community stations—a small victory for Dunifer and his compatriots. Too bad these allowances were later eviscerated by NAB lobbyists with a measure (ironically titled the Broadcast Preservation Act of 1999) that also effectively bars Dunifer and other clandestine broadcasters from the airwaves for life.

Dunifer has subsequently become something of a underground legend, publishing *Seizing the Airwaves* (coedited by Ron Sakolsky and available through AK Press), a classic primer on DIY radio, which includes chapters such as "When the FCC Knocks on Your Door." He offers expanded technical information in his latest work, *Broadcast This!*, which is slated to be published this summer.

Perhaps most significantly, Dunifer has developed several low-power FM broadcast "kits," which he sells on his Web site, FreeRadio.org. He estimates that he has equipped 400 to 600 stations in the past several years alone.

Despite his renown as a renegade broadcaster, Dunifer repudiates the term "pirate," claiming, "The real pirates are the corporations."

Back at Jim's place, the illicit radio transmission continues. I ask why he doesn't broadcast legally on the Internet. The NAB claims that the proliferation of Web sites is the reason ownership restrictions had to be jettisoned: Their members just can't compete against powerful "new media."

"That's ridiculous," scoffs Jim. "There's no audience for the Internet like you get on broadcast through a very simple technology like TV or radio."

And, of course, there's the prevailing political justification. "It's free speech; use it or lose it," the radio renegade asserts. For Jim and all the other clandestine broadcasters around the U.S., this straightforward mandate—coupled with radio's elementary technology—all but ensures that the pirates will continue to fight.

BORED IN THE U.S.A.

The candid revelations of three housewives and one guy seeking fun and excitement on live chat lines.

Calls to LIVE chat lines are at EXPLOSIVE LEVELS from HOUSEWIVES looking for fun, and wanting to talk to guys (married or not) about anything and everything. We found three women and one guy who frequent a very popular chat line called **1-800-WIFE-CHAT** and asked them why they are turning to a phone line for sex. Not surprisingly, the answer to our questions seemed to lead down one common path each time - Uninhibited, Instantaneous SEX, anytime, anywhere.

It's Friday night, "Susan's" husband is away on a business trip and her pussy is dripping wet with no one to satisfy her. Does she reach for the vibrator again? No, first, she picks up the phone and calls **1-800-WIFE-CHAT** looking for a man that will make her come over and over again.

"I get so lonely. and bored. Weekends and evenings are so hard on me, so I fix it fast, by finding a horny guy on the chat line who's...REALLY HARD and ready for me!" exclaims "Susan". She continues, "Calling the chat line for no-holes-barred sex talk is a necessity, it's become part of my evening routine."

I GET SO BORED AND LONELY

"Stephanie" will be the first to tell you she has an insatiable need for sex. "My husband is a great guy but he can't keep up with me." she says. "I call **1-800-WIFE-CHAT** about 4 times a week. It's free for me, and luckily, Daniel (husband) sort of looks the other way. It works for both of us, I get a different guy when I want and he gets to sleep through the night."

As "Stephanie" spins her wedding band around her finger she admits, "Just cuz I'm married doesn't mean I can't have sex chat with anonymous guys." she says. "It (being married) adds another level of excitement to calling the chat line."

"Stephanie", (married 5 yrs) in Florida admits, "The chat line feeds my continuous need for sex. My husband just can't keep up with me."

UNINHIBITED, INSTANTANEOUS SEX, ANYTIME ANYWHERE!

"I'm a realtor so I'm always working. Scheduling sex with my husband just doesn't work for me. I've been calling the live chat lines for eight months." claims "Kim".

Spontaneous live chat sessions are common in "Kim's" hectic life as a Realtor. "When I want it, I want it NOW! I'm always on the phone so I can get away with it very easily."

"I came five times on one call....while in my car!"

"I admit, when I first called I was nervous, but this guy had me rubbing my clit within minutes. Needless to say, it made me so hot, I've been calling ever since. I can't get enough of talking about sex, some might say I'm addicted to it."

"Kim" says she's made many new "friends" since calling **1-800-WIFE-CHAT**. "I actually met one guy for an innocent lunch which made our future calls with him even hotter. It seemed liked I was cheating....but I wasn't. Talk about having your cake and eating it too!

100% REAL HOUSEWIVES

"Yeah, I was skeptical about the girls on chat lines." Says "Will" computer programmer by day, chat line stud by night.

"Turns out, **1-800-WIFE-CHAT** is the REAL deal, they're 100% real married chicks, no actresses like other chat lines. I was surprised by how many wives liked to talk sex for hours." Will exclaims. "Some of these chicks can't get enough of me. It only cost's me $1.99 a minute and I get to fuck as many married women as I want!"

> "No actresses like other chat lines."

Warning - **1-800-WIFE-CHAT (1-800-943-3242)** is an adult community designed to connect Horny Men with Bored Housewives for explicit adult chat and is intended for people 18 or older only.

METAL

BRET MICHAELS TALKS DIRTY TO US

Interview by Nancy B. Sayle

In 1986, Poison burst out from the infamous Sunset Strip hair-metal scene. The band—Bret Michaels (vocals), Bobby Dall (bass), C.C. DeVille (guitar) and Rikki Rockett (drums)—played to packed houses, mostly of screaming, spandex-clad sluts with teased-out hair, which made the audience virtually indistinguishable from the group itself. Wearing more makeup than $10 hookers, Poison, with their glam-metal appearance, catchy, salacious lyrics and energetic stage shows, caught the eye of Capitol Records.

With MTV in its prime and radio embracing the band, their debut album, *Look What the Cat Dragged In*, made Poison a household name by 1987. The group's 1988 *Open Up and Say...Ahh!* gave them their first number-one hit single, "Every Rose Has Its Thorn." From there, each album that followed reached the multiplatinum mark. Nearly two decades since the band's inception, Poison continues to tour large arenas, giving fans what they want: hit songs, pyrotechnics, confetti canons and 30-minute guitar solos, courtesy of flamboyant ax man C.C. DeVille.

Coming off his band's summer 2003 "Harder, Louder, Faster" tour, Michaels spoke to HUSTLER as he gears up to perform around the country as a solo artist.

HUSTLER: How does a band like Poison keep touring successfully?

MICHAELS: We are very driven. You have to have a determination to maintain success. We are not ones to give up easily to change. We aren't out there chasing every trend. We are proud of our success, and we stick to our guns. You can't please everyone, but you can please yourself. I believe in what I do. I love music. Poison succeeded in maintaining because our songs stood the test of time. It's

Bret Michaels: Talent, a top hat and a clean bikini line.

been 18 years, and we can still play all the same music and still sell out shows.

HUSTLER: Your concerts attract large numbers of females; are women primarily responsible for your album sales?

MICHAELS: We have always had a very large female following, but because we had so many women at our shows, the guys would go, and the guys buy the albums. Hard-core Slayer fans would show up because we had all the chicks. You don't find girls at a Slayer concert like you will at ours. One time this guy came up to me and said that he only came to our show because of his girlfriend. He told me he never listened to Poison before but that he became a fan that night. That was very cool. We also get a lot of the new bands at our shows. Dave [Williams, the recently deceased vocalist] from Drowning Pool, loved to get up and sing with us. Also, the guys from Korn, Puddle of Mudd and Deadsy all come to our shows and hang out. They dig what we do, and I think it's also because they know we stuck to our guns. We are just doing what we are.

HUSTLER: Tell us about your solo career.

MICHAELS: It does not mean I am leaving Poison; it's just in addition to my career with Poison. I am always working on projects, be it music or otherwise. I released a solo album called *Songs of Life* May 20, 2003. With Poison's summer tour already scheduled, this was the first opportunity to tour and perform my new album live. I'm playing 2,000 to 3,000-seat theaters on this tour.

HUSTLER: What motivated you to release your solo album?

MICHAELS: I have a creative force inside me that does not stop. I always create. The songs on this album have been in the making all my life. Each has a story to it, full of self-expression, be it anger, sadness or sex, but the new single from that album has great meaning to me. It is a reflection of [my feelings] after my daughter [Raine] was born. It is a beautiful song. It has been the most-added song to playlists and charts all over the U.S. It also has been on the rock chart, and then got added to the Top 40 and Hot Adult Contemporary chart. The song stands on its own. I am very proud and excited.

HUSTLER: Many critics have not been kind to Poison. Why do you think that is?

MICHAELS: Poison has always been criticized, but had we listened to them, we would not be around 18 years later performing in arenas. We just blow them off. There are certain rock-gossip sites that like to talk shit about the bands that have made a career. One site, in particular, says a lot of negative things about Poison. It sounds to me like it comes from a bitter wanna-be rocker that never made it. We sold over 25 million albums.

HUSTLER: Tell us about the videotape that showed you and Pamela Anderson having sex.

MICHAELS: It was a personal tape for us to enjoy. We had a very fun sexual relationship, and it was not meant to be viewed by the world. I felt I had to step up to the plate and stop it from being exploited. I went to federal court and got an injunction to stop the company that had possession of it.

Poison (l-r): Bobby Dall, C.C. DeVille, Michaels and Rikki Rockett.

HUSTLER: Besides Pam Anderson, what other famous groupies have you bedded?

MICHAELS: You know the Grand Funk song, "We're an American Band," where they talk about "sweet, sweet Connie"? I'd heard the legends but never met her. We were on our way through Little Rock, Arkansas, and I went to the hotel. I get off the tour bus early in the morning, and I go to the hotel. Sitting in the lobby is Connie, and lo and behold, she looked good. She walked right up and said, "Hi, I'm Sweet Connie, and I'm here to have sex with you. I'm here to have fun." We went up to the room and had an awesome, awesome time. We threw down very nicely. We went on all that day into the evening, and into the next day of the show. Later, I saw her on a VH1 special and she talked about me. I truly got to live out my rock 'n' roll fantasy. It truly happened just like I thought it would happen. These are moments that you dream about, but one of the best sexual experiences I ever had was with a *Playboy* Playmate. It was at the Texas Jam. We were shooting the "I Won't Forget You" video in front of 83,000 fans. I walked offstage, and Paul Stanley was there, along with Steven Tyler. I got completely drunk, and I'll never forget. One of the most beautiful women—I believe at the time she was a *Playboy* Playmate. Now, I don't believe it was meant to be a public experience, but if I remember correctly, we did it in the fountain, not thinking anyone could see us. It was in the back, but from everything told to me the next day, I am sure everyone saw us going at it.

HUSTLER: Given your many sexual exploits, do you have any professional rock star advice for our readers on how to charm the pants off the girls?

MICHAELS: Here's my advice: The most important thing I can say, first and foremost, is that if you get with a woman and you are looking at porn, assure her that she is hotter than the girl you are looking at. Never look through a magazine or at porn and say, "Wow, this girl is hot. I'd like to do her." What you want to say is, "Yeah, these chicks are hot, but not as hot as you." Set the magazine down like you don't care. Naturally, go back to the porn later, once she is gone. Number two, be confident, not cocky. In other words, be confident and creative. Don't bore her to death, and don't be an asshole. Creativity over cockiness will always rule. Remember, you have to turn on the motor, because a girl knows in the first few minutes if she wants to fuck you; and if all else fails, join a fuckin' rock band!

ROB HALFORD REUNITES WITH JUDAS PRIEST FOR 2004 WORLD TOUR

Longtime rumors that the original members of Judas Priest would come together and tour once more have now been confirmed. After ten years of separation, the band recently announced its return to the stage with the original lineup in place: Rob Halford (vocals), Glenn Tipton (guitar), K.K. Downing (guitar), Ian Hill (bass) and Scott Travis (drums). The 2004 world tour will also celebrate the band's 30th anniversary. Updates will be posted regularly at www.JudasPriest.com.

IT'S MILLER TIME, AGAIN

Capitol Records has recently released *Young Hearts: Complete Greatest Hits of the Steve Miller Band*, the first collection to trace Miller's entire 35-year affiliation with the record label. The 22-song album features "Abracadabra," "Fly Like an Eagle," "Rockin' Me," "The Joker" and other songs, many of which have been covered by artists as diverse as Smashing Pumpkins, Deftones, Seal, Run-D.M.C. and k.d. lang. For more information on the Steve Miller Band, go to www.HollywoodAndVine.com.

FIVE POINTS FOR JOURNEY

San Francisco-based multi-platinum band Journey, of "Open Arms," "Lovin', Touchin', Squeezin'" and "Don't Stop Believin'" fame, has been chosen to receive a star on the Hollywood Walk of Fame. A date for the ceremony has not been announced yet but will take place in 2004.

Nirvana: The Day to Day Illustrated Journals

The onslaught of post-mortem Kurt Cobain product continues with *Nirvana: The Day to Day Illustrated Journals*, which will be released this fall via Carlton Books. This collector's item, originally issued under the title *Eyewitness Nirvana: The Day by Day Chronical* [*sic*], has a revamped design and is much bigger than the original version, including 200 photos integrated for the first time with the text. This factual diary will give Nirvana fans a thorough look into the influential band's career.

NEWS

Vince Neil, a hit with the ladies? The former (and future?) Mötley Crüe singer has been charged with misdemeanor battery after allegedly grabbing prostitute Andrea Terry by the throat and throwing her against the wall at the Moonlite BunnyRanch brothel in Nevada, where Terry works. Geez; Tommy Lee puts out a sex tape, so Neil puts out his own sex tape. Lee beats up Pam Anderson, so Neil pummels a hooker. Let's hope Vince isn't planning any pool parties....

Limp Bizkit frontman Fred Durst pitched a shit fit when audience members heckled the band and pelted the stage with garbage during a late-July tour stop in Chicago. According to reports, the vocalist began "ranting that he'd fight anyone within earshot" before issuing a tirade of "explicit sexual put-downs, uncreative curses and ludicrous homophobic slurs." The band aborted their set after just 20 minutes, though Durst continued his jeremiad from the wings. I think we're all in agreeance that this public rejection of the rap-rock has-beens bodes well for the future.

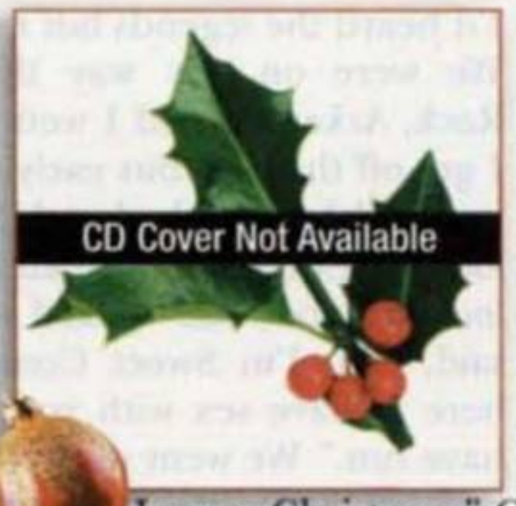
REVIEWS

Essential Holiday Recordings

Let these platters be your soundtrack as you drink yourself senseless and ignore your relatives this Yuletide.

various artists
Christmas on Death Row
(Death Row Records)

Perhaps in an effort to leaven the nation's spirit after Tupac Shakur's murder, Suge Knight issued this holiday-themed compilation in 1996. The hip-hoppified takes on Christmas standards (6 Feet Deep's "Frosty the Snowman," Guess's "White Christmas") are the aural equivalent of a lump of coal in your stocking, but who can deny the giddy joy of tracks such as Snoop Doggy Dogg's "Santa Claus Goes Straight to the Ghetto"?



Mr. Hankey's Christmas Classics
(Columbia)

Everyone's favorite animated turd, Mr. Hankey, (ahem) cuts loose as he and his *South Park* cohorts deliver a vile set guaranteed to make Santa vomit with rage. Highlights include "Merry Fucking Christmas" (a spirited paean to religious intolerance), the aptly titled "The Most Offensive Song Ever" and Kyle's surprisingly poignant "The Lonely Jew on Christmas." Crappy holidays, one and all!

The Partridge Family *A Partridge Family Christmas Card*
(BMG Music)

Christmas Card contains the harpsichord-fueled "My Christmas Card to You," an original tune that more than holds its own against any holiday classic. So what if the TV band doesn't play its own instruments? Jesus would be proud to know that his birth inspired this record.

Fear, "Fuck Christmas" *Fear: The Record* bonus CD track
(Slash)

A 45-second screed marked by singer Lee Ving's repetitious screaming of the title. Aside from groping Jennifer Beal's ass in *Flashdance*, this is Ving's finest moment.

The Everyothers self-titled
(Hautlab)

Taking their cues from *Ziggy Stardust*-era Bowie and Iggy Pop circa *Lust for Life*, this NYC foursome dish up ball-bloating riffs, solid melodies and serious attitude. Makes the Strokes sound like Hanson.

GRATUITOUS COOZE

Meet Danish songbird Maria, whose debut album, *My Soul*, "segues seamlessly from rock and R&B to soul and pop," according to her record company. We wouldn't know, as the label opted to send us this photo in lieu of the actual album. Wise choice.

Rock 'n' Roll Spotlight

PRONG

Formed in 1986 and part of the heavy-hitting NYC industrial/metal/underground rock scene, Prong pioneered a techno/thrash-metal hybrid, the echoes of which can be heard in the work of such MTV staples as Nine Inch Nails and Rob Zombie. The band released several acclaimed albums before disbanding in 1997. After more than five years away from the scene, Prong is back with a heavier-than-ever new release, *Scorpio Rising* (Locomotive Music).

For the new album, Tommy Victor—guitarist, vocalist, songwriter and the one mainstay in the band's constantly evolving lineup—drew from a wealth of material written during Prong's extended hiatus. Even so, the reconstituted Prong is a fierce, cohesive unit—not just Victor with a rhythm section. Currently, bassist Brian Perry and drummer Dan Laudo provide the tightly wound wallop that permeates the group's aggressive, abrasive and even melodic material. On songs such as "Initiation," staccato guitars dart in and around the relentless rhythm and angular bass lines before yielding to the anthemlike chorus. *Scorpio Rising* is pure Prong: big beats, big bottom and whiplash guitar.

Prong recently finished a European tour, and Victor keeps busy moonlighting as Danzig's guitarist. What does Victor think of his phallically monikered unit being featured in HUSTLER? "It's pretty cool. Rock and porn fit together. Danzig's style of music brought in the strippers. Our style of music never really brought in a lot of groupies, but that doesn't mean we don't like to look."

For all things Prong, go to www.Prong-23.com.

SYSTEMATIC

Here's at least one reason not to hate fan-suing Metallica drummer Lars Ulrich: After hearing promise in Systematic's debut album, *Somewhere in Between*, Ulrich brought the San Francisco Bay Area rockers to Elektra records. The band's follow-up, *Pleasure to Burn*, delivers even more no-frills, no-bullshit, all-out aggressive rock than their first album.

Pleasure to Burn was written and recorded during an extended break from touring. Taking advantage of the hiatus, core members Tim Narducci and Adam Ruppel refined the sound and reduced the songs to their most potent elements.

Still, Systematic thrives on constant touring (they have recently played Ozzfest and the Jägermeister tour). "Playing live is what it's all about," explains Adam. "We like to kick everybody's asses." The band keeps in close contact with their fans, even going so far as to invite them to hang at the tour bus and enjoy some backstage barbecue. "Rock used to be about hitting the road and building that following," adds Narducci. "We don't put ourselves on any pedestal. We're a family, and we look at our fans like we're all in this together."

On the road, Systematic isn't just all about "family." They keep an eye out for the seamier side of life. "We passed through Nashville on tour and noticed they had whorehouses," explains Tim. "This last time around, we got to stop in Nashville. We were looking forward to the whorehouses. To our disappointment, they were all closed. We finally stop in Nashville, and they close the whorehouses!"

That'll teach them to take a break from touring.

NIKKI LOVE

Naughty Nikki was born in Burbank, California. A freshman in college, the 20-year-old, raven-haired beauty is studying business administration and wants to open her own business someday. She says she was a little hesitant to pose nude because she has an uncle who subscribes to HUSTLER. "He's gonna see it. He's going to be like, 'Oh, my God, Nikki!'" The Golden State native says her worst date was with a guy she really liked: "He had a really junky car, and he took me to a junkyard to get car parts. I was so bored." On the flip side, Nikki says, "The most romantic thing a guy did was being there at my side when I was in the hospital for three days with no makeup on." Sounds like a brave fellow; we could never go that long without our rouge.

Question: How does an asthmatic lesbian breathe?
Answer: In snatches.

A guy ran into his ex-girlfriend after a really nasty breakup.

"You know, I was with another woman last night," the guy admitted, "but I was thinking of you the whole time."

"Aw, you still miss me that much?" his former honey asked.

"No," the guy told her, "it kept me from coming too fast!"

Question: Did you hear they finally made a device that can make cars run 98% quieter?

Answer: Yeah, it fits right over her mouth.

An attractive young divorcée was sitting at a bar one night when she noticed a young black man just a few stools away.

She had never seen for herself if the stories about black men were true; so she took the opportunity to buy the young stud a drink.

One thing led to another, and soon the pair were heading back to the woman's apartment.

Once there, the woman stripped naked, climbed into bed, struck a sexy, come-hither pose and whispered, "Okay, you gorgeous piece of chocolate man, show me what you young black men do best."

So he beat the shit out of her and stole her purse.

Jack and Bill were knocking back beers and shooting the shit at a bar when a hot chick walked in.

"I'd give her a seven," Jack said.

Bill shook his head and said, "One."

Another hot babe walked in.

"Whoa," Jack drooled, "that one gets a nine!"

Bill shrugged, "Maybe a two."

"Wait a minute," Jack protested. "Those two girls were the best ones I've seen in a long time, and all you give 'em is a one and a two?"

"I don't use the usual scale of one to ten," Bill explained. "I use the Budweiser system."

"What the hell is the Budweiser system?" Jack inquired.

Bill grinned. "That's how many Clydesdales it would take to rip my face off her pussy."

The HUSTLER Dictionary defines *hermaphrodite* as: A bisexual built for two.

As the holidays approached, a father in West Virginia asked his prepubescent daughter, "What does my little girl want for Christmas?"

The little girl replied excitedly, "Oh, Daddy, I want hairs on my pussy!"

The father smiled and asked her, "Will a mustache do?"

Three convicts were on their way to prison. They were each allowed to take one item with them to help them occupy their time while incarcerated. On the bus, one turned to the other and asked, "So, what did you bring?"

The second convict pulled out a box of paints and said that he intended to paint anything he could. He wanted to become the Grandma Moses of jail. Then he asked the first guy, "What did you bring?"

The first con pulled out a deck of cards and said, "With these I can play poker, solitaire, gin rummy and any number of games."

The third convict was sitting quietly, grinning to himself. The other two took notice and asked, "Why are you so smug? What did you bring?"

The third guy pulled out a box of tampons and smiled. "I brought these," he said.

"What the hell can you do with those?" the other two prisoners asked, completely puzzled.

"Well, according to the box," the third con beamed, "with these things I can go horseback riding, swimming, roller skating...."

A man went to the doctor complaining of insomnia. The M.D. gave him a thorough examination but found absolutely nothing physically wrong with him.

"Listen," said the doc, "if you ever expect to cure your insomnia, you just have got to stop taking your troubles to bed with you."

"I know," the man said, "but I can't. My wife refuses to sleep alone."

GET OUT THE VOTE!

HUSTLER's 2003 *Beaver Hunt* Grand Prize Finalists

Unlike the last Presidential election, HUSTLER's *Beaver Hunt* is a true democratic process, and the only Bush we allow on this ballot is pussy. So cast your vote to award one of these next-door nudists an extensive photo-shoot and a Grand Prize of $5,000!

Jayda ☐

(***Beaver Hunt*** Finalist #1, ***First in Line***, August 2003)

Jayda, 30, loves to work out, with obvious results. When the brunette from Boston isn't spreading her legs and driving men to insane lust, she enjoys photography and rollerblading. Faithful readers may recall that Jayda's fantasy is to be watched while having sex. If she wins the $5,000 Grand Prize, perhaps she could buy us telescopes and leave the shades up next time she does the wild thing; that would fulfill our dream and hers.

Tori ☐

(***Beaver Hunt*** Finalist #2, ***Second to None***, October 2003)

From Little Rock, Arkansas, 23-year-old Tori's mantra is, "Be persistent, and your fantasies will come true." And she should know; she's had sex with a rock star (she doesn't say who) and was part of a wild threesome. God only knows what crazy things she'd do with the $5,000 Grand Prize, but we hope she tells us all the explicit details if she wins!

Kaitlyn Love ☐

(***Beaver Hunt*** Finalist #3, ***Third [One to] Watch***, November 2003)

Also from Arkansas is Kaitlyn, a 20-year old student who loves shopping and partying. No doubt the $5,000 Grand Prize would keep the good times rolling! It would also pay for a plane ticket to Washington, D.C., where she could fulfill her goal of "having sex in the Oval Office." *Err*, does she know who's living there now?

Vicky Vette ☐

(***Beaver Hunt*** Finalist #4, ***Four-Ever Young***, December 2003)

While she started baring it all a little late in the game, this 38-year-old Southern belle from Atlanta was well worth the wait. Vicky is still looking forward to "having sex with five guys in a Corvette." The $5,000 Grand Prize would be a good down payment on a 'vette; will you make her dream of an automotive orgy come true?

Check Your Favorite Box! (Multiple votes will be disqualified.)

XXXMAS

Boo came all the way from the Midwest to Hollywood with big dreams of being on the silver screen, but ended up doing weird performance art on a dingy stage in East Los Angeles.

Her well-hung drama teacher, Mark Ashley, assured her that his special version of "method acting" would stretch her skills, but the only thing she felt being stretched was her pussy. Finally, the budding young thespian asked her horny instructor, "Am I sleeping my way to the top?" "Not at all," he assured his pupil. "You'll never get to the top by sleeping with me."

Boo bares it all in BARELY LEGAL #35 and HOT SHOWERS #9 on VHS and DVD from HUSTLER Video. Call (877) 325-6464 or visit www.ShopHUSTLER.com to order.

MISTRESS RHIANNON

GOES OVER-THE-TOP

Professional dominatrix Mistress Rhiannon has jugs larger than basketballs, and that's the most normal thing about her.

Profile by Dan Kapelovitz **Photos by Fury (www.FuryGirls.com)**

With her 48MMM tits and silicone-injected lips, Mistress Rhiannon can't keep a low profile, or even leave the house without causing a stir. "I realize that I made my own bed with this stuff and that I look kind of freaky," admits the raven-haired dominatrix, "but when I walk through a mall, and I'm dressed down, or I've come from the gym with sweat pants and a flannel shirt, why would someone stare at me and follow me around? Okay, yeah, the breasts are a little abnormally large, but for the most part that's an attractive thing. The comic-book look is what I wanted to achieve."

Rhiannon wasn't always the over-the-top whip wielder she is today. In fact, before she blossomed into a full-blown sexpot, the New Jersey native taught grade school for many years and even worked as a therapist. A brief flirtation with a musical career in a rock band called Sweet-n-Evil (which is also the name of her current XXX video company) first inspired her to go under the knife.

After dozens of breast-enhancement operations, Rhiannon's mammoth mammaries currently weigh ten pounds each and hold 4,100 cubic centimeters of saline. Rhiannon has double-lumen implants, meaning she has silicone gels in the center and saline envelopes around the outside. If needed, the pseudoboobs can be pumped up by injecting saline into ports located under her arm.

However, tit maintenance is a bitch, and Rhiannon is looking forward to yet another boob job, changing over to solid silicone bags. "These double lumens are a nightmare. They leak a lot, and I'm finding myself filling one side a little more often than I'd like to. I go to Vegas and L.A. to work, and I'm carrying a big bag of saline and needles, praying they don't stop me at the airport because of the needles."

Still, upkeep troubles aside, Rhiannon's enhancements have led her tits-first on an amazing professional journey. With her mon-

"I put some weights around his testicles and smacked them around, then I put needles through his balls to shake it up a little bit."

strous hooters in place, Rhiannon naturally—or unnaturally—turned to stripping.

One day, Rhiannon visited the Vault, a renowned Manhattan, New York, dungeon, where a pervy encounter would forever change her life. "I had gone there after working a double shift dancing all day long, and this guy came to me and said, 'Mistress, can I rub your feet?' I said, 'Baby, I've been working 14 hours in these stinky old boots. If you can get that close to my feet, knock yourself out.'" Rhiannon soon discovered that she could make money sitting on her ass while receiving a foot massage. She had finally found the perfect career. In 1998, Rhiannon quit the striptease circuit to work as an S&M artiste full-time.

Today, Rhiannon is a kinky Renaissance woman: dominatrix, porn star, adult-video producer and columnist for *Nugget* and *Leg Sex* magazines, not to mention the Webmaster of www.MistressRhiannon.com. Rhiannon is even slated to make her big-screen debut, starring in the title role of the horror-comedy film *The Bride of Frankenstein, the Ultimate Woman.*

Rhiannon's New Jersey home is filled with gothic antiques, custom-made leopard drapes and marble gargoyles, fountains and statues imported from Italy. Antique benches and statues from a French cemetery decorate her front yard. Rhiannon even has her own live-in house boy named Max, who obeys her every command. (She insists that the relationship is purely that of mistress and slave.)

The professional dominatrix can afford this extravagant lifestyle thanks to her lofty day rate. "My normal tribute is $500 an hour, plus a hundred-dollar dungeon fee, and that's for a very standard spanking session," says the woman who has done week-long sessions for thousands of dollars. "I've had subs furnish my home; I'm talking $50,000 dining-room sets. People have actually purchased part of my home for me. They find that our relationship is very gratifying, and they show it in many generous ways: cars,

Jesus Christ—look at those tits!

"Yeah, it's real leopard skin; eat me, PETA."

gifts, boob jobs—these weren't cheap."

Rhiannon insists that for these hefty sums she provides a worthwhile service to her clients, applying her experience as a school teacher and a therapist to her work. "I listen to their needs and tailor each session accordingly. I really do understand what they're trying to achieve."

Rhiannon is willing to engage in a wide range of kinky activities professionally and personally, but she draws the line at bestiality and giving brown showers.

Golden showers, on the other hand, are another matter. At a recent party at her personal 2,200-square-foot dungeon, Rhiannon grabbed a guy and said, "I really have to go to the bathroom, and it looks like you're it," then threw him into her golden-shower tank. "I went first, then I had multiple girls go after me onto this guy, and he just loved that. Then I did a really heavy corporal scene. I suspended him, and I worked him up a little bit with some lightweight whips and crops to get his body prepped. I put some weights around his testicles and smacked them around, and then when I found that they were seminumb, I put needles through his balls to shake it up a little bit. Then I carved him with a scalpel. We hooded and masked him, and I whipped him again. Then I anally prepped him, and we took him with a strap-on."

Between beatings, Rhiannon strokes her victims, rubs her body against theirs and speaks very calmly to them. "My concept is always 'sweet and evil'—mix a lot of sweet with evil, and blend it so that you're keeping a person constantly on their toes and yet making them feel really good at the same time; so they never know what's coming next."

Rhiannon's sadistic repertoire is as expansive as her cantilevered chest. She burns testicles with hot instruments, lights pubic hair on fire, nails men's nuts to wooden boards and punches guys in their balls. One routine finds her wrapping Christmas lights around men's chests and trampling the bulbs with her platform shoes, breaking the glass into their flesh. She orchestrates "kidnappings," in which she and her accomplices might pull a client out of his car, gag and blindfold him, throw him in the trunk, take him for a joy ride, tie him to a tree and "torture" him all night long.

Does the mistress ever grow bored of beating masochistic men?

"Even though I've done this for 13 years, there is always something new and refreshing. The only thing that becomes redundant is an individual who doesn't want to deviate or expand his horizons."

Hopefully Rhiannon will be expanding horizons—particularly with regard to her custom-bra size—for years to come.

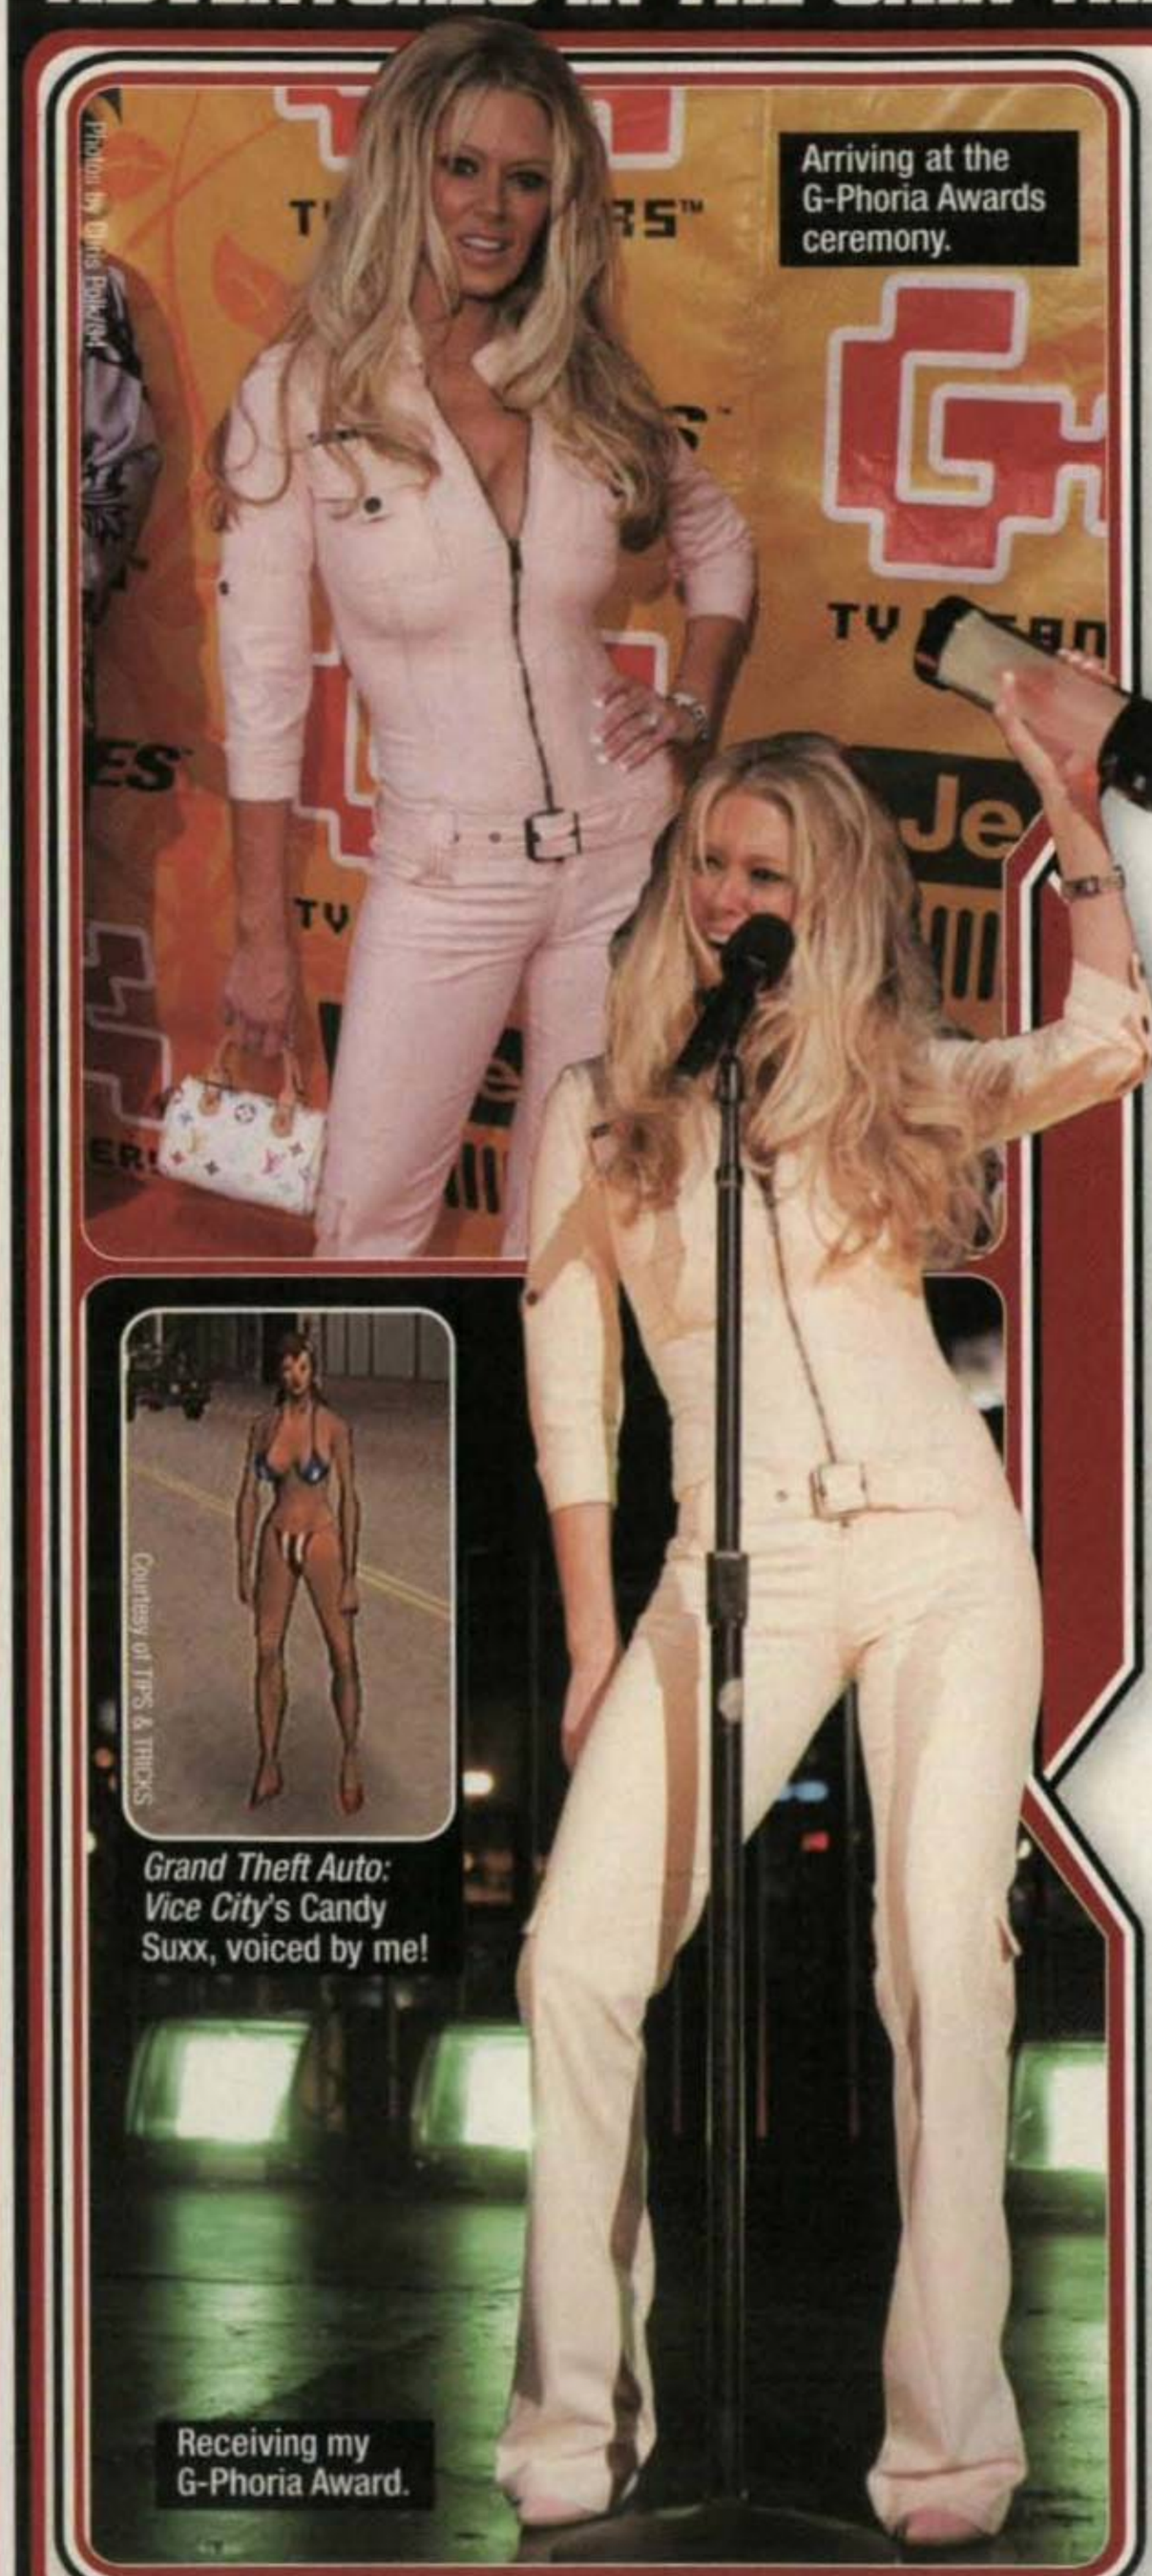
JENNA TALES

ADVENTURES IN THE SKIN TRADE WITH JENNA JAMESON



Arriving at the G-Phoria Awards ceremony.

Grand Theft Auto: Vice City's Candy Suxx, voiced by me!

Receiving my G-Phoria Award.

Hey, guys! I'm back with some fabulous news. I just returned from New York, where I taped the *E! True Hollywood Story* about my life! I was so excited when they called me. It's one of my favorite shows to watch, and I'm very honored that they chose me as a subject. The producers have been incredibly thorough, and they've uncovered stuff about me that I actually didn't know or had never thought about! The show traces my life from my birth in Las Vegas through my childhood (including the passing of my mother from cancer and my very supportive upbringing by my police-officer father). They even did an in-depth interview with my dad. He used to answer our door in his full police uniform to make sure dates would bring me home when promised!

I was also recently honored with the G-Phoria Best Actress Award for Best Live Action/Voice Performance-Female category at an amazingly lavish ceremony at the Henry Fonda Theater in Hollywood, California. G4, which presents the ceremony, is a really cool 24/7 cable TV network that's all about video games. I received the award for my work in RockStar's best-selling video game *Grand Theft Auto: Vice City*. Last year I had characters in *Grand Theft Auto* and *Tony Hawk 4*. I had so much fun that I'm going to develop my own video game for release in 2004. Keep an eye out for it; it'll really give your joystick a workout!

As always, I thank you all so much for taking the time out to write to me. Here's one letter from one of our many soldiers overseas. Chris Barthel writes, "I'm currently sitting in the middle of the desert in Iraq. I'm with the 671st engineer company. You can imagine how much sex we get out here: none! Seeing your beautiful face and stunning body in a magazine helps by showing us what we have waiting for us back home. We absolutely love you, Jenna, and we can't thank you enough for what you have provided for us out here: satisfaction. It doesn't look like we'll be coming home anytime soon, and the HUSTLER magazines we have are now falling apart at the seams. This is for two reasons: The heat reaches a daily average of 125 degrees, and the magazines get passed on from soldier to soldier until there is nothing left. Thanks, Jenna; we appreciate everything you're doing in regard to motivating us over here."

Thank *you*, Chris! Needless to say, I'm blushing! All of us back here want you to return home safely. In the meantime, rest assured that fresh copies of HUSTLER are on their way.

If there's anything the rest of you would like to see in the next installment of my column, take a cue from Chris and don't hesitate to write to me. I love getting mail from fans all over the world; it makes me feel so good inside! Just drop me a line at:

Jenna Tales, c/o HUSTLER Magazine, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211.

See you soon!

HUSTLER'S Girl+Girl #2

Directed by Zora Banx.

Starring Caroline Cage, Kate, Cola, Daphne, Monica More, Karina, Kelli, Tiffany Diamond, Eva, Kristina, Iness, Alissa, Kristal and Zora Banx.

Videocassette: HUSTLER Video.

Busty, blond Hungarian porn star Zora Banx goes behind the scenes (and in front of them) as the director and host of *HUSTLER'S Girl+Girl #2*. Being a Budapest native has its advantages, as the multitasking Zora zeroes in on the most spectacular babes imaginable in the midst of one of the hottest chick capitals in the world. Delectable blondes Monica More and Cola have a catfight in a tailor shop, tearing off each other's clothes and spanking each other's firm asses cherry-red before frigging each other into a frothy-clammed frenzy. Zora then hits the gym to catch a hardbodied, threeway lickfest that goes out doggy-style with the help of a strap-on harness. A foursome in a flower shop adds more fuel to your crotch fire. Three blondes and a redhead pair off in different combinations with double-ended dildos before coming together in one big daisy chain. *HUSTLER'S Girl+Girl #2* adds up to 14 flawless slices of lipstick-lesbo heaven.

A Lay in the Life

Clive McLean Gets the Documentary Treatment

When New York-based independent filmmaker Peter Mattei returned from the Sundance Film Festival last year after premiering his art-house debut feature *Love in the Time of Money*, he found himself broke and unemployed. During his vain search for gainful employment, he experienced a eureka moment. Why navel-gaze with the underfunded when you can earn a tidy sum by filming gorgeous sluts with scrotum yogurt dripping off their chins?

So Mattei strode cautiously into the world of XXX. Though he didn't actually make a smut film, he has at least produced a wry little documentary for the American Movie Classics channel. The film, which airs November 17, is entitled *I Want to Be Clive McLean*.

Who can blame him? The truth is, at some point in our lives, we all want to be Clive McLean. As HUSTLER's Senior Photographer, he has spent the last 25 years shooting centerfolds and directing more than 40 BARELY LEGAL video titles. As depicted in Mattei's work, McLean has a loving wife, a stable of horses and a knack for choreographing perfect strangers into filthy contortions.

"Out of all the porn directors I met in L.A.," says Mattei, "Clive was the most interesting. He's not just one of the most respected and successful directors out there—in terms of copies sold, the BARELY LEGAL franchise is just phenomenal—he's also personable and smart."

He's not short of advice either. McLean teaches the jizz-biz aspirant "not to be precious about your work and to always keep working." On Mattei's whistle-stop tour of the industry, he also solicited the advice of HUSTLER Publisher Larry Flynt, Ron Jeremy and Vivid director Paul Thomas. But it is the affable McLean who steals the show, tearing around on his ATV and shooting a round of clay pigeons every morning. This is a man who starts his working day by instructing a veritable pageant of prospective pussy to strip, turn around and touch their toes. "What an extraordinary thing to ask a lady!" Clive chuckles. And what an extraordinary way to earn a living.

"Always make sure there's film in the camera." McLean (right) gives Mattei pointers.

Multiple P.O.V.: *A seemingly confused Cytherea attempts to suck the venom out of the snake itself.*

Adult Stars at Home #3: *Kitten: "It's okay; we just Scotchgarded the furniture."*

Adult Stars at Home #3: *Honey: "Nice view, huh?"*

Multiple P.O.V.: *Gisselle: "I'm just gonna rest my tongue right here for a minute."*

Catsnatch:
With Randy Spears in a state of catatonia, Julie Meadows decides to take matters into her own hand.

Catsnatch:
Sunset Thomas was rudely awakened from her midday nap.

Double Parked #4:
"Ebony and ivory, live together in perfect harmony...."

Multiple P.O.V.

Directed by Vince Vouyer.
Starring Roxy, Soma, Gisselle, Katsumi, Cytherea, Cherry Lane, Ariana Jollee, Renee Pornero and Madison Moore.
DVD: Red Light District.

Vince Vouyer gets it right with what is undoubtedly the first of many installments of *Multiple P.O.V.* It's all of the ball-draining action you crave, without the man-ass. There are five scenes in all with plenty of anal, oral, squirting, ATM and cream-encrusted faces to please even the most discriminating raincoater. Highlights include the pairing of newcomers Gisselle and Katsumi, who provide enough spunky energy to get the electricity flowing in Baghdad again. Both fuck sluts crawl on the concrete floor begging to suck man-muscle before they finally get their hands and mouths on a veiny beef stick. Later, Katsumi spreads and kneads Gisselle's ass cheeks as her crap hatch is plundered doggy-style. You won't make it to the pop-shot when Cherry Lane introduces her barely-legal girlfriend, Cytherea. They undress each other before demonstrating their oral and anal skills. *Multiple P.O.V.* is quality stroke fare that will inspire multiple viewings.

Adult Stars at Home #3

Directed by Luc Wylder.
Starring Brittany Andrews, Donna Marie, Honey, Kitten, Mark Davis, Ron Jeremy, Talon and Steve Hatcher.
Videocassette: Adam & Eve Productions.

Adult Stars at Home #3 proves that some blue-screen thespians have actually avoided the pitfalls of the biz and are not living in squalor, surrounded by empty pizza boxes and discarded syringes. Instead, the video presents a compelling synthesis of *MTV Cribs* and a XXX fuck film. Brittany Andrews gives a grand tour of her penthouse apartment. She stops in the bathroom to retrieve a sex slave squatting in her shower, then proceeds to whip his ass with a riding crop before lending her pussy for a powerful porking. Mark Davis and real-life wife Kitten invite you into their living room to share photos of their wedding night and show off the awards they've won over the years. Afterward, the happy couple head to the bedroom where Kitten deep-throats her man, and, in turn, he buries his tool balls-deep into her brown starfish. The sex in *Adult Stars at Home #3* is somewhat tepid, but this flick is more about hospitality than humping.

Catsnatch

Directed by Chloe.
Starring Sunset Thomas, Chloe, Julie Meadows, Velvet Rose, Lezley Zen, Randy Spears, Steve Hatcher, Kyle Stone, Eric Masterson and Tice Bune.
Videocassette: VCA Pictures.

If the box-cover photo of Sunset Thomas in full-on Catwoman regalia has you salivating, then *Catsnatch* might not scratch your itch. Sadly, Sunset never dons the pointy-eared cowl that would make the fetishistic dream complete, although she does look spectacular in her birthday suit, and her serial sexcapades offer plenty of opportunity to gaze at the towheaded megastar's stellar body. Sunset plays a thief who's obsessed with filching cat figurines. When Tice Bune catches her in the act, she lets him plow her dung chute until he offers her anything she wants. Next she busts in on Lezley Zen and her man, and fucks them both out of their prized possession. Meanwhile, detective Julie Meadows is hot on Sunset's trail. She sets a trap using partner Randy Spears as bait, but by the time Randy blasts his load all over Sunset's tits, he's under the larcenist's spell. Sunset Thomas can get away with anything, even middling tripe such as *Catsnatch*.

Double Parked #4

Directed by Alex Ladd.
Starring Sandra Mark, Cherry, Simony, Angelica, Crystal Ray, Daytona, Eva, Boby, Jean Pallett, Neeo, Rick Masters, K-K, Steve Hatcher, Joe Monti, Jazz Duro and George.
DVD: DVSX.

Each of *Double Parked #4*'s vignettes begins with an introduction and inspection of some of the tastiest-looking pussy around today. Naturally redheaded cutie-pie Cherry proudly displays her copper muff as director Alex Ladd zooms in for a closer look. Before she gets popped with a cock in her tight ass for the very first time, her bunghole is primed with a bright-red butt plug. When the anal assailants finally double-stuff her, Cherry squeals like a wounded badger. One of the mooks seals the deal with a load on her alabaster face. Blond bimbo Crystal Ray chokes on K-K's massive, black battering ram while her pussy is properly punished by Rick Masters. All of this leads up to a scorching foursome featuring titless wonders Eva and Daytona. Although redheaded Eva looks like she could pry open paint cans with her teeth, she surrenders her sphincter admirably. The moving violations in *Double Parked #4* deserve awards, not tickets.

Not Just Another 8 Teen Movie: *After a grueling run, Kitty and Elizabeth like to unwind with a couple of meat sticks.*

Dirty Little Cheaters: *Katie: "My God, this tie is horrendous."*

Sinful Creations: *Alexa Rae: "Could you get me an Excedrin, sweetie? My head is killing me."*

Not Just Another 8 Teen Movie

Directed by Greg Alves.
Starring Lil' Bit More, Amber, Cassie Young, Roxy, Kitty, Elizabeth Lawrence, Kylie Rochelle, Fallon Sommers, Alex Sanders, Mark Wood, Mark Davis and Dick Delaware.
Videocassette: Zero Tolerance Entertainment.

Combining yucks and fucks, *Not Just Another 8 Teen Movie* gives the hottest up-and-coming talent in the jizz biz a chance to shine by passing them the mic. Funny pre-fuck quizmaster Mike Quasar has all the newly adult nymphos in stitches, especially living blond Tickle Me Elmo doll Lil' Bit More. The 19-year-old nympho giggles as she slurps down schlong and offers up her peachy ass cheeks for plundering. Roxy's a hot, rail-thin French-Canadian piece of tail who sucks cock like a sword swallower and screams like a shit-slinging monkey as her tight cunt is hammered raw. Well-endowed nymph Kylie Rochelle could drain balls just going topless but graciously opts for a nasty anal. Aussie import Elizabeth Lawrence and perky Asian sex fiend Kitty get fucked side-by-side, right down to the simultaneous double facial. You're damn right it's *Not Just Another 8 Teen Movie.*

—J.P.

Dirty Little Cheaters

Directed by James Avalon.
Starring Katie Morgan, Honey, Alana Evans, Celine Maxirna, Brittany Skye, Mandy Malone, Becca Bratt, Malorie Marx, Rafe, Nikko Night and Richard Kranium.
Videocassette: Metro Inc.

While drilling ditsy blonde Katie Morgan from behind, married mook Nikko Night begins to wonder if his wife is sleeping around too, launching *Dirty Little Cheaters* into a series of twisted turns. A hidden camera catches Nikko's better half—fit and flexible minx Alana Evans—sucking and fucking the grocery boy, but Alana knows she's being taped and vows revenge. A raunchy trio of coeds—Brittany Skye, Honey and Mandy Malone—come to Nikko's door selling cookies but let him feast on their vaginal treats instead. They drool all over his cock and line up for a ball-slapping that makes demure Brittany growl like a hellhound. Having caught each other, Nikko and Alana make up with a kinky office tryst, but don't shoot your wad just yet. Nikko tapes a scorching threesome with to-die-for legal teens Becca Bratt and Malorie Marx that single-handedly makes *Dirty Little Cheaters* a must-see stroke flick. **—J.P.**

Sinful Creations

Directed by Robby D.
Starring Alexa Rae, Monica, Angel Cassidy, Laurie Wallace, Jewels Jade, Jay Ashley, Jesse V., Joel Lawrence, Val Pacino and Brent Rider.
Videocassette: Digital Playground.

Did you ever see the *Twilight Zone* episode with the playwright who could bring his characters to life with the help of a tape recorder? Porn director Robby D. sure did, and in *Sinful Creations* he makes a XXX version that capitalizes on that episode's kinky possibilities. Busty brunette Alexa Rae is a perfect ten as the slutty French maid. Monica's mesmerizing solo shower scene goes nowhere, but who cares? Watching the untouched honey play with her 36D hooters for 15 minutes would only be ruined by the presence of man-ass. Angel Cassidy and Laurie Wallace's blistering, blonde-on-blonde lesbo scene is so hot that the cameraman periodically wanders back to their ongoing shag for the rest of the feature. Bleach-blond Jesse V. delivers the nut-wrenching grand finale in a star-making role. *Sinful Creations* even ends with a Rod Serling-worthy twist, making for an excellent XXX homage to a classic moment in sci-fi television.

—J.P.

Gonzomania

Directed by Jake Malone.
Starring Summer Luv, Diamond, Saphire Rae, Natalia Wood, Ashley Moore, Jasmine Lynn, Manuel Ferrara, Jay Ashley and Jake Malone.
Videocassette: Elegant Angel.

Gonzomania marks the video debut of HUSTLER *Beaver Hunt* 2002 Grand Prize winner Andora. Working under the *nom de poon* Natalia Wood, the brunet stunner dives right into the deep end of the porn pool in a performance loaded with choking, gagging, slapping and ass-rimming. Despite the tears in her eyes, the first-time porn star gets off easy compared to what seasoned ginches like Ashley Moore and Jasmine Lynn endure. Jasmine is blindfolded, gagged and diapered with a red cloth before having her ass completely raided. Ashley's mouth is held wide open by a sadistic-looking metal device as the gorgeous blonde blindly crawls around on all fours. After whipping her with a riding crop and using her face as toilet paper, Ashley's tormentor stretches her nipples by hooking the blade of his pocketknife through her piercings. Squeamish video renters should steer clear of *Gonzomania*—assuming the sickos haven't already snatched it up. **—J.P.**

Gonzomania: *Saphire Rae falls for the "open your mouth and close your eyes" gag.*

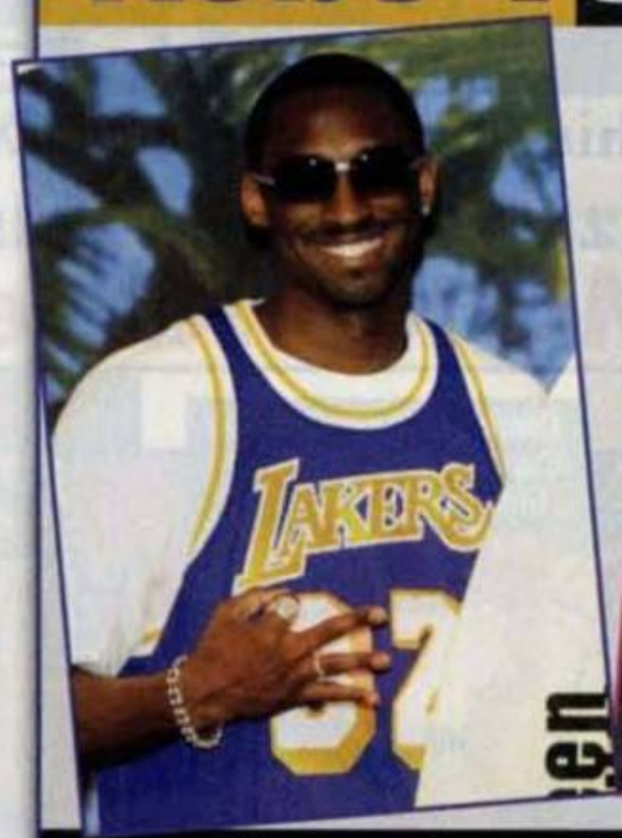
Sinful Creations: *Jewels Jade experiences a Silkwood moment.*

Dirty Little Cheaters: *Katie Morgan, in the process of making her parents very proud.*

Not Just Another 8 Teen Movie: *Cassie knows that four out of five dentists recommend spunk as a teeth whitener.*

Gonzomania: *The oral exam at the dentist's office was not quite what Ashley had anticipated.*

Kobe vs. Kobe



A Side-by-Side Analysis

With the impending media circus that's sure to engulf the Kobe Bryant sexual-assault trial, there's bound to be some confusion among the public. Some might even mistake Asian-American porn star Kobe Tai for the Los Angeles Lakers's golden child. We've thoughtfully compiled the following guide in an effort to minimize mix-ups.

Kobe Bryant: Charges entry to see him play
Kobe Tai: Charges for playful entry

Kobe Bryant: Takes the rock to the rack
Kobe Tai: Has gotten rocks off on her rack

Kobe Bryant: Likes to bang away threes
Kobe Tai: Enjoys the occasional threeway bang

Kobe Bryant: Never rides the bench
Kobe Tai: Has been ridden while on a bench

Kobe Bryant: Swallows his pride
Kobe Tai: Swallows *with* pride

Kobe Bryant: Dribbles the ball well
Kobe Tai: Dribbles well on balls

Kobe Bryant: Had adulterous sex in a hotel
Kobe Tai: Starred in a film entitled *Motel Sex*

Kobe Bryant: Tears up waxed courts
Kobe Tai: Tears up waxed cunts

Kobe Bryant: Takes it to the hole
Kobe Tai: Takes it in her holes

Kobe Bryant: Former pitchman for chocolate spread Nutella
Kobe Tai: Has spread for chocolate woodsman Sean Michaels

ROCK in a HARD PLACE

This month's guest XXX reviewer: Lizzy Borden Bass Player Marten Andersson!

Grrl Power #15: *For Jessica Darlin, a hard cock is just another accessory.*

Spit Shined: *Julie: "Watch it, you assholes. Your cum is totally smearing my makeup!"*

Chick Flick #3: *Cameron Cain, Karen and Honey: "Gimme a W!"*

Spit Shined

Directed by Brandon Iron.
Starring Mandy Lee, Tina Crystal, Daphnye, Leslie Taylor, Choky Ice, Layla Rivera, Julie Night, Manuel Ferrara, Nacho Vidal, Michael Stefano and Brandon Iron.
DVD: Platinum X Pictures.

Spit Shined opens with Mandy Lee and Manuel Ferrara involved in a shoe-shining frenzy. She polishes and licks his shoes as if it were the greatest pleasure she's had in her life. After finishing the shoes, they move on to some intense fucking and nasty sucking on Manuel's toes before he shoots a profuse wad in Mandy's waiting face. Another scene finds Tina Crystal playing with Leslie Taylor. Look for hot pussy-licking action and zipper-busting blowjobs. These are the kind of girls we love to have on our tour bus. Michael Stefano and Brandon Iron fuck the shit out of Julie Night. As they plow into her pooper, pussy and mouth, the lads spank her ass for good measure. *Spit Shined* definitely has its moments; it's filled with messy blowjobs, good close-ups, cum loads into wide-open mouths, twat-licking, anal scenes and pussy ramming. After watching *Spit Shined*, I'm ready to get my shoes polished—and by "shoes," I mean cock. **—Marten Andersson**

Chick Flick #3

Directed by Pat Myne.
Starring Charmane Star, Tawny Roberts, Dee Kaylynn, Britney Foster, Karen, Jackie More, Sky Taylor, Cameron Cain, Honey, Pat Myne, Dillon and Lee Stone.
DVD: Legend Video.

The first half of *Chick Flick #3* drags on without any really hot action. The combination of bad lighting, bad camera angles, sound and the girls being slightly out of sync with one another really didn't do it for me. The second half, thankfully, gains momentum. The third scene shows two girls in the kitchen plugging each other with an ever-so-cool rabbit dildo. Gotta love that! The scene ends with a bit of shoe-fucking and toe-sucking, which is always interesting. The final vignette is my favorite. It starts out a little slow, with some overdone strap-on sucking, but these are beautiful girls (Jackie More, Cameron Cain and Sky Taylor) who seem to be really enjoying themselves. The threesome ends with the babes licking each other's pussies as if they were the tastiest tuna tacos they'd ever had. The big drawback of *Chick Flick #3* is that some of the chicks have warts or nasty razor burns. Perhaps the casting call was held at the free clinic. **—M.A.**

Grrl Power #15

Directed by Andre Madness.
Starring Ander Page, Boo, Renee Pornero, Jessica Darlin, Stefany Mays, Brandon Iron, Trevor Zen, Talon, Jay Ashley and Lee Stone.
DVD: Kick Ass Pictures.

In the first of this collection of vignettes, Ander Page is a hot little brunette with nice tits whose boyfriend is in jail; so she naturally fucks a bail bondsman to get him out. It takes a little too long to get down to business, but the wait is tolerable since Page is such a ball-swelling babe. Another scene should be subtitled "Britney Spears Meets Jason." Renee Pornero, in disguise, wears a hockey mask and surprises sexy schoolgirl Jessica Darlin. I expected steamy, slam-her-against-the-wall, rough fucking but was ultimately disappointed. In a doctor's office, Stefany Mays looks like she was just dragged behind a bus and is waiting for medical attention. However, the roughed-up trollop really knows her way around huge cock. My only other complaint is that it would have been nice to see raven-haired, European fuck slut Renee Pornero getting her cooch pummeled a couple more times. **—M.A.**

DOCTOR DISCOVERS PILL TO ENLARGE YOUR PENIS!

PRO+PLUS PILLS WILL WORK FOR YOU!
WE OFFER A 100% MONEY BACK GUARANTEE!!

No Pumps, Exercises or Prescription!
Doctor Approved Pill Will Enlarge Your Penis up to 4 Inches!

"This pill really works. I am now a harder 9 inches, which makes me feel good about myself. Besides wanting to be bigger, I always got soft to soon. Now that doesn't happen anymore. I'm hard like a rock from start to finish. I don't stop until she says 'you are terrific' and cums right along with me." -JS, Ohio

You Will Have These Penis Gains In A Few Weeks!

Just imagine when your sex partner sees how thick and long and hard you are. How about when men will gasp with envy the first time they see the new you in a locker room, shower or gym. Your larger penis will give you the confidence to meet the challenge of any woman. Penetrate deeper and see just how much greater satisfaction your sex partner will have. You will feel in total command because now any possibility of going soft, and premature ejaculation will be eliminated with your new rock hard much larger penis.

HOW DOES PRO+PLUS PILLS ENLARGE YOUR PENIS?

The corpa cavernosa are the two spongy bodies of erectile tissue on either side of the penis. An erection is caused by blood filling the erectile tissues. But what if the erectile tissues were made larger? What if you could somehow expand the size of the erectile tissues? Then of course the erectile tissues would hold more blood and you would have a significantly larger penis. Blow up a balloon with more air and you have a larger balloon. Fill the erectile tissues with more blood and you have a larger penis. Without any effort on you part, without any exercising, pumping or stretching, PRO+PLUS PILLS will expand the erectile tissues longer and wider and fill the erectile tissues with a larger supply of blood so that your penis will gain up to 4 inches in what has been described as a miracle. **You can make that miracle happen.** You can have the penis size you always dreamed of with the PRO+PLUS PILL and we GUARANTEE IT!

IS YOUR PENIS SIZE AVERAGE?

You probably have heard or read somewhere the average penis size is about 6 inches. If your penis is 6 inches and you want to be average then don't read any further. But if your not satisfied with an average or less then average size penis, the PRO+PLUS PILLS will help you grow up to 4 inches and it is perfectly safe and it is your secret because you can take the PRO+PLUS PILLS without anyone knowing that you are taking it.

HOW LONG WILL IT TAKE TO ENLARGE YOUR PENIS?

In a couple of weeks the most noticeable change will be the width of your penis and longer lasting erections. Then after a month or two you will see a change in the length of your penis and again you will notice a thicker and wider penis. As you stand in front of a mirror you will be amazed even without an erection how your penis wil 'hang' longer and thicker. After the third month when you have an erection you will see a very noticeable change. Not just in size but your penis will look firmer, stronger then you ever dreamed possible. **No pill sold anywhere can give you the maximum potential you want in two months.** Why settle for less when you can have much more. You need **three to four months** to grow to your maximum potential and we offer special prices for a three or four months supply with a **100% MONEY BACK GUARANTEE AND FREE OFFER!**

WHAT EXACTLY IS THE PRO+PLUS PILLS?

Discovered by Dr. Dmitri Zorken and his research team PRO+PLUS PILLS is a powerful natural herbal penis enlargement formula that increases penis size, stronger erections and maintains your sexual virility. Combining the formulations of the type of herbs found in many parts of the world that can enlarge the penis erectile tissues. We also included some of the same type of herbs found in Polynesia where the men of the Mangaian tribe have sex on the average of 3 times a night, every night. While this is not what you may wish, it is nice to know your sexual performance can improve substantially.

HOW BIG IS BIG AND HOW MUCH DO YOU NEED TO SATISFY YOUR PARTNER?

Consider the difference between a 7, 8 or 9 inch penis that is thicker and a penis that is 4 to 6 inches and narrower. With a larger penis you penetrate more sensitive areas of the woman. Your longer penis probes deeper searching those special nerve endings. The added width to your penis fills and presses her from side to side to give your partner the most exhilarating sensations. **It is possible for you to reach the most sensitive area of all, a woman's G-spot.** These sensations will produce for a woman the ultimate multiple orgasms. At the same time because you are reaching a woman's most sensitive areas with your larger penis you will receive more pleasure to your sensitive nerve endings. Just knowing you are giving your partner this pleasurable experience will certainly give you the added confidence of being a better lover.

WHAT WILL THE PRO+PLUS PILLS DO FOR ME?

- A longer, thicker penis. Penis Enlargement up to 4 inches or more
- A longer, thicker penis even when you are not hard. Because there is more blood flow to the penis, your penis 'hangs' larger all day.
- You will have bigger, harder erections. Because of increased blood flow your erections grow harder.
- Erections when you want them. Rock hard erections every time. No more problems because you can't get it up and keep it up. PRO+PLUS PILLS will keep the blood flowing to your penis so you will always get hard and stay hard.
- Stronger and more intense orgasms
- Stop premature ejaculations
- Safely enhance the size of your penis.

WILL THE PENIS ENLARGEMENT BE PERMANENT?

Yes it is and you control the growth because once you reach your optimum size you could stop taking PRO+PLUS PILLS for Penis Enlargement. We say you could stop taking the PRO+PLUS PILLS because it is not necessary to be larger then 9 or 10 inches. Most women can only comfortably accommodate a 9 or 10 inch penis. Anything larger then that may be too large for most woman. Nine inches or more than 9 inches, the choice is yours.

DUAL ACTION EXCLUSIVE FEATURES!

Penis Enlargement and Continued Sexual Health!
Take PRO+PILLS first for Penis Enlargement to reach your optimum size. After that continue taking only one PRO+PILL daily to improve your sexual health, feel younger, increase sexual desire, gain more stamina and greater sexual pleasure. You can also take 2 PRO+PLUS PILLS before sex for the strongest, hardest erection you will ever have.

OUR OTHER SCIENTIFIC MIRACLE PILL!

PEARL+PLUS PILLS are guaranteed to sexually stimulate women of all ages. For increased blood flow, sexual enjoyment and intensify orgasms. Sexual sensitivity is produced by blood flow into the clitoris, labia and vagina. Only $60.00 or FREE WITH ANY ORDER OF 3 OR MORE BOTTLES OF PRO+PLUS PILLS.

Order PRO+PLUS PILLS now.
Only $60 for one bottle or 1 months supply. $120 for 3 bottles or 3 months supply. **FREE!** Order 3 bottles or more and choose 1 FREE bottle of Pro+Plus Pills or choose 1 FREE bottle of Pearl+Plus Pills. You will get results within the first month and you will reach your optimum size in 3 to 4 months. Many of our customers continue taking Pro+Plus Pills to maintain good health and rock hard erections. Add $40 for extra bottles. Any future orders are $40 for each bottle. We never automatically ship more bottles to you and bill your credit card unless you re-order.

OUR 100% MONEY BACK GUARANTEE

If for any reason you are not completely satisfied return the bottle(s) within 2 months and receive a full 100% refund including shipping. Why do we make this incredible guarantee? Because every thing we say here is true and we know you will be satisfied with PRO+PLUS PILLS.
IMPORTANT: Because of the success of PRO+PLUS PILLS there are many imitations. If you do not see a **100% MONEY BACK GUARANTEE** then you **DO NOT** have a money back guarantee. We Offer a **100% MONEY BACK GUARANTEE.** Do you trust buying penis enlargement pills from a pharmacy or drugstore or from our research company PLUS MEDICAL an International Company in business for over 30 years.

HUSTLER PLATINUM
PREMIUM HARDCORE FOR THE VIDEO CONNOISSEUR!
HAPPY BIRTHDAY - A hardcore feature brimming with over 2 hours and 45 minutes of raw sex and hot babes that are on every stroker's wish list. Holidays only come once a year; with Happy Birthday, every day is a pussy party.
BRAZILIAN SNAKE - A full-length XXX feature jam-packed with action, intrigue and balls-to-the-wall screwing. Watch out. There's no antidote to the toxic arousal these drop-dead gorgeous fuckers will inject.
ARSENIC - Lust and murder make a volatile mix in Arsenic. Director Pierre Woodman takes you to the well-heeled suburbs of Paris in this hardcore thriller. Anal action and aggressive fucks ooze from every frame of this big-budget XXX romp. If tepid smut bores you, Arsenic is the cure.
BRAZILIAN SNAKE #2 - The action-packed conclusion of Woodman's two-part XXX thriller. Return to Rio de Janiero where this twisted tale of crime, betrayal and carnal fireworks comes to a head.

ALBERT O'CONNER, M.D.

HIS ALPHA MALE PLUS CAPSULE WILL MAKE YOU A WORTHY RIVAL TO THIS WORLD CHAMPION STUD!

MEET THE WORLD'S #1 UNDISPUTED CHAMPION SEX STUD!

HE HAS THE SIZE, DESIRE AND STAYING POWER TO PERFORM UP TO 20 TIMES IN A SINGLE DAY!

LET THE EXTRACTED HORMONES FROM NATURE'S NUMBER ONE STUD TRANSFORM YOU INTO A NON-STOP SEX DYNAMO!

Deep in Canada's barren north, just below the Arctic circle, lives an animal scientists believe to be *the most prolific lover in the entire animal kingdom bar none!* During the fall rutting season, the male **Wapiti Elk** (cervus elaphus) is blessed with a hormonal structure that allows him to give world class multiple sex performances as little as three minutes apart – *and do this as many as 20 times a day!*

Now imagine that you might safely infuse yourself with the hormones behind this incredibly virile creature's sexual abilities. You'd find yourself filled to the brim with a raw, urgent sex drive. You'd find yourself performing like a super sex machine with unbelievable renewed stamina. You'd discover the ability to rapidly rejuvenate yourself after sex, producing yet another giant, full-blooded erection, roaring to go again – and then again! *The fact is, you'd be having non-stop sex until she's reduced to begging for release from this endless, virtually unbearable ecstasy.*

INTRODUCING THE DOCTOR'S MAGIC "RED BULLET" – THE AMAZING ALPHA MALE PLUS!

Here's a report from **Physician's Clinical Journal for Sexual Wellness & Performance** (quarterly newsletter for the medical profession):

"... the clinical data from Dr. Fisher's study strongly suggests that even small doses of hormonal extracts taken from the Wapiti Elk can potentially increase testosterone levels up to 500% and transform almost any "average" man into a sexually dominant alpha male complete with supercharged libido, ultra-fast recovery time, increased stamina... to potentially satisfy one's partner(s) as many as ten to twenty times in a single day..."

DOCTOR DISCOVERS PATIENTS' SEX RESPONSES ROCKET RIGHT OFF THE CHART!

The genius behind **ALPHA MALE PLUS** is acclaimed urologist **Albert O'Conner, M.D.**, both professor of medicine and Chief of Medical Education. He is also Chief of Urology as well as a member of his hospital's board of directors. **Dr. O'Conner** read about Dr. Brian Fisher's study of the effects of **Wapiti Elk Extract**, but he was skeptical and decided to run his own study using some of his sexually dysfunctional patients as subjects. *There was simply no way he could have predicted the dramatic results!* Many of these patients were transformed into stud volcanos, filled to the brim with intense, concentrated boiling hot sexual energy ready to explode! They reported that their pent up passion erupted into an avalanche of all-consuming sex – and then was replenished rapidly over and over again – all night long and for night after night.

JUST ONE CAPSULE A DAY FOR THE STRONGEST SEX DRIVE IN THE WORLD!

Until you experience the power of **ALPHA MALE PLUS** for yourself, you may not fully believe that men are quite capable of having almost non-stop sex and can experience the male equivalent and intense euphoric pleasure associated with multiple orgasms. By safely combining the **Wapiti Elk Extract** with other nutrients, **Dr. O'Conner** has created a revolutionary formula able to turn almost any average man into a virtual super-stud overnight.

The **Wapiti Elk Extract** found in **ALPHA MALE PLUS** not only increases the amount of testosterone in the body by up to 500%, it allows for fast and full rejuvenation so that more sex is not only possible, but likely. See the chart below to see how the normal recovery time between an average middle-aged adult male's recovery time after sex (not taking **ALPHA MALE PLUS**) compares to an average middle-aged Wapiti Elk.

POTENTIAL FOR FIRST REPEAT SEXUAL PERFORMANCE	
Average Middle-Aged Male	2-1/2 hours
Average Middle-Aged Wapiti Elk	3 minutes
POTENTIAL FOR THIRD REPEAT SEXUAL PERFORMANCE	
Average Middle-Aged Male	6 to 15 hours
Average Middle-Aged Wapiti Elk	5 to 9 minutes

LONG-TERM RESULT:
Dramatic increase in frequency and duration of sex as recovery time greatly diminishes and erections stay rock hard. Stronger desire, stamina and ability to perform with thick, full, long-lasting erections means more satisfying and intense intimate pleasure for both partners again and again.

IT WORKS AND NOTHING ELSE CAN COMPARE!

If you truly desire giant, rock hard erections; if you want to dramatically increase your staying power and performance in the bedroom; if you would like to be able to experience non-stop sex and satisfy your lover over and over again, then *you need to order your own supply of* **ALPHA MALE PLUS** *today!*

See for yourself what thousands of satisfied men (and their lovers) have already discovered: **ALPHA MALE PLUS** has skyrocketed to become the world's #1 bestselling male hormonal stimulant and growth formula for one very simple reason – ***IT WORKS AND NOTHING ELSE CAN COMPARE!*** Best of all, even though the proprietary, all-natural formula in **ALPHA MALE PLUS** is medical doctor designed and endorsed, absolutely no prescription is necessary.

EXCLUSIVE OFFER! BUY ONE GET ONE FREE!

Need another reason to try **ALPHA MALE PLUS**? *How about 50% OFF our regular price!* **ALPHA MALE PLUS** normally retails for $59.95 for a 30-day supply, but if you order now we'll include a second month's supply ***ABSOLUTELY FREE!*** *Imagine being able to benefit from the incredible sexual power of Nature's World Champion Super-Stud for less than $1 per day!*

WHAT RESULTS CAN YOU EXPECT?

Take one of **Dr. O'Conner's ALPHA MALE PLUS** capsules with pure **Wapiti Elk Extract** daily and you'll:

- *Increase testosterone levels up to 500%*
- *Increase penis size by 2 to 3 inches*
- *Maintain huge rock hard erections for hours*
- *Dramatically improve sexual stamina*
- *Develop super self-confidence*
- *Have great sex up to 20 times day and night*
- *Satisfy your lover like never before*

ALPHA MALE PLUS... PURE MANPOWER IN A CAPSULE!

HOW DOES IT WORK?

The active ingredients in **Dr. O'Conner's ALPHA MALE PLUS Formula** with **Wapiti Elk Extract** have been scientifically designed to facilitate three desirable bio-chemical objectives for peak male sexual performance.

1. Primary Objective:
To dramatically increase the active amount of the male hormone testosterone.

2. Secondary Objective:
To maximize blood flow to the male sex organ for longer, stronger erectile growth.

3. Continuous Reinforced Objective:
To quickly replenish the body's internal reservoir of testosterone after climax to perform full and satisfying sexual intercourse again and again.

Each Additional Bottle #2700AB $14.95

- TAKE YOUR SEX DRIVE TO NEW LEVELS!
- INCREASE SEXUAL PERFORMANCE!
- BURN FAT AND BUILD MUSCLE!
- BE STRONGER & HAVE MORE ENERGY!

Testosterone is the key to explosive sex and stronger muscles! Testosterone, quite simply, is the hormone that makes you a man!

As men age testosterone levels drop. It is incredibly important to maintain testosterone levels for you to be the healthier, stronger, more potent man you've always wanted to be!

YOHIMBE Has been used for years as a hormone stimulant to help increase libido and bloodflow to erectile tissues. WITH INCREASED BLOODFLOW YOUR ERECTIONS CAN BE STRONGER AND HARDER. YOHIMBE HAS BEEN KNOWN TO INCREASE TESTOSTERONE LEVELS!

CATUABA A powerful ingredient which has been discovered to be excellent for the male reproductive organs and helps to increase circulation!

MA HUANG Used in China for hundreds of years, as an overall health stimulator. Ma Huang is a wonderful fat burner.

PUMPKIN SEED EXTRACT Your prostate produces prostatic fluid, which is the largest part of the male ejaculate. Prostatic fluid also nourishes and transports the sperm. Pumpkin Seed Oil is known to promote prostate health. WHICH MEANS YOU MAY HAVE INCREASED EJACULATE WITH MORE POWERFUL FLOW!

HORNY GOAT WEED It's stimulating effects have been praised on radio and television! Horny Goat Weed has been known to promote a healthier, stronger libido, and can give you a more enhanced sex drive, and has often been used to promote sexual health!

UNLEASH THE FLOOD!
with the sex power pill for men!

ORGASMA+

THE LOW COST VIAGRA ALTERNATIVE
SUPER SEX BREAKTHROUGH

BE HARDER & LAST LONGER!
INCREASE THE SIZE OF YOUR ERECTIONS!
GAIN CONFIDENCE IN THE BEDROOM!

THERE IS NO NEED TO SUFFER WITH PENILE DYSFUNCTION!
Penile dysfunction is common among many men and many times is easily remedied. Oral V, whether in spray or NEW! tablet form, has been known to help combat sexual irregularities in men.

INCREASE THE SIZE OF YOUR ERECTIONS!
Oral V contains ingredients that aid in raising testosterone levels and help in increasing blood flow. Increased blood flow can mean greater, more powerful erections and more pleasure for you and your partner!

ORAL V CONTAINS EPIMEDIUM SAGITTATUM, BETTER KNOWN AS HORNY GOAT WEED!
Epimedium has been used for years in China and has been known to increase the production of sperm, fill the testes and thus, stimulate the sensory nerves, which in turn can promote sexual desire! In China, the original name for Horny Goat Weed can be translated into "the herb for the man who likes sex two times!"

BE THE MAN IN THE BEDROOM!
Greater sexual performance means sex will not be the embarrassing ordeal it has become! Please her and be the man you were meant to be!

#07 PUMPER'S LUBE
A non-petroleum formula, that is safe to use with any pump's seal, including those made of rubber, vinyl and latex. Use with the European Growth System for MAXIMUM POWER!

#08 QUICK RELEASE RING
After using the all new European Penile Growth System, the Quick Release Ring will keep the tissues in your penis filled with blood, helping you maintain your arousal and increasing yours and your lovers pleasure! Make sure you get one.

#09 HOW TO ENLARGE YOUR PENIS-BOOK
This book contains tips and techniques proven to help you reach your growth potential. With this book you will unlock the secrets that will give you the confidence that you deserve.

YOU CAN INCREASE THE SIZE OF YOUR PENIS BY USING THE NEW EUROPEAN PENIS GROWTH SYSTEM AND THE RESULTS MAY SURPRISE YOU!

Dr. Joel Kaplan, a diplomat at the American Board of Sexology in Washington, D.C., states "When the first penile vacuum pump cylinder is placed around your penis, blood rushes into the muscle portion of your penis. The muscle tissue responds to the maximum, breaks down, and then rebuilds into larger and stronger muscles, similar to body-building."

Surgeries are costly and dangerous! Cock rings are temporary! The New European Growth System is the only answer when it comes to penis enlargement and maximum stimulation! Don't spend another night with a small dick! Act today & be big tomorrow!

#10 GET THE COMPLETE EUROPEAN GROWTH SYSTEM with Lube, the Book, the cock ring and video for only $59.85 #CMB201

REAL DOCTORS, REAL SCIENCE, REAL RESULTS!

DOES THE SIZE OF YOUR PENIS MATTER TO YOUR LOVER?

MORE THAN YOU CAN POSSIBLY IMAGINE,

but the Penis Enlargement Method you choose matters even more!

PENIS ENLARGEMENT BREAKTHROUGH

MAGNA-RX+ Penis Enlargement System is absolutely the easiest and fastest doctor-recommended way to add 2", 3", even 5" of pure manhood to satisfy your lover like never before! In just a few short weeks, you'll be amazed as you watch your penis grow into the biggest, thickest, hardest one she's ever had, and the one she'll remember forever and ever! No penis enlargement system or pill is easier to use, works faster, or is more effective than the ***MAGNA-RX+*** Penis Enlargement Formula – GUARANTEED!

THE DOCTOR BEHIND *MAGNA-RX+*

The genius behind ***MAGNA-RX+*** is Dr. George Aguilar, MD, a Board Certified Urologist who has treated over 70,000 patients with erectile problems. He is a member of both the College of Urology and the Society of Urology, and the director of 46 urologists. He is also past-president of his State Society of Urologists. Over 7 years of research and testing, Dr. Aguilar made the amazing discovery that is now known as ***MAGNA-RX+:*** a powerful, 100% natural, Penis Enlargement Formula.

By using this proven formula daily, his patients dramatically increased their penis size by 2", 3", even 5" in only a few short weeks. And, best of all, ***MAGNA-RX+'s*** breakthrough herbal formula is 100% natural and safe, with no known side effects. There is absolutely no prescription necessary.

Individual results may vary. These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

ORGASMIC THRUST ACTIVATION

Only ***MAGNA-RX+*** pills contain the exclusive, trademarked **Orgasmic Thrust Activation** process. This factor alone would make ***MAGNA-RX+*** the most powerful **Penis Enlargement Formula** available at any price. Not only do men report amazing increases in penis length and thickness, but they are also equally delighted by the sheer intensity and concentrated power of their orgasms ***(as are their very satisfied lovers)!***

MAGNA-RX+: THE WORLD'S #1 PENIS ENLARGEMENT FORMULA *& STILL GROWING!*

In the past 12 months, demand for ***MAGNA-RX+*** has exploded worldwide as word of mouth spreads about what many medical experts have called the world's most powerful **Penis Enlargement Formula.** In one of this country's state-of-the-art pharmaceutical laboratories, under Dr. Aguilar's unwavering direction, a dedicated team of biochemists has meticulously worked around the clock to produce enough of ***MAGNA-RX+'s*** proprietary, all-natural botanical formula for men, just like yourself, who want a bigger, thicker, more energetic penis fast!

NOTHING ELSE TO BUY EVER AGAIN!

The ***MAGNA-RX+*** **Formula** is so powerful, so effective, so complete, we 100% guarantee that you will **NEVER** have to purchase any more than the 60-day supply included in this special offer. We could easily make ***MAGNA-RX+*** much weaker and then ask to automatically re-bill your credit card each month for the next 2 months, like some companies do. We focus on getting the best results, as quickly as possible. That is the secret of our success! With the ***MAGNA-RX+*** **System, *you can skyrocket 2", 3", even 5" in 60 days or less – with nothing else to buy ever again.***

WHAT RESULTS CAN YOU EXPECT?

Use the ***MAGNA-RX+*** **Penis Enlargement Formula** daily for 3-5 weeks (one potent pill a day is all you need), and:

- **You'll increase your penis size by 2 to 5 full inches**
- **Your penis will be thicker and fuller**
- **Your confidence level & self-esteem will soar**
- **You'll satisfy your lover like never before**

BUY 1, GET 1 FREE ($60 SAVINGS!)

If you're ready to become the biggest man you can be, then order your supply of ***MAGNA-RX+*** today. See for yourself, what thousands of satisfied men (and their lovers) have already discovered: ***MAGNA-RX+*** is the world's #1 best-selling **Penis Enlargement Formula** for one very simple reason: **IT WORKS & NOTHING ELSE CAN COMPARE!**

Need another reason to try ***MAGNA-RX+***? ***How about 50% OFF our regular price!*** ***MAGNA-RX+*** normally retails for $59.95 for a 30-day supply, but if you order now, ***we'll include a second month's supply absolutely FREE!*** Imagine being able to increase your penis size up to 5 full inches for less than a $1.00 a day!

WHAT SOME OF OUR SATISFIED CLIENTS HAVE TO SAY:

"I've been using your product for 2 months now. I've increased my length from 6" to nearly 8-1/2". Your product has helped me give a little extra to the love in my life." –W.B., Washington, D.C.

"I was amazed at how effective it was at increasing length and girth from 5" to 6-1/2" in just 3 weeks!!! Feel free to use this letter in your future advertisements." –V.W., Illinois

"My girlfriend loves the results, but she doesn't know what I do. She thinks it's natural, so help me!" –T.M., Oklahoma

"I'm too shy to tell the whole world, but I don't mind telling you that... I went from 3-1/2" to 6". I'm trying for even more." –R.C., South Carolina

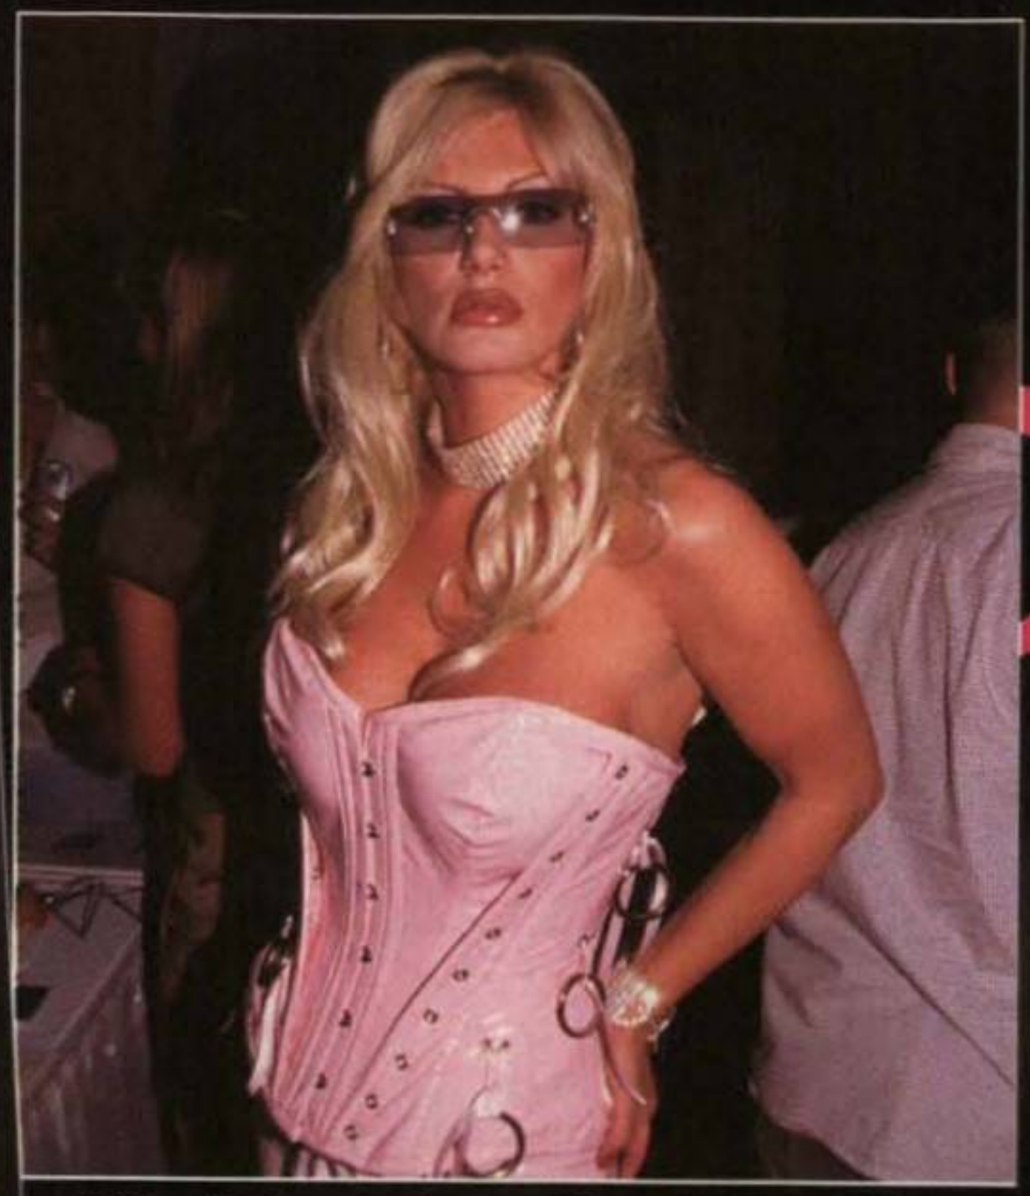
HUSTLER'S Porn-Fashion Roundup

At this year's Erotica L.A. convention, porn starlets demonstrated why they are paid to take their clothes *off*.

★ Report by Giddle Partridge / Photography by J.R. Reynolds

"She wears short shorts." Carmen "ass-cessorize this!" Luvana flashes a smile and a little cheek for the cameras.



Brittany Andrews lets the world know that some girls are pink and shiny on the outside as well. Of corset's pink; so are the matching pants with trash bag drawstrings.

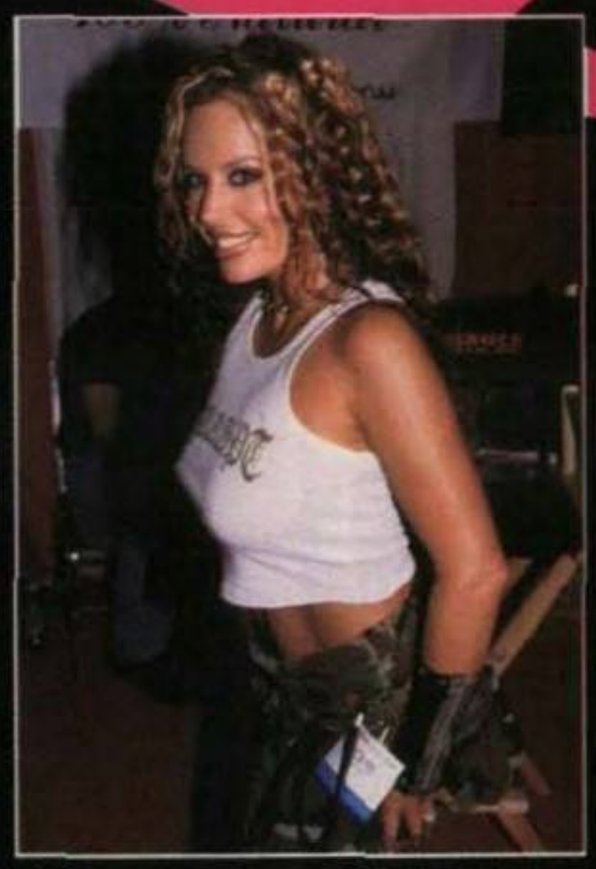
According to our poll, 64% believe Mika Tan is signaling that she can take four cocks in her mouth at once, 34% feel she is interested in a *ménage à quatre*, and only 2% think she's saying, "Give peace a chance." Regardless, Mika's a culture clash from head to toe. Give the belt back to Gallup, New Mexico, but keep the penis necklace.

Ooh la la. Oui, Paris Hilton with a bust! Demure sex kitten Angel Cassidy uses a minimalistic approach with a black beret and a Victoria's Secret-style matching bra-and-panty set. We surrender!

Not only did Ander Pace proudly survive a blast of Rodney Moore's cum on the rocks, she apparently survived a '70s roller-disco party as well. That's what watching *Boogie Nights* too many times can do to a gal.

Rebecca "easy access" Love, all hillbillied out and ready for a good roll in the hay. Pure barnyard trailer trash at its finest. Looks like Daisy Duke just did Dallas—all of it.

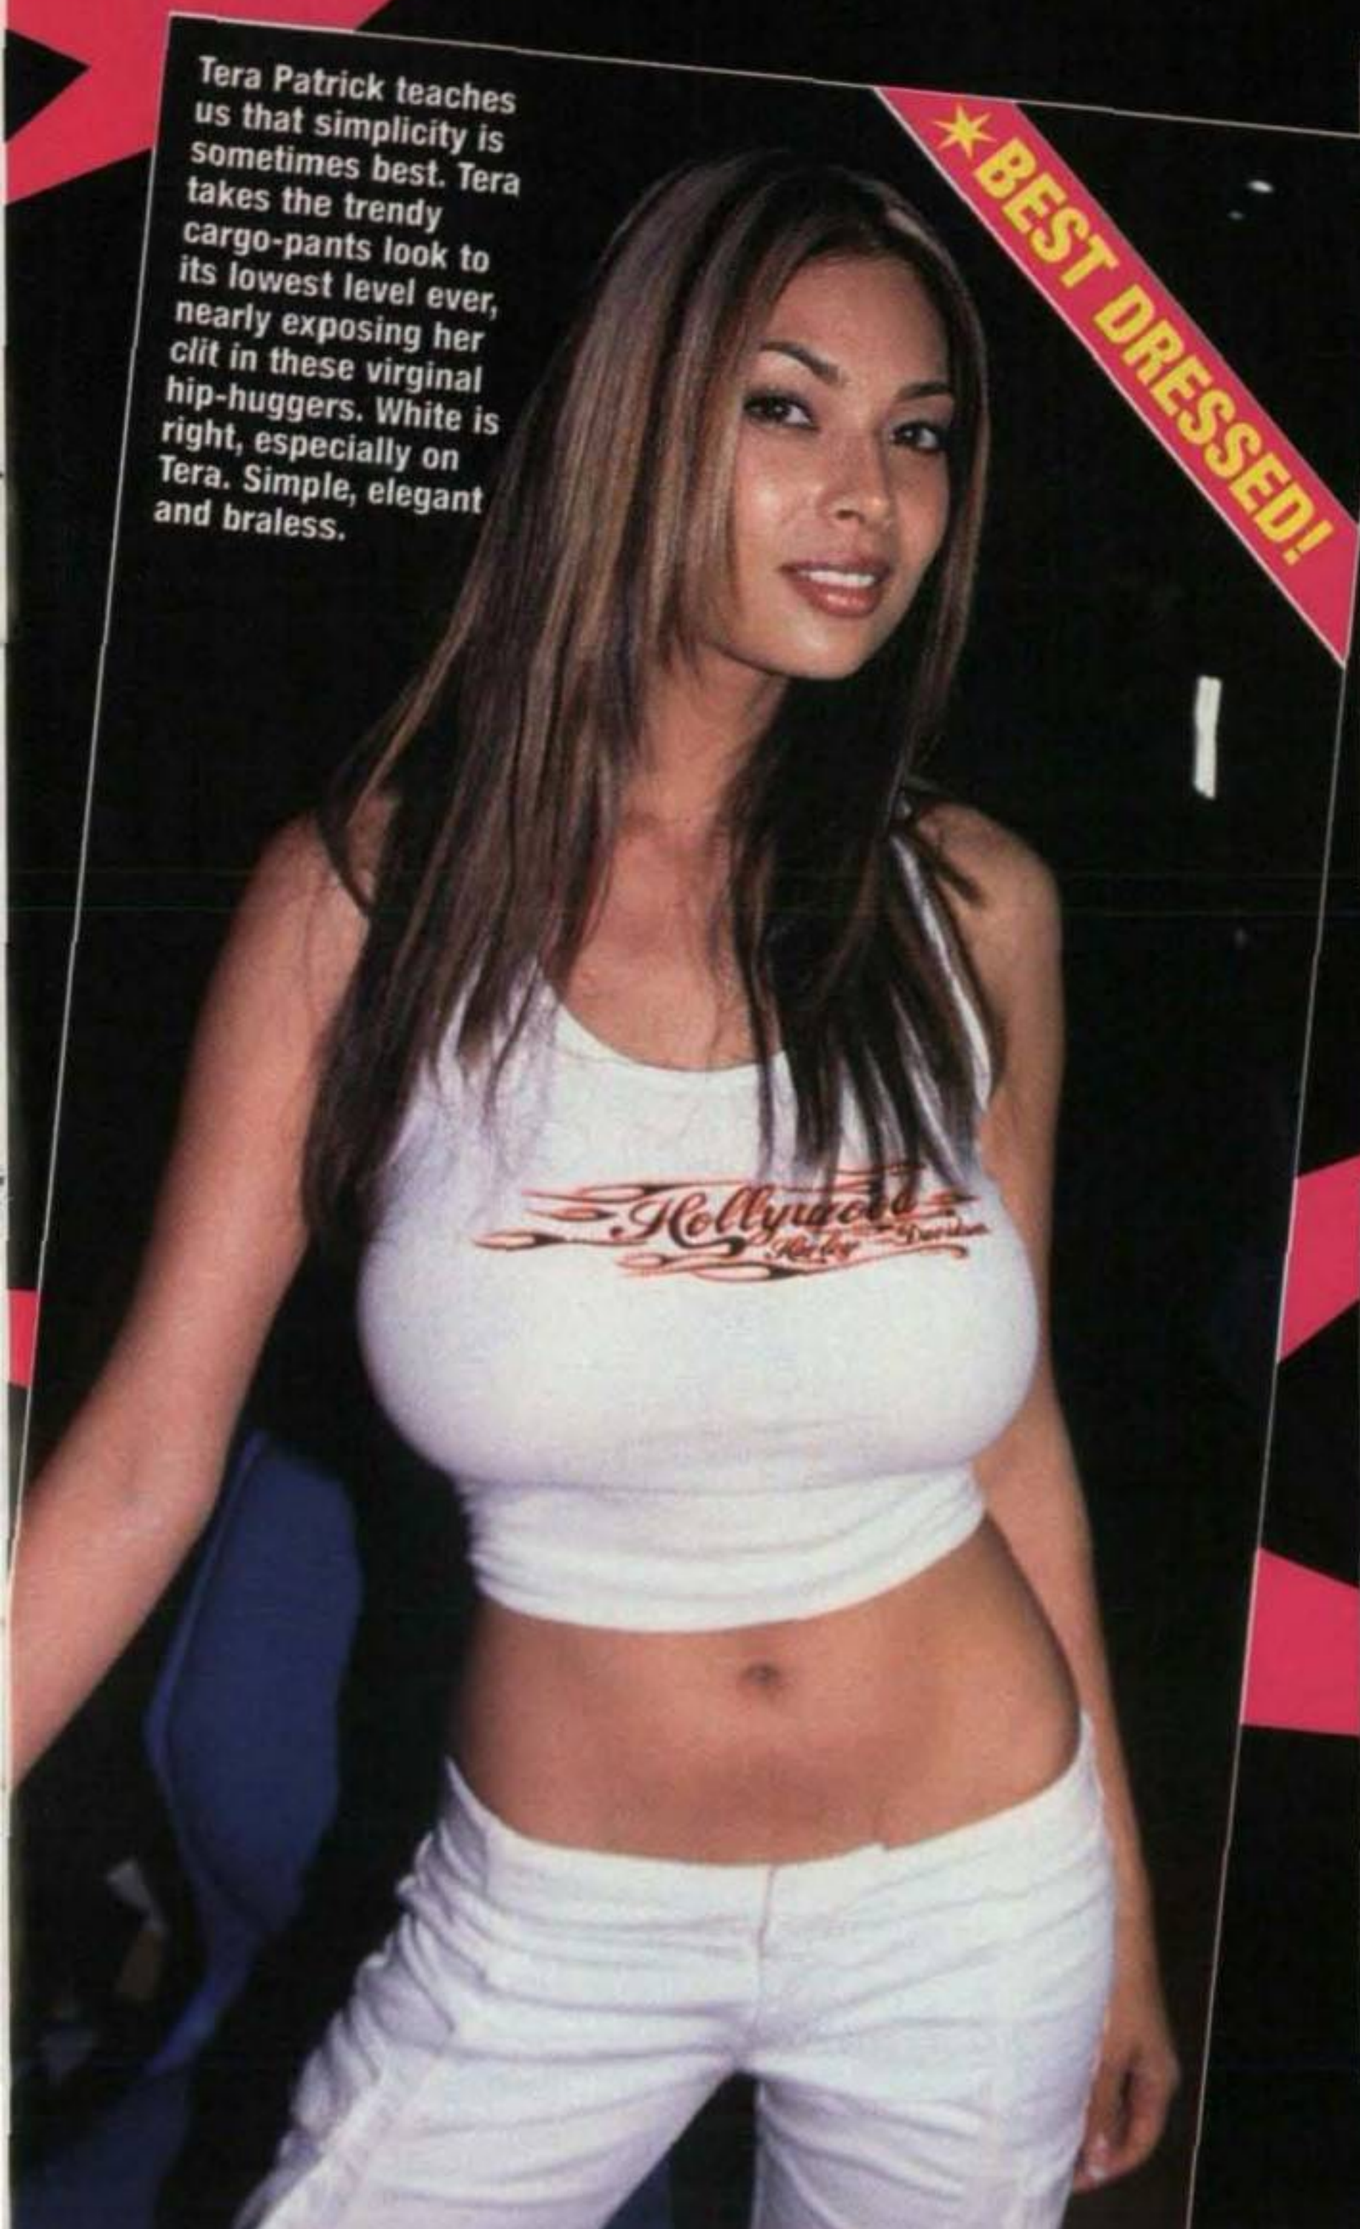
Bespectacled Kiki Daire hopes to *convey that she's smarter than* your average ho. However, her hippie-dippy shirt gives the opposite impression. Kiki's look is too Janeane Garofalo-meets-Edie Brickell and the New Bulimians.



Survivor meets smut. Felicia Fox's sassy, militant camouflage mini, erect-bullet nipples and half-length wife-beater definitely grab our "Attention!" Mission accomplished.

Fashion victim Lynn LeMay wants us to know a little bit about herself: She likes bad hairdos and zebras, and her favorite bands are Dio, Warrant and Quiet Riot. Don't try this look at home—or anywhere else.

Tera Patrick teaches us that simplicity is sometimes best. Tera takes the trendy cargo-pants look to its lowest level ever, nearly exposing her clit in these virginal hip-huggers. White is right, especially on Tera. Simple, elegant and braless.



Taylor Wane went overboard dur*ing her Strippers 'R' Us shopping* spree. This furry-capped floozy could do without the Bobby Trendy-style, birthday-cake hat. Then again, it doubles as a bomb shelter.

Darla Crane, you're tutu much! With this getup, Darla should be twirling around on a music box as a slutty ballerina.

Chloe Vevrier, give Gilligan his hat *back!*

Laurie Holmes, you're at a porn convention, not a slumber party. We don't care if you were married to the guy; the first rule in porn fashion is to never let an oversized John Holmes nightshirt cover up a schoolgirl uniform.

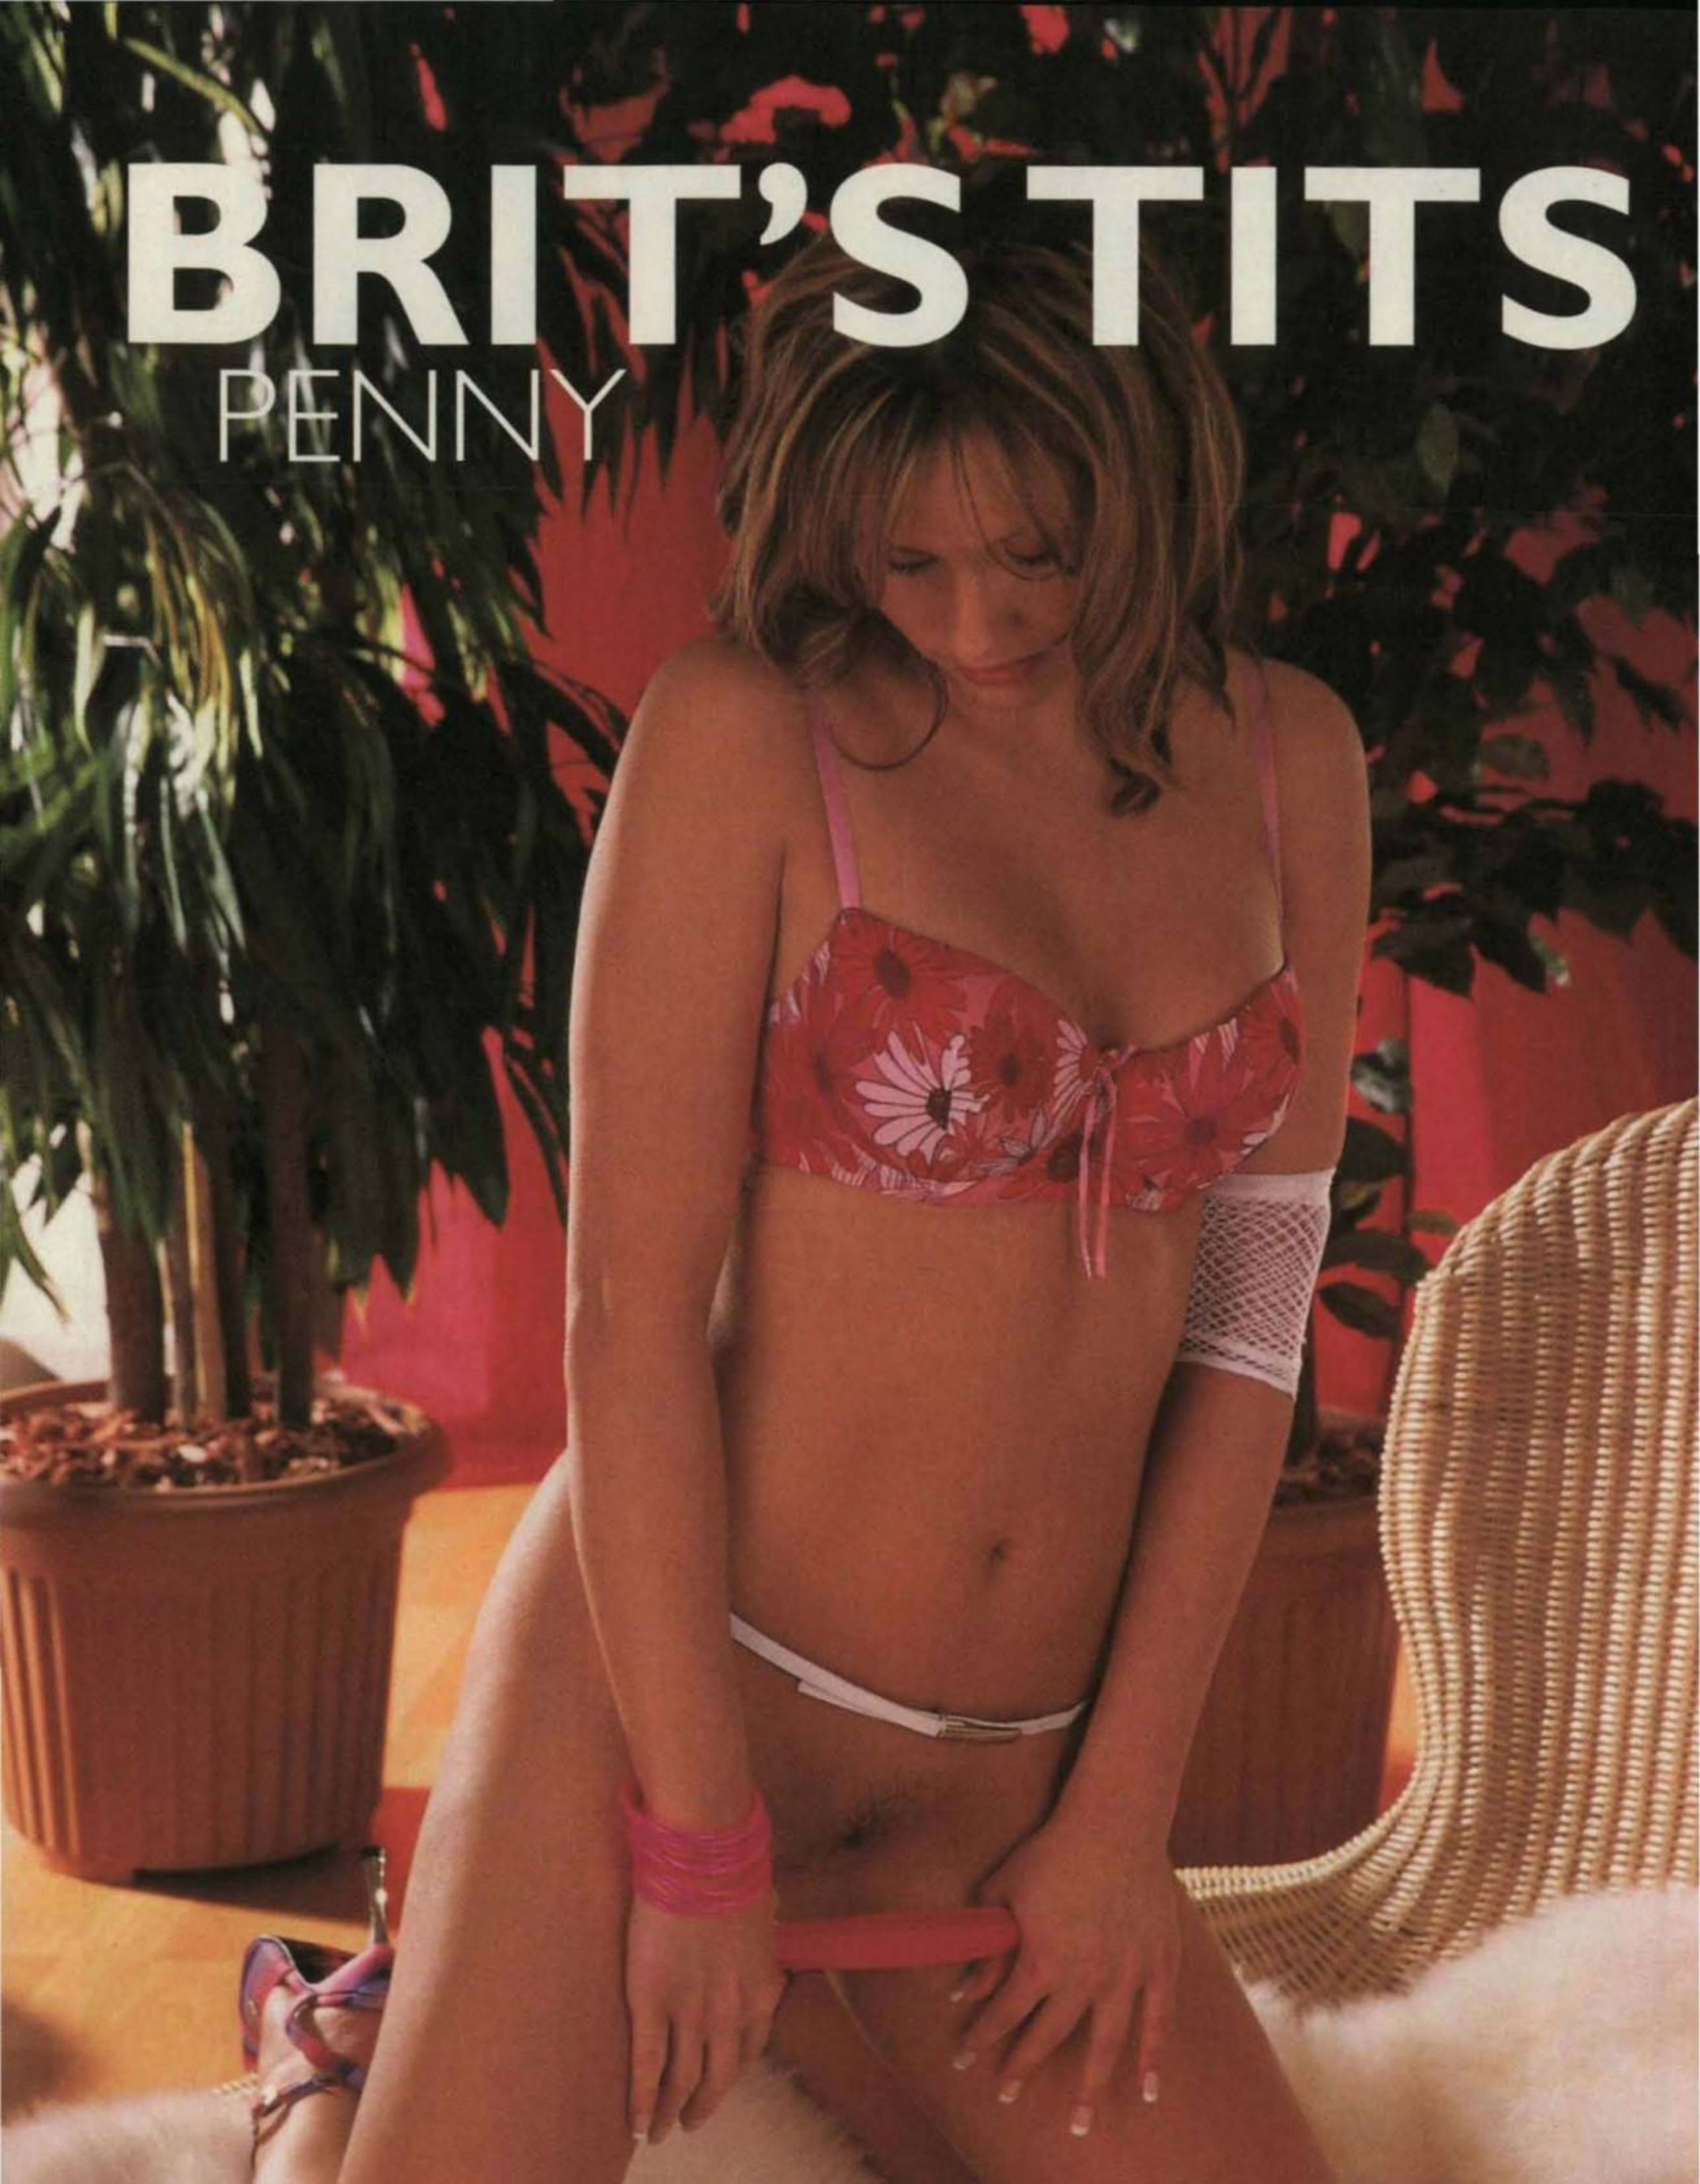
BRIT'S TITS

PENNY



PHOTOGRAPHY BY SCOTT WARD

Penny was born in merry old England. The creamy-skinned, 22-year-old Cancer says she fancies guys who are "rugby players" but is not turned on by the yellow teeth of some of her countrymen. Her parents know she works as a pole dancer these days, but they don't know she's posing nude. "I don't do it that often, just now and then," the comely tart notes. The busty Brit wants to be an actress and plans to go to drama school next year. Maybe she can pick up some tips from Tony Blair.

SANTA'S COMING

I had to pick up a part-time job so I can afford a nice present for Mama this Christmas; so playing jolly ol' Saint Nick at the local mall was practical. My first day was great: All the snot-nosed kids were cooperative, and not one of them shat on my red slacks. Having Mrs. Harris, my neighbor and Mama's good friend, sit on my lap with her two-year-old son was the highlight of the day—she's a total MILF. She's 35 and 17 years my senior; I felt pretty studly when she brushed her well-nourished thigh against my crotch and slipped me a note: "Meet me at midnight. My garage." Score! I thought.

When the clock struck 12, I snuck out of my bedroom window, jumped over the hedges and slithered into Mrs. Harris's garage through the side door. Once she caught sight of me, the giddy bitch sprinted toward my hard-on, caressing it with anticipation. "What's up, Derek? Would you like to sample some mature ass?" she hissed. I took that as a rhetorical question, since she gave me no time to answer. The lusty, middle-age strumpet immediately turned around, lifted her blue, lace nightie and waved her meaty, white butt at my dick, then backed up and rubbed against it. Mrs. Harris's tenacious rump massaged my wiener like a Thai mail-order bride on Ecstasy. I grabbed her hips and wedged my still-clothed boner further up her naked crack. My throbbing lap mallet felt pleasantly warm in the recesses of her crap cleavage, even through my Levis; so I dry humped her backside for a good 20 minutes, till she couldn't stand the tease anymore.

The ravenous nympho turned around and clawed at my belt buckle and zipper to extract the alert anaconda in my pants. Wide-eyed and ready for action, she spanked her own rump and spread her shit pillows far apart, cuing me to drill her poop chute. I pushed her against her '85 Ford pick-up and slapped my meat wand against her glutei five times (for good luck) before stabbing her gaping a-hole with it. Her juicy hams enveloped my hillbilly willy with no problem. I pumped her colon with unbridled voracity, watching her size-D breasts smash up against the bed of her truck like Idaho potatoes. The wedded wench tightened her bunghole with each stroke, causing my stiffy to harden even more. "*Oooo-ey*! Mother of Jebus, have mercy!" I moaned. With that incantation, the blue-eyed slut rammed four of her French-manicured fingers up her secreting twat.

She worked herself into a frenzy and was considerate enough to keep her sphincter tightened on my behalf. Meanwhile, the busty broad was soaked to the elbow in her own musty clam juice. The squishy sounds from her ginch and the guttural croaks that arose from her throat signaled an onslaught of orgasmic fits. Blond locks flailing everywhere, she went into a half-alarming seizure, followed by short tremors of self-gratification. After catching her breath, she withdrew her pungent phalanges and gently placed them between her red lips, licking and sucking them as I continued to ream her rear end. While she slobbered all over herself, I clasped her long, blond hair from the bottom, curled it around my fist three times and pulled hard. I rode her as if I were a cowboy barebacking a bull. She bucked against my schwang, gyrating like a possessed maniac.

Suddenly, she yanked my pecker out of her back door, dropped to all fours and polished it with her hot tongue. With all the experience she's had, she sure was a bonafide cocksucker: Her lips wrapped tightly around my beef stick as she grunted in delight. The maternal slattern rotated her agile tongue, concentrating on my engorged cock head. After mouth-fucking the seasoned chippie for a good 15 minutes, I pulled out my spasmodic rod and nutted in her eye. *Bull's-eye!* I thought to myself, my mouth curling into the most diabolical grin. In response, the bitch slapped my face, threw a $100 bill at me and kicked me out of her garage.

Mrs. Harris must have figured out that I needed the cash, since I was working such a lame part-time job. With the money she so kindly donated and the scratch from my Santa gig, I can buy Mama that gold-plated beer helmet she's always dreamed about.

SUMMER

Summer is a 20-year-old, third-year liberal-arts student at **San Francisco State University**. The golden-tressed academic enjoys writing, reading and surfing when she's not cramming for finals. Although this beautiful blonde doesn't belong to any clubs, she does maintain a 3.0 grade point average. Her unfulfilled sexual fantasy is to "have sex on the beach."

AMATEUR PHOTO/VIDEO CONTESTS

$5,000 IS UP FOR GRABS

Guys, we need you to be HUSTLER's campus point men in our ongoing search for new, untapped Beavers. Do you know gorgeous college students who are over 18 years of age? We're looking for readers to recruit babes for the *Real College Girls* division of *Beaver Hunt*. The process is easy; just snap a couple of clear, sexy—the more explicit the better—photographs (digital shots are cool too, as long as they're high resolution and printed on photo-quality paper). Send them to *Real College Girls*, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Every female whose picture sees print will receive a $250 honorarium, as well as a slot in HUSTLER's 2004 *Beaver Hunt* competition and a chance to appear in the video version of HUSTLER's *Real College Girls*. Finalists score $1,500 each, and the Grand Prize winner will appear in a HUSTLER photo-feature and earn $5,000. The photographer of the Grand Prize winner scores $500, and the Finalists' photographers earn $250. All photographers of models appearing in *Real College Girls* receive a one-year subscription to HUSTLER. Ask the girls to fill out the model release below, and include copies of two legal forms of ID and a current college ID. The model's photo, date of birth and signature must appear on the IDs (not necessarily all on the same one). All photos become the unreturnable property of L.F.P., Inc. No essays are required, but if your model can come up with something sexy, tell her to knock herself out.

MODEL RELEASE/ENTRY FORM

To enter *Real College Girls* or *Video College Girls* you must be 18 years of age or older, and you must fill out and send this release and copies of two forms of ID, one with photo (i.e., driver's license, passport or photo ID issued by state). Second ID can be a birth certificate, Social Security card, credit card, marriage certificate or immigration card. One ID must include your date of birth, and one must include your signature. Send photocopies, not originals. Send two or more sharply focused color prints or slides. Send videotapes in VHS format. Showing pink is optional at entry stage. All photos and videos become the unreturnable property of L.F.P., Inc., which buys all rights in perpetuity to photos and videos we purchase. Win $250 if we publish your photo, or $500 if we choose your video, and win the chance to be in an extended pictorial or feature video worth $5,000. Send photos, videos, IDs and release to *Real College Girls*, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. **Contest not open to residents of Arizona.** Void where prohibited. No purchase necessary.

Game On

Grab your joystick; HUSTLER plugs you into the latest video games.

by Gus Mastrapa

MTV's Celebrity Deathmatch

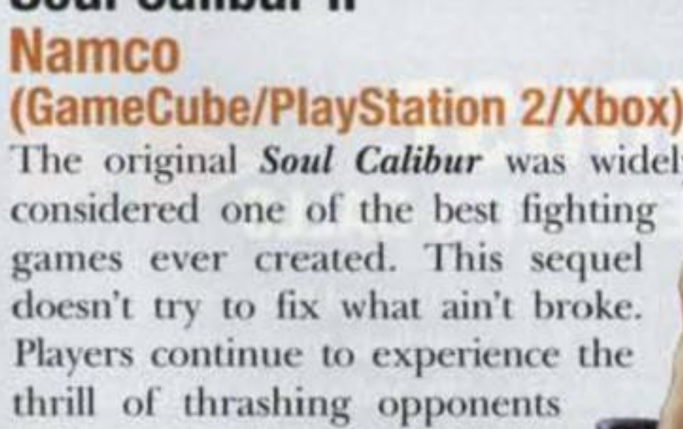
Gotham Games (GameCube/PC/PlayStation 2/Xbox)

Perhaps the only video game that skewers the rich and marginally famous as well as HUSTLER's *Bits & Pieces* does, the playable incarnation of MTV's claymation gorefest offers Hollywood's castoffs in gruesome fights to the digital death. Playa haters can now gleefully commit acts of fatal cartoon violence on stars such as Anna Nicole Smith, Marilyn Manson, Dennis Rodman, *NSYNC and Ron Jeremy without being subjected to that pesky penal code.

Soul Calibur II

Namco (GameCube/PlayStation 2/Xbox)

The original ***Soul Calibur*** was widely considered one of the best fighting games ever created. This sequel doesn't try to fix what ain't broke. Players continue to experience the thrill of thrashing opponents with more than 200 deadly weapons. The game is still as graphically dazzling and easy to play (yet difficult to master) as ever. But most importantly, the babes—originals and newcomers alike—remain painfully hot.



Rogue Ops

Kemco (GameCube/PlayStation 2/Xbox)

Revenge is a dish best served with pistols, dart guns, sniper rifles, grenades and mines. Ex-Green Beret Nikki Connors may look hot, but ever since her family was shattered by a terrorist's bomb, the babe has been a stone-cold killer. ***Rogue Ops*** pits the lovely but vengeful dame against Omega 19, the world's most notorious terrorist organization. Using a combination of stealth, skill and good ol' American firepower, your job is to help Nikki even the score.

Alias

Acclaim (PC/PlayStation 2/Xbox)

CIA agent Sydney Bristow, played on television by buff babe Jennifer Garner (who lends her voice and likeness to this game), uses martial arts, spy gadgets and a sultry array of skintight outfits to battle members of the criminal organization SD-6. Anybody who puts in a fair amount of time gripping a controller knows that gamers spend 90% of their time looking at their character's backside. If you're gonna stare at an ass for 20 hours, it might as well be Garner's.

Starsky & Hutch

Gotham Games (PC/PlayStation 2/Xbox)

Back in the '70s, TV cops drove Gran Torinos, hung out with informants named Huggy Bear and ventilated criminals with .357 Magnums. This game isn't just a jive rerun, turkey; your driving and shooting skills translate into "viewer" ratings. High-speed chases, spectacular jumps, violent explosions and heavy-caliber street justice keep the virtual audience happy. Slow motion and O.J.-style pursuits earn low ratings and a big, fat "Game Over."

COMING NEXT MONTH IN HUSTLER

BARBI TWINS:
HUSTLER-STYLE EXCLUSIVE PIX

A spectacular pair of big-titted, blond pinups, the Barbi Twins stepped out of every guy's fantasy and into the limelight doing soft-core cheesecake shots for *Playboy* and their own line of calendars. Now Shane and Sia are stepping up to a real men's magazine with a set of eye-popping photos by *Wiseguy* star Ken Wahl.

WHAT DID THE CIA KNOW ABOUT 9/11?

While the Bush Administration has repeatedly claimed that no one could have predicted the terrorist attacks of September 11, 2001, someone playing the stock market seemed to have an inkling. Compelling evidence of massive insider trading that profited immensely off 9/11 raises serious questions about the complicity of our own government in the worst act of terrorism on U.S. soil. Former LAPD investigator-turned-CIA watchdog Michael Ruppert shares his findings and details the strong links between the CIA and Wall Street. Interview by Editorial Director Bruce David and Features Editor Dan Kapelovitz.

THE USA-PATRIOT ACT:
AMBUSHING THE BILL OF RIGHTS

Taking advantage of a fear-gripped nation in the wake of 9/11, would-be fascists concocted an Orwellian wet dream they perversely called the USA-PATRIOT Act. Approved by kowtowing congressmen who never read it, what does the PATRIOT Act really mean for your freedom, privacy and rights as an American? Correspondent Ryan Singel takes a hard look at the fine print and its chilling consequences.

SEVENDUST:
HEADBANGERS WITH BALLS

Atlanta quintet Sevendust, the road dogs of heavy metal, recently took a break from their relentless touring to record a brand-new album of ass-kicking riffs and soulful melodies. Music Editor Nancy Sayle goes backstage and into the studio with the chart-topping hard rockers.

BROWN SUGAR

Helping races come together, HUSTLER proudly offers an in-depth look at the hottest sistahs to ever grace the jizz biz. Get your freak on with Midori, Janet Jacme, Domonique Simone, Spantaneeus Xtasty and more in a series of profiles by Tom Farrell.

RING IN THE BLUE

Bits & Pieces brings you an all-new dose of no-holes-barred humor. Porn superstar Jenna Jameson reveals her latest adventures in *Jenna Tales.* Amateur sluts resolve to strip butt-naked for *Beaver Hunt*, and fully nude *Real College Girls* show you their A's. Sexpert Jeanna Fine clears up your carnal dilemmas in *Dear Slut*, and *Erotic Entertainment* reviews the finest in XXX while kicking limp porn to the curb.
